to meet the needs of elementary, junior high, and senior high school students. <u>A Father's Promise</u> BJU Press The "Reaching Olympus" series uses classroom-tested Reader's Theater plays specifically designed for 6th-12th grade students to retell the great myths and legends of world mythology. Reader's Theater is an innovative and powerful teaching tool that allows students to break away from silent reading and share in an "acting-out" experience where	words and myth come to life Volume I of the Greek Myths in the "Reaching Olympus" series features nine classic myths in interactive-script form, including Perseus and the quest for Medusa's head, Atalanta the female warrior, Jason's legendary quest for the Golden Fleece, Narcissus and Echo, Oedipus Rex, Orpheus and Eurydice, the inventor Daedalus, and the flight of Icarus. Each play is prefaced by a teacher guide providing a synopsis of the myth, relevant background	information and commentary on the myth, anticipatory questions for pre-play discussion, essential questions to help analyze the "big ideas" behind each myth, recall questions to check reading comprehension, and instructions for teaching commonly-tested terms and literary devices using each play. Supplemental materials include a temple-building game, a find-it puzzle with fifty different items to locate, a bonus myth (Bellerophon and Pegasus), a glossary of
---	---	---

important characters, and a name pronunciation guide. Zachary Hamby is a professional author and illustrator and an experienced educator. He has spoken at many educational conferences (including the National Council of Teachers of English Convention) on the many benefits of using Reader's Theater in the secondary classroom. He is the author of two series that teach mythology to young people, the "Reaching Olympus" series

and the "Mythology for Teens" series. He currently teaches high school in the Ozark mountains, where he lives with his wife and two children. "**Tales of the Greek Heroes (Film Tie-in)** Diversion Books This volume of the "Reaching Olympus" series, "Tales of Titans, Gods, and Mortals," is made up of 11 script-stories that re-tell favorite myths from Greek mythology. Readers can act out characters such as the mighty

Heracles (Hercules), the beautiful Aphrodite, the foolish King Midas, and the monstrous Minotaur. Fun additions include a Mount Olympus Find-It picture puzzle and an interactive Tournament of the Gods game, where players create a mythology-based character and do battle with one another. The "Reaching Olympus" series uses classroom-tested Reader's Theater script-stories specifically designed for 6-12th grade students to re-tell the great

While the ancient Roman pantheon in many ways resembles that of ancient Greece, there is much that sets apart Roman mythology. Romans also borrowed from the religions of ancient Egypt, Asia Minor, and the Middle East, and legendary figures such as Romulus and Remus, tied closely to the history of Rome, feature prominently in ancient stories. The

major and lesser figures of Roman mythology are presented in this vibrant volume with sidebars spotlighting related facts and concepts about Roman mythology and religion.

The Treasures of Alexander the Great Penguin UK First published in 1976, Paul Johnson's exceptional study of Christianity has been loved and widely hailed for its intensive research, writing, and magnitude—"a tour de force, one of the most ambitious surveys of the history of Christianity ever attempted and

perhaps the most radical" (New York Review of Books). In a highly readable companion to books on faith and history, the scholar and author Johnson has illuminated the Christian world and its fascinating history in a way that no other has. Johnson takes off in the year AD 49 with his namesake the apostle Paul. Thus beginning an ambitious quest to paint the centuries since the founding of a little-known 'Jesus Sect', A History of Christianity explores to a great degree the

evolution of the Western world. With an unbiased and overall optimistic tone, Johnson traces the fantastic scope of the consequent sects of Christianity and the people who followed them. Information drawn from extensive and varied sources from around the world makes this history as credible as it is reliable. Invaluable understanding of the framework of modern Christianity—and its trials and tribulations throughout history—has never before been contained in such a

captivating work. Educators Guide to Free Internet Resources Routledge The morning of August 24, AD 79, seemed like any other in the Roman city of Pompeii. So no one was prepared when the nearby volcano Mount Vesuvius suddenly erupted, spouting ash that buried the city and its inhabitants. The disaster left thousands dead, and Pompeii was no more than a memory for almost 1,700 years. In 1748, explorers rediscovered the port city with intact buildings and beautiful mosaics. This easy-to-read account is gripping and includes photos of the ruins.

The World Book Encyclopedia Hal Leonard

Publishing Corporation The definitive biography of a physician, feminist, social reformer, educator, and one of the most influential, and controversial women of the 20th century. Maria Montessori effected a worldwide revolution in the classroom. She developed a new method of educating the young and inspired a movement that carried it into every corner of the world. This is the story of the woman behind the public figure—her

accomplishments, her ideas, and her passions. Montessori broke the mold imposed on women in the nineteenth century and forged a new one, first for herself and eventually for those who came after her. Against formidable odds she became the first woman to graduate from the medical school of the University of Rome and then devoted herself to the condition of children considered uneducable at the time. She developed a teaching method that enabled them to do as well as

normal children, a method which then led her to found a new kind of school—the Casa dei Bambini, or House of Children—which gained her worldwide fame and still pervades classrooms wherever young children learn. This biography is not only the story of a groundbreaking feminist but a vital chapter in the history of education.

