My next door neighbor Parker Jax is not my type. He's covered in tats, rides a motorcycle, and his parties keep me up all night. The fact he's sexy as sin doesn't change the fact we are oil and water. I'm a quiet artist. He's a rowdy marine. I've got a broken heart. I'm convinced he doesn't have a heart at all. Thankfully, my bad-boy neighbor is on leave from the Marines for only thirty days. But then the jerk has to go and show me

that he has a soft side beneath all those hard muscles. He actually leaves his own party to help me, and he didn't even have to. Fantastic. Now I owe him. I'm not worried, though. What are the chances he'll need me to do anything before the month is up? But when a woman shows up with a kid at her side, knocking on Parker's door, it turns out those chances are pretty good...

A STANDALONE NOVEL that does NOT need to be read in conjunction with any other book. From New York Times bestselling author, Penelope Ward, comes a friends-to-lovers story with sexy new characters. After getting dumped, the last thing I needed was to move next door to someone who reminded me of my ex-boyfriend, Elec. Damien was a hotter version of my ex. The neighbor I'd dubbed "Angry Artist" also had two massive dogs that kept me up with their barking. He wanted nothing to do with me. Or so I thought until one night I heard laughter coming through an apparent hole in my bedroom wall. Damien had been listening to all of my phone sessions with my therapist. The sexy artist next door now knew all of my deepest secrets and insecurities. We got to talking. He set me straight with tips to get over my breakup. He became a good friend, but Damien made it clear that he couldn't be anything more. Problem was, I was falling hard for him anyway. And as much as he pushed me away, I knew he felt the same...because his heartbeat didn't lie. I thought my heart had been broken by Elec, but it was alive and beating harder than ever for Damien. I just hoped he wouldn't shatter it for good. Author's note - Neighbor Dearest is a full-length standalone novel.
