**INSTANT NEW YORK TIMES BESTSELLER** From the New York Times bestselling author of *I'm Judging You*, a hilarious and transformational book about how to tackle fear--that everlasting hater--and audaciously step into lives, careers, and legacies that go beyond even our wildest dreams Luvvie Ajayi Jones is known for her trademark wit, warmth, and perpetual truth-telling. But even she's been challenged by the enemy of progress known as fear. She was once afraid to call herself a writer, and nearly skipped out on doing a TED talk that changed her life because of imposter syndrome. As she shares in *Professional Troublemaker*, she's not alone. We're all afraid. We're afraid of asking for what we want because we're afraid of hearing "no." We're afraid of being different, of being too much or not enough. We're afraid of leaving behind the known for the unknown. But in order to do the things that will truly, meaningfully change our lives, we have to become professional troublemakers: people who are committed to not letting fear talk them out of the things they need to do or say to live free. With humor and honesty, and guided by the influence of her professional troublemaking Nigerian grandmother, Funmilayo Faloyin, Luvvie walks us through what we must get right within ourselves before we can do the things that scare us; how to use our voice for a greater good; and how to put movement to the voice we've been silencing--because truth-telling is a muscle. The point is not to be fearless, but to know we are afraid and charge forward regardless. It is to recognize that the things we must do are more significant than our fears. This book is about how to live boldly in spite of all the reasons we have to cower. Let's go!

This book is a poetic journey comprised of mini chapters resembling a modern day Biblical Psalms. Like Psalms, this is a writer's deepest expressions, sincerest conversations with God and the depiction of hope in Him. Despite the mess ups, there is true repentance, and compassion for us as individuals and moreover as a human race. The Holy Spirit has guided me and God has sustained my life so that I can proclaim His works. Although some may see this as controversial I plead with you to be non judgmental for these are my encounters, stories, accounts, events and thoughts that many experience but are afraid of expressing in fear of being seen as odd. Hopefully as you journey with me you will realize that we are more of the same than different, especially when we recognize that it is all about being led by our Creator. When in doubt I dare you to try Him out! Take the challenge and surrender to that which already lies within you, just turn on that light switch, who I call friend, guide, comforter, vindicator and most of all partner. Put your seatbelt on and embrace my limitless journey with the Holy Spirit!

At age twenty-eight, Katrenia began preaching the good news of the gospel of Jesus Christ. The year was 1981. Since that time, she has been in demand as an inspirational conference speaker, evangelist, Bible teacher and workshop facilitator. Katrenia has written several inspirational articles which were published in Christian magazines in the United States and abroad, but *A Woman's Place In A Man's World* is her first book. With the scholarly and insightful assistance of a lot of good men and women, she takes us on a spiritual quest from Genesis to Revelation--traveling through time and history--in search of the "elusive territory" labeled in 19th Century America as "the Appropriate Sphere of Woman," a.k.a. "a woman's place." The author invites you to join her on this quest. "Put on your 'thinking cap' and consider what is said, when it was said, why it was said, and more importantly, who said it. As Paul said to Timothy, 'Consider what I say, and the Lord give you understanding.' That's the goal: understanding the Truth. For it is the Truth that sets us free to become all that God called us to be."
