Two hundred years ago, Napoleon was at the apogee of his power in Europe. This broad ranging reassessment explores the key themes presented by his extraordinary career: from his rise to power and the foundation of the imperial state, to the final defeat of his grand vision following the doomed invasion of Russia. It was a period of almost uninterrupted war in Europe, the consequences of victory or failure repeatedly transforming the political map. But Napoleon's impact reached much deeper than this, achieving the ultimate destruction of the ancien regime and feudalism in Europe, and leaving a political and juridical legacy that persists today.

McDougal Littell World History: Patterns of Interaction Yale University Press

Europe's great powers formed two powerful coalitions against France, yet force of numbers, superior leadership and the patriotic fervor of France's citizen-soldiers not only defeated each in turn, but closed the era of small, professional armies fighting for limited political objectives.

This period produced commanders such as Napoleon and Nelson, whose names remain a by-word for excellence to this day. From Italy to Egypt Napoleon demonstrated his strategic genius and mastery of tactics in battles including Rivoli, the Pyramids and Marengo. Nelson's spectacular sea victories at the Nile and Copenhagen were foretastes of a century of British naval supremacy.

Halliwell's Film & Video Guide 2004 Houghton Mifflin College Division

"As the French revolution ravages the country, Desiree Clary is faced with the life-altering truth that the world she has known and loved is gone and it's fallen on her to save her family from the guillotine. A chance encounter with Napoleon Bonaparte, the ambitious and charismatic young military prodigy, provides her answer. When her beloved sister Julie marries his brother Joseph, Desiree and Napoleon's futures become irrevocably linked. Quickly entering into their own passionate, dizzying courtship that leads to a secret engagement, they vow to meet in the capital once his career has been secured. But her newly laid plans with Napoleon turn to sudden heartbreak, thanks to the rising star of Parisian society, Josephine de Beauharnais. Once again, Desiree's life is turned on its head. Swept to the glittering halls of the French capital, Desiree is plunged into the inner circle of the new ruling class, becoming further entangled with Napoleon, his family, and the new Empress. But her fortunes shift once again when she meets Napoleon's confidant and star general, the indomitable Jean-Baptiste Bernadotte. As the two men in Desiree's life become political

rivals and military foes, the question that arises is: must she choose between the love of her new husband and the love of her nation and its Emperor?" --Amazon.com.

Halliwel's Film, Video & DVD Guide Little, Brown

An acclaimed historian unfolds a monumental, eyewitness page-turner on the tragic fall of France to Hitler's Third Reich at the outset of WWII. As an international war correspondent and radio commentator, William L. Shirer didn't just research the fall of France. He was there. In just six weeks, he watched the Third Reich topple one of the world's oldest military powers—and institute a rule of terror and paranoia. Based on in-person conversation with the leaders, diplomats, generals, and ordinary citizens who both shaped the events of this time and lived through them on a daily basis, Shirer shapes a compelling account of historical events—without losing sight of the personal experience. From the heroic efforts of the Freedom Fighters to the tactical military misjudgments that caused the fall and the daily realities of life for French citizens under Nazi rule, this fascinating and exhaustively documented account from one of the twentieth century's most important historians makes the events of the fall accessible to a younger audience in vivid and memorable style.

A Guide to Torah Hashkofoh McDougal Littell/Houghton Mifflin

The definitive biography of the great soldier-statesman by the acclaimed author of Churchill and The Last King of America—winner of the LA Times Book prize, finalist for the Plutarch prize, winner of the Fondation Napoleon prize and a New York Times bestseller “A thrilling tale of military and political genius... Roberts is an uncommonly gifted writer.” —The Washington Post Austerlitz, Borodino, Waterloo: his battles are among the greatest in history, but Napoleon Bonaparte was far more than a military genius and astute leader of men. Like George Washington and his own hero Julius Caesar, he was one of the greatest soldier-statesmen of all times. Andrew Roberts's Napoleon is the first one-volume biography to take advantage of the recent publication of Napoleon's thirty-three thousand letters, which radically transform our understanding of his character and motivation. At last we see him as he was: protean multitasker, decisive, surprisingly willing to forgive his enemies and his errant wife Josephine. Like Churchill, he understood the strategic importance of telling his own story, and his memoirs, dictated from exile on St. Helena, became the single bestselling book of the nineteenth century. An award-winning historian, Roberts traveled to fifty-three of Napoleon's sixty battle sites, discovered crucial new documents in archives, and even made the long trip by boat to St. Helena. He is as acute in his understanding of politics as he is of military history. Here at last is a biography worthy of its subject: magisterial, insightful, beautifully written, by one of our foremost historians.

Toussaint L' Ouverture was the leader of the Haitian Revolution in the late eighteenth century, in which slaves rebelled against their masters and established the first black republic. In this collection of his writings and speeches, former Haitian politician Jean-Bertrand Aristide demonstrates L' Ouverture's profound contribution to the struggle for equality.

Magnetic North University of Arizona Press

Andre Castelot was a French writer born in Belgium who wrote 65 biographies of famous persons in the History of France. He is perhaps best known for his biography of Josephine. His biography of Napoleon emphasizes not only his military campaigns, but his many love affairs and his many mistresses. It shows how his tumultuous relationship with Josephine influenced and affected his Napoleonic Code. It was because of Josephine's fickleness and unfaithfulness to Napoleon that Napoleon decreed that all women upon leaving their father's houses and entering into matrimony must understand that henceforth they are to be under the control of their husbands. Women cannot be trusted to be free, said Napoleon. Yet, Napoleon was easily influenced by women. On page 299 is recounted an incident where his Governor of Berlin had committed an act of treason, and had been arrested and faced death. Then, the man's wife, who was expecting a child, came and threw herself at the feet of Napoleon, begging forgiveness. With that, Napoleon ordered the man's release, something that Napoleon did not often do. Throughout this book, there are discussions of Napoleon's relationships with women, including his fears that he could not father a child or that a child who had been born was not really his."
