A readable and  
structured guide for the  
increasing numbers of  
people each year who  
consider setting up a  
small business or  
becoming self-employed.  
'Business Planning'  
outlines the options and

risks involved in setting  
up a business. The  
importance of thorough  
planning is often  
overlooked and only  
becomes evident if the  
business fails. This is  
highlighted in a recent  
study by the SFEDI of  
486 bankers and  
accountants where lack of  
planning was the most  
common reason cited as  
to why businesses fail.  
'Business Planning' shows  
how to avoid this failure  
by focusing on the  
planning stage and  
building on this

framework as the  
business develops. This  
is the only book based  
around the Small Firms  
Enterprise Development  
Initiative (SFEDI) for  
first time owner-  
managers. It contains all  
the underpinning factual  
information required to  
prepare and present a  
successful Business Plan  
for presentation to a bank  
manager, or an alternative  
potential source of  
finance, or for use in an  
NVQ portfolio. It is in line  
with the major syllabuses  
for Business Start-Up,

British Qualifications 2014 Heinemann Educational Publishers THE WILEY GUIDE TO Project Organization & Project Management Competencies A guide to the human factors in project management: knowledge, learning, and maturity THE WILEY GUIDES TO THE MANAGEMENT OF PROJECTS address critical, need-to-know information that will help professionals successfully manage

projects in most businesses and help students learn the best practices of the industry. They contain not only well-known and widely used basic project management practices but also the newest and most cutting-edge concepts in the broader theory and practice of managing projects. This third volume in the series covers a range of organizational and people-based topics that are occupying the project management world today. The essence of project management represents a “people” challenge—the ability to appreciate and

vocational qualifications in the UK. Divided into five parts, the first clarifies the role of the accrediting and major awarding bodies and explains the main types of vocational qualifications available. A directory then lists over 3500 vocational qualifications, classified by professional and career area, giving details of type of qualification, title, level, awarding body and, where possible, the course code and content. The third section comprises a glossary of acronyms used, together with a comprehensive list of awarding bodies, industry

lead bodies, professional institutes and associations, with their contact details. Section four is a directory of colleges offering vocational qualifications in the UK, arranged alphabetically by area. Finally, section five is an index of all qualifications, listed alphabetically by title. Leisure and Recreation Management Kogan Page Publishers  
Timed to coincide with the ICC Cricket World Cup 2003 in South Africa this book begins with an account of the 2003 final in Johannesburg. Edward

Griffiths then goes back to the beginning - the genesis of the one-day game with the launch of the Gillette Cup in 1963 and traces the development of the game over four decades. There are some accounts of the first and subsequent Cricket World Cup tournaments which highlight the changes in the game over the years, heroic performances, triumphs and defeats.
