[My Secret: A PostSecret Book](#)
My Secret Life, by "Walter", is the memoir of a gentleman describing the author's sexual development and experiences in Victorian England. It was first published in a private edition of eleven volumes, at the expense of the

author, including an imperfect index, which appeared over seven years beginning around 1888.. The work itself is enormous, amounting to over one million words, the eleven ...

In the Post Secret books, the author/web creator takes what he thinks are the most relevant pieces from the site and compiles them for everyone to see.

Its a good effort, too, and one that deserves to be commended.

The problem is that this book, unlike the first one, doesn't really have the scope or depth to present all the problems people ...
