What was the after-life of Cadmus? He first smote the dragon near the well of Ares, and then, after a year of further toil, received Harmonia as his wife from Zeus. Cadmus and Harmonia became the parents of Ino, Semele, and Agave, and were finally taken away by Zeus into Elysium, or the paradise of the good. (411) What is the meaning of the name Europa? Like Euryphassa, Eurynome, and very many others, it expresses the broad-spreading light of the dawn, which is carried from east to west by Zeus (Dyaus, the sky), represented in the oldest poems under the form of a bull. adventurous and fancy life of the gang world became the symbol for the new mass culture that evolved from urbanization. The stereotype of the new criminal helped to overcome the traditional social boundaries that seemed no longer apt for the urbanized society. The gangster-movie genre, along with the press reinforced the gangster myth. SCARFACE – SHAME OF THE NATION by Howard Hawks (1930/1932) fits in with this concept. However, the movie also shows the influence the press takes in the creation of the media gangster. For this reason, it gives an ambivalent picture of the gang world in the 1930s. So is it a critique or part of the gangster myth creation? How are the historical events depicted, and how much is the representation of the gangsters in the movie predisposed by the media image of the gangster? In order to answer these questions, a short historical overview of Chicago ' s ganglife at the turn of the 19th century is given and the development of the gangster myth and the role of class, ethnicity, and style is explained. The characteristics of the gangster movie in the 1930s are put into context with the analysis of Howard Hawks ' SCARFACE – SHAME OF THE NATION. The movie is furthermore analyzed with regard to the depiction of historical events, gangster iconography, and the role of the media.
