Memories Of My First Time In....by Maurice Samuel. In it, he shares these personal experiences, that he wrote contemporaneously as emails to friends between 2007-2010. From playing the Pied Piper in Mumbai, swimming with sea lions in the Galapagos, being stopped by police on his way to Guantanamo, bathing at night in the Dead Sea, partying at Christmas in hyper-exclusive Mustique, horseback riding in the wilds of Cotopaxi volcano, whitewater rafting and zip-lining in Costa Rica, the ups and downs of Carnaval in Santa Cruz...and many, many more. Whilst the book 's focus is this period, he brings it up to date, with his more recent experiences from travels to places like Kazakhstan, where he is constantly asked for selfies,

his struggles to leave Uzbekistan, and taking a two week cruise through South East Asia without knowing where it 's going from day to day. The book is richly illustrated with his personal photographs and videos.

Luca Pacioli stood beside the great Leonardo da Vinci and gazed at The Last Supper. He saw immediately that something was terribly wrong. An orphan from a small town in Italy, Pacioli came of age during the Renaissance seemingly destined for a life of struggle and obscurity. But Pacioli had the good fortune of meeting mentors who recognized his uncanny ability with numbers and introduced him to renowned artists and philosophers,

royalty, and popes.

At a time when many still used Roman numerals and colleges didn't even teach mathematics, Pacioli was determined to share his passion and make it accessible and understandable. Apprentice to an artist, but a terrible artist himself, he became a master at calculating mathematical perspective in paintings. Tasked with teaching mathematics with no textbook, he wrote his own—followed by books on double-entry bookkeeping, chess, and the

divine proportion. In this way, Luca Pacioli, "the father of accounting," still has something to teach us—not just about mathematics—but about how we account for setbacks in our lives and how we determine what our legacy will be. *The Book of Common Prayer, ...* Trafford Publishing

After taking her little muffins Little Mix to the winning spot of the X Factor at the end of 2011, and with her long-awaited solo album being released later this year, the future is bright for Tulisa. An uproarious novel
about a man's often
sordid, lifelong

search for his possibly
imaginary half brother
My German Brother is
the renowned Brazilian
musician and author
Chico Buarque's
attempt to reconstruct
through fiction his
obsessive lifelong
search for a lost
sibling. In 1960s São
Paulo, the teenage car
thief and budding
lothario Ciccio comes
home each day to a
house stuffed with
books. His father, a
journalist and
scholar, has spent his
life acquiring them;
his mother, by
necessity, has spent
her life organizing
this library. Ciccio
feels like an
afterthought in his
own family, largely
left to his own
criminal devices.
Forbidden to touch any
of these books, Ciccio
sneaks off with The
Golden Bough one day

to discover a decades-
old letter hidden
inside. The letter
reveals an illicit
affair his father
carried on while
posted in Nazi-era
Berlin, an affair that
resulted in the birth
of a baby boy. The
child, along with his
mother, vanished into
the chaos of the
Second World War.
Ciccio develops a
fascination for his
mysterious German
brother: a fixation
that becomes a
mission, both comical
and courageous,
pursued over decades,
through dead ends and
embarrassments and
cases of mistaken
identity. My German
Brother is the project
of a lifetime,
combining what was,
what might have been,
and outright
fabrication, all in
order to arrive at the

truth.

Awakening: My
Spiritual Journey
Revell

This book is dedicated to the Thornton family, Christians, voters, and believers of God, Jesus and the Holy Spirit all over the world. I know that God is still in charge, and I thank Him for leading me to write about the way of life that I endured and how He gave the words to put on paper and I give all the Glory to God by saying yes and Amen. The trail and tribulations that I endured from my childhood, high school, military, VA, and college was just a setup to be the Help Ministry leader at our

church for the homeless and brothers and sisters who don't know God yet. If you think about it, maybe it could have been me trying to live this life minus God. Thank you, Jesus.

Everyone has felt stuck at some point in life. Our inertia is gone, momentum is wiped out, and life trudges on devoid of passion. But God has so much more than this planned for his daughters. With passion and enthusiasm, Pat Layton invites women to imagine their world unstuck--a place where they feel at peace with the past, find purpose in the present, and revel in the possibilities that the future holds. With her rousing Unstuck Manifesto, she delves deep into the areas

readers get stuck in the most--relationships, finances, ministry, career, and more--and, with the Scriptures as her guide, unveils the path to positive forward movement.
