The unexpurgated first-person narrative of nineteen-year-old Skyler Rampike, the only surviving child of an infamous American family. A decade ago the Rampikes were destroyed by the murder of Skyler's six-year-old ice-skating champion

sister, Bliss, and the media scrutiny that followed. Part investigation into the unsolved murder; part elegy for the lost Bliss and for Skyler's own lost childhood; and part corrosively funny expose of the pretensions of upper-middle-class American suburbia, this captivating novel explores with unexpected sympathy and subtlety the intimate lives of those who dwell in Tabloid Hell.

Big Sister, Little Sister, Red Sister Routledge

This accessible and engaging book provides a critical geography of sex and sexuality from the

body to the globe. Drawing on queer, feminist, gender, social, and cultural studies, Lynda Johnston and Robyn Longhurst highlight the complex nature of sex and sexuality and how they are connected to both virtual and physical spaces and places. Their aim is to enrich our understanding of sexual identities and practices—whether they be lesbian, gay, bisexual, transsexual, asexual, queer, or heterosexual.

Drawing on a diverse array of historical and contemporary examples, the authors argue convincingly that sexual politics permeate all places and spaces at every level of geographical scale. Thus, they illustrate, sexuality affects the way people live in and interact with space and place, as space and place in turn affect people's sexuality. *My Sister Milly* Xlibris Corporation
The study of relationships—a topic which has received considerable attention in Europe, the United

States, and parts of Asia, until now has not been addressed in the Arab world. Here for the first time are articles written by native feminist scholars that focus on intimate Arab familial relationships and provide a scholarly discussion of gendering of the self (the process of intimate selving) in the Arab community. The book is divided into three parts: biographical and autobiographical; ethnographic; and literary accounts in which the authors identify key family relationships—mother-son, brother-sister, mother-daughter-granddaughter, co-wives, and father-daughter—and explore them in terms of shaping and defining gender in relation to others.

As the country battled through a hundred years of wars, revolutions and seismic transformations, the three Soong sisters from Shanghai were at the center of power, and each of them left

an indelible mark on history. Red Sister, Ching-ling, married the 'Father of China', Sun Yat-sen, and rose to be Mao's vice-chair. Little Sister, May-ling, became Madame Chiang Kai-shek, first lady of pre-Communist Nationalist China and a major political figure in her own right. Big Sister, ling, became Chiang's unofficial main adviser - and made herself one of

China's richest women. Big Sister, Little Sister, Red Sister is a gripping story of love, war, intrigue, bravery, glamour and betrayal, which takes us on a sweeping journey from Canton to Hawaii to New York, from exiles' quarters in Japan and Berlin to secret meeting rooms in Moscow, and from the compounds of the Communist elite in Beijing to the corridors of power in

democratic Taiwan. In a group biography that is by turns intimate and epic, Jung Chang reveals the lives of three extraordinary women who helped shape twentieth-century China.

The late eighteenth century witnessed the emergence of the literary family: a collaborative kinship network of family and friends that, by the end of the century, displayed characteristics of a nascent corporation. This book examines different models of collaboration within English

literary families during the period 1760-1820. Beginning with the sibling model of Anna Barbauld and John Aikin, and concluding with the intergenerational model presented by the Godwins and the Shelleys, this study traces the conflict and cooperation that developed within and among literary families as they

sought to leave their legacies on the English world of letters.

A pioneering study
which has become an
established classic in
its field, *Sex,

provides a lucid and
comprehensive analysis
of the transformations
of British sexual life
from 1800 to the
present. These changes
are firmly located in
the wider context of
British social,
political and cultural
life, from

industrialization,
urbanisation and the
impact of Empire and
colonisation, through
the experience of
economic disruption,
World Wars, the
establishment of the
welfare state, changing
patterns of gender and
the emergence of new
sexual identities. This
book also charts the
rise of both
progressive and
conservative social
movements, including
feminism, LGBT
activism, and
fundamentalist
movements. It is a

history where the past continues to live in the present, and where the present provides ever more complex, and often controversial patterns of sexual life, with sexual and gender issues at the heart of contemporary politics. Now fully revised and updated, this edition examines key new developments including: the impact of globalisation, and the digital revolution; gender nonconformity and the rise of transgender consciousness; shifting family and relational patterns, and new forms of intimacy; changes in reproductive technology including the debates on IVF and surrogacy; new discourses of equality and sexual rights for LGBT people; the irresistible rise of same-sex marriage; the weakening of the heterosexual/homosexual binary divide and the development of new lines of concern and divisions in the politics of sexuality. Combining rich empirical detail with innovative theoretical insights, *Sex, Politics and Society* remains at the cutting edge of the subject, and this fourth edition will inspire and provoke a whole new generation of readers in history, sociology, social policy and critical sexuality studies.

