Publisher

Essential German Grammar is a student-friendly grammar and workbook designed to give learners a firm foundation on which to build a real understanding of both spoken and written German. The reference grammar section offers clear explanations of key grammar points while a separate exercise section gives students the opportunity to test themselves and put into practice what they have learned. This new edition has been revised and updated throughout. Explanations, tables and exercises have been improved and a number of the authentic texts and illustrations have been replaced by new material. Key features of this second edition include: User-friendly layout with updated 2 colour design, engaging illustrations and visually appealing tables throughout to aid the learning process Clear and accessible explanations with memorable examples informed by the latest research on the German language and presented in accordance with current teaching methodology Helpful parallels between English and German provided where relevant End-of-chapter extracts taken from contemporary journalistic or authentic literary sources, illustrating grammar in context, with model translations provided at the back of the book

Material to enable better strategic learning and understanding, including a Why Grammar?—FAQ section, a glossary of grammatical terms in both English and German and a complete answer key to exercises Created especially for the new edition, a companion website at [www.routledge.com/cw/kaiser](http://www.routledge.com/cw/kaiser) offering a wealth of additional materials, including interactive exercises, quizzes and flashcards to test student understanding, downloadable PDF sheets for classroom use, PowerPoint slides for instructors and audio recordings illustrating the sounds of spoken German. Written by highly experienced lecturers in the field, Essential German Grammar is an invaluable resource for intermediate and advanced students of German (CEFR levels A2 to B2, ACTFL Novice High to Intermediate High). It is designed to function equally as a free-standing grammar or as a foundation grammar for Hammer's German Grammar and Usage and is suitable for both classroom use and self-study.

Nakama 1: Japanese Communication Culture Context Nakama 1A Designed to guide apprentices, entry-level technicians, and first-year students through their first experiences in the HVACR trade, HVACR 101 provides a solid and thorough introduction to the field. It is the culmination of the efforts of industry leaders like the Air Conditioning Contractors of America (ACCA), Plumbing-Heating-Cooling Contractors Association (PHCC), and Refrigeration Service Engineers Society (RSES). Backed by these organizations and the high standards and cutting-edge resources that they are known for, the book begins with simple concepts that provide an overview of the world of HVACR and its main systems and components. Coverage then progresses to increasingly complex procedures, such as maintenance and inspection, installation and repair, and customer service and sales. This building-block approach, combined with numerous practical examples, makes

the book the ideal resource for learning and applying key HVACR concepts. Check out our app, DEWALT® Mobile Pro(tm). This free app is a construction calculator with integrated reference materials and access to hundreds of additional calculations as add-ons. Japanese for Busy People I (Enhanced with Audio) Law Brief Publishing Limited

Completely updated to address the challenges faced by modern health care organizations, the sixth edition of SHORTELL AND KALUZNY'S HEALTH CARE MANAGEMENT: ORGANIZATION DESIGN AND BEHAVIOR offers a more global perspective on how the United States and other countries address issues of health and health care. Written by internationally recognized and respected experts in the field, the new edition continues to bring a systemic understanding of organizational principles, practices, and insight to the management of health services organizations. Based on state-of-the-art organizational theory and research, the text emphasizes application and challenges you to provide a solution or a philosophical position. Coverage includes topics ranging from pay for performance and information technology to ethics and medical tourism and expands upon a major theme of the fifth edition: health care leaders must effectively design and manage health care organizations while simultaneously influencing and adapting to changes in environmental context. Dictionary of Intermediate Japanese Grammar arranged in dictionary format and accompanied by rich example sentences that will help students of this book be able to acquire the necessary knowledge to master intermediate Japanese Employment Law for Human Resource Practice University of Hawaii Press

Volume I dealt with "survival Japanese" for tourists and other short-term travelers and newcomers to Japan. Volume II, meanwhile, turns to the basics of Japanese syntax. The book is by no means only about grammar, however. Rather, it is designed to help learners consolidate their understanding of syntactical structure through lessons that focus on how to talk about topics relevant to daily life. In addition to serving learners continuing from Volume I, Volume II will benefit those who have already studied beginning Japanese to some extent but wish to brush up on syntax. Major Features of Japanese for Busy People II, Revised 3rd Edition, will enable learners to progress smoothly through the equivalent of the latter half of a typical first-year Japanese course while gradually building speaking and listening skills. Learners approaching mid-beginner status often find themselves suddenly faced with syntax and vocabulary much more complex than what they have studied before. Such grammar and vocabulary do not appear as frequently in everyday conversation as those words and structures they have learned up to this point, necessitating that they spend ample time on review. Moreover, learners at this stage are expected to become familiar with verb tense and aspect, time expressions, conditional clauses, and other topics that require them to have a solid grasp of context and speaker intent if they are to fully understand the differences in meaning conveyed by each. Japanese for Busy People II helps overcome the above obstacles through grammar and content topics carefully selected to be appropriate to learners at this level of Japanese proficiency. The book is designed so that by practicing talking about each topic, learners will gradually and effectively acquire sentence patterns and vocabulary related to that topic. Like Volume I, Volume II is organized into several large units, each covering topics grouped under a particular theme. In this way, the book enables learners to achieve a well-balanced understanding of grammar, sentence structure, and context.

latest theories and research on intercultural competence. It will be a useful and invaluable resource to administrators, faculty, researchers, and students.

Intermediate Workbook McGraw Hill Professional

Japanese for Busy People is the most popular Japanese language textbook series in the world. With over 20 components including texts, workbooks, CDs, videos and teacher's manuals, it is also one of the most comprehensive. Now, a decade after its first revision, the entire series is being redesigned, updated and consolidated to meet the needs of 21st-century students and businesspeople who want to learn natural, spoken Japanese as effectively as possible in a limited amount of time. The book features not only a sleek, new design but also a unit structure that groups thematically linked lessons together, making it easier than ever to learn Japanese. Moreover, it now comes with a CD containing audio for the dialogues and listening exercises from the text. The exercises in the book have also been thoroughly revised to incorporate more comprehension and production tasks. Many of these exercises are illustrated, making for a stimulating learning experience, and the purpose of each one is clearly stated. This first of three volumes introduces "survival Japanese" — the absolute minimum amount of Japanese needed to live in Japan. Thus, the vocabulary and grammatical items it introduces are limited to about a third of what is typically introduced in a first-year course. In addition, the book features notes on Japanese culture intended to expand the learner's understanding of Japan, its customs and people. Japanese for Busy People I is available in two formats: romanized and kana. The Romanized Version uses romanized Japanese throughout, with kana in the Opening Dialogues of each lesson. The Kana Version — exposing students to hiragana and katakana from the very beginning — uses only kana. The content of the two books is otherwise exactly the same. The companion volume, Japanese for Busy People 1: The Workbook for the Revised 3rd Edition contains a variety of illustrated exercises for mastering the basic sentence patterns presented in the main text.

Nakama 2, Enhanced Student Edition: Intermediate Japanese:

Communication, Culture, Context Routledge
