Organic Pest Control in Boulder, CO | Call 888-241-0999

I contacted Natural Pest Solutions for a pest inspection. I was highly suspicious of termites because of the condition of some of our wooden items. An exterminator met with me at our scheduled appointment and examined the inside and outside of my home. He immediately noticed that there was a termite problem.

Family business protecting families and homes from structural and general pests with natural products. Products like botanical oils and food grade diatomaceous earth to eliminate: termites, spiders, cockroaches, ants, earwigs, silverfish, crickets, beetles and more.