“ Highly recommended for educators, parents, and moderate feminists who seek inspiration from one of the most

accomplished women of this or any other age. ” —Publishers Weekly

Describes the customs and day-to-day life of the inhabitants of ancient Rome.

History of Christianity
Doubleday Canada
Author Don Nardo and Consultant Editor Barbette Spaeth have compiled this volume that provides entries about various aspects of Greek and Roman mythology, grouped in the categories of rulers, heroes, and other human characters. Readers will learn about major and minor gods, animals, monsters,

spirits, and forces.

Entries cover important places and things, and major myth tellers and their works. Includes retellings of twelve myths.

The Crucible
Oxford University Press, USA
Winner of the 2018 NAACP Image Award for Outstanding Literary Work, Fiction These nearly 150 African American folktales animate our past and reclaim a lost cultural legacy to redefine American literature. Drawing from the great folklorists of the past while expanding African American lore with dozens of tales rarely seen before, The Annotated African American Folktales

revolutionizes the canon like no other volume. Following in the tradition of such classics as Arthur Huff Fauset ' s " Negro Folk Tales from the South " (1927), Zora Neale Hurston ' s Mules and Men (1935), and Virginia Hamilton ' s The People Could Fly (1985), acclaimed scholars Henry Louis Gates Jr. and Maria Tatar assemble a groundbreaking collection of folktales, myths, and legends that revitalizes a vibrant African American past to produce the most comprehensive and ambitious collection of African American folktales ever published in	American literary history. Arguing for the value of these deceptively simple stories as part of a sophisticated, complex, and heterogeneous cultural heritage, Gates and Tatar show how these remarkable stories deserve a place alongside the classic works of African American literature, and American literature more broadly. Opening with two introductory essays and twenty seminal African tales as historical background, Gates and Tatar present nearly 150 African American stories, among them familiar Brer Rabbit classics,	but also stories like " The Talking Skull " and " Witches Who Ride, " as well as out-of-print tales from the 1890s ' Southern Workman. Beginning with the figure of Anansi, the African trickster, master of improvisation—a spider who plots and weaves in scandalous ways—The Annotated African American Folktales then goes on to draw Caribbean and Creole tales into the orbit of the folkloric canon. It retrieves stories not seen since the Harlem Renaissance and brings back archival tales of " Negro folklore " that Booker T.
---	---	--

<p>Washington proclaimed had emanated from a “grapevine” that existed even before the American Revolution, stories brought over by slaves who had survived the Middle Passage. Furthermore, Gates and Tatar’s volume not only defines a new canon but reveals how these folktales were hijacked and misappropriated in previous incarnations, egregiously by Joel Chandler Harris, a Southern newspaperman, as well as by Walt Disney, who cannibalized and capitalized on Harris’s volumes</p>	<p>by creating cartoon characters drawn from this African American lore. Presenting these tales with illuminating annotations and hundreds of revelatory illustrations, The Annotated African American Folktales reminds us that stories not only move, entertain, and instruct but, more fundamentally, inspire and keep hope alive. The Annotated African American Folktales includes: Introductory essays, nearly 150 African American stories, and 20 seminal African tales as historical background The familiar Brer Rabbit</p>	<p>classics, as well as news-making vernacular tales from the 1890s’ Southern Workman An entire section of Caribbean and Latin American folktales that finally become incorporated into the canon Approximately 200 full-color, museum-quality images Gods, Heroes, and Monsters Liveright Publishing Traces the achievements of the Iranian empire through two centuries of glory to its downfall in the third century B.C Greek and Roman Mythology HMH Books For Young Readers Describes how to incorporate</p>

"Designed for pre-service and practicing

social studies teachers, this text is a powerful resource for promoting thoughtful reflection and debate about what the global history curriculum should be and how to teach it"--EBL.

Greek Mythology for Teens M.E. Sharpe
Published to coincide with the twentieth anniversary of the fall of the Berlin Wall — a definitive and groundbreaking account of the revolutionary ideology that changed the modern world. The inexorable rise of Communism was the most momentous political phenomenon of the first half of the twentieth century. Its demise in Europe and its decline elsewhere have produced the most profound political changes of the last few decades. In this illuminating book,

based on forty years of study and a wealth of new sources, Archie Brown provides a comprehensive history as well as an original and highly readable analysis of an ideology that has shaped the world and still rules over a fifth of humanity. A compelling new work from an internationally renowned specialist, *The Rise and Fall of Communism* promises to be the definitive study of the most remarkable political and human story of our times.