MAGAZINE'S BEST NEW BOOKS "A searing and intimate memoir about love turned deadly." -The BBC "An intimate illumination of sisterhood and loss." -People When Sheila Kohler was thirty-seven, she received the heart-stopping news that her sister Maxine, only two years older, was killed when her husband drove them off a deserted road in Johannesburg. Stunned by the news, she immediately flew back to the country where she was born, determined to find answers and forced to reckon with his history of violence and the lingering effects of their most unusual childhood—one marked by death and the misguided love of their mother. In her signature spare and incisive prose, Sheila Kohler recounts the lives she and her sister led. Flashing back to their storybook childhood at the family estate, Crossways, Kohler tells of the death of her father when she and Maxine were girls, which led to the family abandoning their house and the girls being raised by their mother, at turns distant and suffocating. We follow them to the cloistered Anglican boarding school where they first learn of separation and later

their studies in Rome and Paris where they plan grand lives for themselves—lives that are interrupted when both marry young and discover they have made poor choices. Kohler evokes the bond between sisters and shows how that bond changes but never breaks, even after death. "A beautiful and disturbing memoir of a beloved sister who died at the age of thirty-nine in

circumstances that strongly suggest murder. . . . Highly recommended." —Joyce Carol Oates

In *There's a Disco Ball Between Us*, Jafari S. Allen offers a sweeping and lively ethnographic and intellectual history of what he calls "Black gay habits of mind." In conversational and lyrical language, Allen locates this sensibility as it

emerged from radical Black lesbian activism and writing during the long 1980s. He traverses multiple temporalities and locations, drawing on research and fieldwork conducted across the globe, from Nairobi, London, and Paris to Toronto, Miami, and Trinidad and Tobago. In these locations and archives, Allen traces the genealogies of Black gay politics and cultures in the visual art, poetry, film, Black feminist theory, historiography, and

activism of thinkers and artists such as Audre Lorde, Marsha P. Johnson, Essex Hemphill, Colin Robinson, Marlon Riggs, Pat Parker, and Joseph Beam. Throughout, Allen renarrates Black queer history while cultivating a Black gay method of thinking and writing. In so doing, he speaks to the urgent contemporary struggles for social justice while calling on Black studies to pursue scholarship, art, and policy derived from the lived experience and fantasies of Black people throughout the world. *Space, Place, and Sex* Midsummer Nights Press This is Gemma Dowler's powerful account, as seen on The One Show and This Morning . . . 'My name is Gemma Dowler. On 21 March 2002, a serial killer named Levi Bellfield stole my sister and sent our family to hell . . .' In My Sister Milly, Gemma Dowler recounts the terrible day of Milly's disappearance, the suspicions that fell on the family, the torture of encountering the murderer in court, the fatal errors made by the police, how it very nearly destroyed her family and how love and hope helped the family survive. Everyone thinks they know the story of Milly Dowler, but only one person knows the true pain of having lost her sister, and how a family can rediscover hope to survive.

Povinelli reflects on
a set of ethical and
normative claims
about the governance
of love, sociality,
and the body that
circulates in liberal
settler colonies such
as the United States

and Australia. She
boldly theorizes
intimate relations as
pivotal sites where
liberal logics and
aspirations absorbed
through settler
imperialism are
manifest, where
discourses of self-
sovereignty, social
constraint, and value
converge. For more
than twenty years,
Povinelli has
traveled to the
social worlds of
indigenous men and
women living at

Belyuen, a small
community in the
Northern Territory of
Australia. More
recently she has
moved across
communities of
alternative
progressive queer
movements in the
United States,
particularly those
who identify as
radical faeries. In
this book she traces
how liberal binary
concepts of
individual freedom
and social constraint

influence understandings of intimacy in these two worlds. At the same time, she describes alternative models of social relations within each group in order to highlight modes of intimacy that transcend a reductive choice between freedom and constraint. Shifting focus away from identities toward the social matrices out of which identities and divisions emerge,

Povinelli offers a framework for thinking through such issues as what counts as sexuality and which forms of intimate social relations result in the distribution of rights, recognition, and resources, and which do not. In *The Empire of Love* Povinelli calls for, and begins to formulate, a politics of "thick life," a way of representing social life nuanced enough to meet the density and variation of actual social worlds.

Intimate Selving in Arab Families Random House Trade Paperbacks "In this collection of letters, Emma's writings reveal a woman of determination, faith, and integrity who embraced her own causes of women's rights and temperance while maintaining full support for her husband's controversial agenda.

Covering her life in Buckfield, Maine, from her marriage to a captain in the Eighth Maine Infantry, to her move to Georgia as the wife of one of the prominent figures in Reconstruction politics, the letters open a window on what life was like for an intelligent, independent woman during three of America's most turbulent decades."--Jacket.
