Nausea (novel) - Wikipedia

Sartre's greatest novel — and existentialism's key text — now introduced by James Wood. Nausea is the story of Antoine Roquentin, a French writer who is horrified at his own existence. In impressionistic, diary form he ruthlessly catalogs his every feeling and sensation. His thoughts culminate in a pervasive, overpowering feeling of nausea which "spreads at the bottom of the viscous ...

I just finished reading "Nausea" by Jean-Paul Sartre who was a leading philosopher of existentialism. In his novels and plays, as in Nausea, he portrays his characters adrift in a meaningless world. Existentialism claims that human beings have full responsibility for creating the meaning in their lives, and that we exist in a state of total freedom.
