*Nantucket Nights: A Novel: Hilderbrand, Elin ...*

In this juicy first novel by Elin Hilderbrand, a series of personal dramas are played out during one summer at a Nantucket Beach Club. It's about the love of summer, summer love, and the special feelings we all have for that special summer place - in this case, a hotel and an island.

**Kirkus Reviews**  
**Nantucket Nights was the**

most thrilling book by Elin Hilderbrand so far. This book told more than the beauty and wonders of Nantucket Island. It showed the dark side not only of the island, but of betrayal and deceit between friends and family. The friends of twenty years had a strange tradition they called "Night Swimmers".

I've come to Elin Hildebrand's books late, whereas "Nantucket Nights" was published in 2002 apparently. There's a crudity about it

that's different to the elegance of these later novels, and has more overt sexual content.
