In this third book of a new related trilogy, witness the birth of the Dollanganger curse as Corrine Foxworth's children learn that family is but destiny by another, crueler name. As a young girl in France, Marlana Hunter's life was a fairy tale. She had a talented artist for a father, a doting mother, and a brother she couldn't be closer to. She loved her family; she just didn't know what her family actually was. When a car crash kills their parents, Marlana and Yvon lose not only France, but also their identity. Sent to Richmond, Virginia, they arrive at the home of two aunts they've never met before, who tell them that their true last name is Dawson, that their father had fled the family years back—and that now the family is calling in the debt. Trapped in a mansion with as many secrets as rooms, Marlana yearns for escape. But in America, you can either make friends or make profit, and Yvon suddenly seems much more interested in the latter. While he is free to leave the house, Marlana is left to avoid lecherous tutors and the secretary-to-wife track expected of a woman. Caught between mastering the game to escape it and falling prey to its allure, she needs to learn fast—for Malcolm Foxworth has cast his eye in her direction. And no family name can protect her from the twisted roots of the Dollanganger family tree.

Fallen Hearts Simon and Schuster

The twisted, beloved Dollanganger legend began two generations before Corrine Foxworth locked away her children in *Flowers in the Attic*. The second book in a new prequel story arc, *Out of the Attic* explores the Dollanganger family saga by traveling back decades to when the clan's wicked destiny first took root.

Married to the handsome, wealthy Garland Foxworth following a wildfire romance and an unexpected pregnancy, young Corrine Dixon finds her life very different from how she imagined it. Often alone in the mansion of Foxworth Hall, she can practically feel the ancestors' judgment of her as insufficient—as not a Foxworth. Stern portraits glare at her from the walls, and the servants treat her strangely. Nothing in the vast place is truly hers. Even her son, Malcolm Foxworth, born in the luxe Swan Room and instantly whisked away to a wet nurse, feels alien to her. With a husband alternately absent and possessively close, Corrine doesn't yet realize that she's barely scratched the surface of what lies beneath Foxworth Hall's dark facade and the family that guards its legacies. With the fortieth anniversary celebration of *Flowers in the Attic*, and ten new Lifetime movies in the past five years, there has never been a better time to experience the forbidden world of V.C. Andrews.
