In Tato Laviera's

third collection,
poems celebrate the
array of stripes
and colors making
up the American
people. In the
beginning section,
ñEthnic Tributes,î
Laviera crafts
poems with titles
like, ñarab,î
ñblack,î ñchinese,î

ñgreek, î
ñjamaican, î
ñspanish, î and
ñmundo-world. î In
ñboricua, î he
fashions a timely
plea for an end to
prejudice, saying
that for Puerto
Ricans ñ. . . color
is generally color-
blind/with us,
thatís our
contribution, all/
the colors are
tied/to our one. î
The latter two
sections of the
collection,
ñValuesî and
ñPoliticsî build on
the themes of
ethnic exchange and
the place of the
boriqueDo in that
greater scheme. In
ñcommonwealth, î
Laviera writes of

these tensions.
ñIím still in the
commonwealth/ stage
of my life, not
knowing/ which
ideology to
select. î The poems
of Tato Laviera are
complex and
engaging; through
his words, his
spirit, his
bilingualism, and
his dual identity
he offers readers
poems that are a
celebration of life
and identity.
Wolfgang Binder,
Professor at the
University of
Erlangen in the
Federal Republic of
Germany writes,
ñWith AmeRÕcan,
Tato Laviera
confirms his
excellent

reputation as a vital poet and humanist. Laviera is postulating and redefining the new America, humane America, but he will not be absorbed by a mythical melting pot.

The third edition of *Vis-à-vis* continues the excitement of the innovative second edition with a fully integrated and revised multimedia package and updated cultural information presented in the *Correspondance* feature (chapter opening letter, postcard, or e-mail, which is answered in the mid-lesson *Correspondance* cultural spread) and in the new *Bienvenue dans le monde francophone* feature that recurs after every four chapters in the text. The overall goal of the revision remains the same as that of the second edition: to promote a balanced four-skills approach to learning French

through a wide variety of listening, speaking, reading, and writing activities, while introducing students to the richness and diversity of the Francophone world.

These essays reveal Mikhail Bakhtin (1895-1975)—known in the West largely through his

studies of Rabelais and Dostoevsky—as a philosopher of language, a cultural historian, and a major theoretician of the novel. The Dialogic Imagination presents, in superb English translation, four selections from *Voprosy literatury i estetiki* (Problems of literature and esthetics), published in Moscow in 1975. The volume also contains a lengthy introduction to Bakhtin and his thought and a glossary of terminology. Bakhtin uses the category "novel" in a highly idiosyncratic way, claiming for it vastly larger territory than has been traditionally accepted. For him, the novel is not so much a genre as it is a force, "novelness," which he discusses in "From the Prehistory of Novelistic Discourse." Two essays, "Epic and Novel" and "Forms of Time and of the

Chronotope in the Novel," deal with literary history in Bakhtin's own unorthodox way. In the final essay, he discusses literature and language in general, which he sees as stratified, constantly changing systems of subgenres, dialects, and fragmented "languages" in battle with one another.

Instructors now face many challenges: Decreased classroom contact hours, increased instructor and student workloads, larger class sizes, new course models like hybrid and fully online and more ambitious classroom goals including focusing on practical communication and culture awareness instead of grammar alone. The Anda! program offers a true

solution for instructors by delivering realistic goals with a realistic approach; focusing on student motivation and offering a variety of tools to promote success. Teaching and Learning Experience

Realistic and Balanced Approach - Instructors and students don't have to rush through the entire scope of Spanish grammar in 2 semesters. They can focus on practical communication which helps students feel more motivated and successful in the course.

Explore Grammar - Grammar is chunked to allow students to assimilate and practice without feeling overwhelmed. Explanations are clear and concise and include many supporting examples followed by practice activities. Build Vocabulary - Each chapter contains a realistic number of new vocabulary words

and like grammar, is presented in chunks at the point of need. Develop Skills - Unique reading and video storyline mystery motivates students to read. Dedicated speaking, listening and writing sections provide strategies and the process necessary to effectively develop skills in the target language. Connect with Culture - Both "high" and "popular" culture are woven throughout the chapters to enable students to learn to recognize and appreciate cultural diversity as they explore behaviors and values of the Spanish-speaking world. They are encouraged to think critically about these cultural practices and gifts to society. Personalize Learning - MySpanishLab's proven results will be available for fall 2012 courses.
