*My Lord Vampire Immortal Rogues 1 Alexandra Ivy*

---

A handsome vampire struggles to keep a crusading do-gooder safe from a destructive evil in this Regency romance from a New York Times-bestselling author. Alexandra Ivy, author of the Guardians of Eternity series, draws readers deeper into the world of the Immortal Rogues—three vampires entrusted to protect the future of their kind . . . To other vampires, mortals are weak, uninteresting creatures. To Lucien Valin, they are infinitely fascinating.	Especially Jocelyn Kingly—once the prize of London society, now an outcast. As the vampire assigned to guard her, Lucien is relishing his task. But her beguiling goodness puts her in terrifying danger. Not just from the traitor intent on claiming her mysterious amulet, but from the desire Lucien struggles to keep in check. Youthful infatuation already cost Jocelyn her good name. But even with little to lose, instinct tells her that accepting Lucien as a	tenant in her home is a devil's bargain. As she roams London's streets at night, helping the most wretched, she feels a dark force drawing near. And Lucien—magnetic, charming, irresistible—may turn out to be her savior, her lover, or the means to change her destiny forever. Praise for My Lord Vampire "The romantic dynamic is smoldering and the seduction focuses on compelling trust, increasing the appeal." —Publishers Weekly

### The Immortal Prince MIRA

My name is Ivy Moore. This morning I woke up a 21-year-old overworked waitress, sister, and not much else. 6 years ago I watched my mother walk away while I was trapped in the mangled car that held my crippled twin sister and the body of my dead father. My hatred for her ran deep into my bones. It

wasn't until I was attacked by monsters that were attracted to my blood that I began to understand. With the help of the local arrogant vampire lord, I learned all about my heritage, about vampires and revenants, about what it was like to live again. About learning to love. While Crispin spent his nights training me to be a deadly killer, someone else was creating an army. I was a Hunter. And someone wanted me for my blood. Important Note: This is the first book in a series, please be aware that it ends in an HFN but the second book picks right up where the first left
