*Nakamichi - Wikipedia*  
The Nakamichi 680 and 680ZX are the world's finest cassette decks to record at both half speed and standard speed. Three hours of music - a full opera, four or more LP's - on a single C90! Half speed performance that rivals that of many decks at full speed - 15Khz bandwidth sufficient for any FM broadcasts and most records.

The 600 is yet another example of Nakamichi's philosophy: to challenge the unimaginable; to do only that which only Nakamichi can do. Like other Nakamichi cassette decks the 600 offers performance associated not too long ago with only top quality open reel tape decks, and from this standpoint it represents a high value, per dollar investment.
