[Amazon.com: navigation disc for cadillac escalade](#)

Many Cadillac vehicles are equipped with a navigation system. Because points of interests, such as restaurants, hotels and gas stations change, the navigation system requires an update from time to time. In addition, roads may change due to closings and new construction. There is no specific navigation update interval; instead, GM periodically issues update discs.

Telenav®, Inc. (TNAV), a leading provider of connected-car and location-based services, announced it is supplying the connected-navigation software and services for the infotainment system of the...
