Threat Assessment in Schools: a Guide the Managing Threatening Situations and to Creating Safe School Climates Columbia University Press

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

Aseptolin American Bar Association

"New! An easy-to-use, alphabetical guide for creating rhymes. Features 55,000 headwords with pronunciations at every entry. Lists arranged alphabetically and by number of syllables, with thousands of cross-references to guide readers to correct entries."

Kristina Ellis was awarded a full scholarship through her PhD. How she managed to get that kind of a scholarship offer is revealed in this book. Raised by a single mother, Kristina appeared to have everything stacked against her -- years of living below the poverty level, imperfect grades and sub-par SAT scores. Yet Kristina discovered the secrets to effectively presenting herself as a unique and desirable scholarship candidate. And she's sharing her secrets for scholarship success with students (and their parents) so that they too can obtain money for college.

Suicide in Schools provides school-based professionals with practical, easy-to-use guidance on developing and implementing effective suicide prevention, assessment, intervention and postvention strategies. Utilizing a multi-level systems approach, this book includes step-by-step guidelines for developing crisis teams and prevention programs, assessing and intervening with suicidal youth, and working with families and community organizations during

and after a suicidal crisis. The authors include detailed case examples, innovative approaches for professional practice, usable handouts, and internet resources on the best practice approaches to effectively work with youth who are experiencing a suicidal crisis as well as those students, families, school staff, and community members who have suffered the loss of a loved one to suicide. Readers will come away from this book with clear, step-by-step guidelines on how to work proactively with school personnel and community professionals, think about suicide prevention from a three-tiered systems approach, how to identify those who might be at risk, and how to support survivors after a traumatic event--all in a practical, user-friendly format geared especially for the needs of school-based professionals.

A reference work for poets, lyricists, and other writers includes new entries reflecting changes in language and a section on the technique and forms of English poetry

Dear Beast Cengage Learning

Performance management when interpreted and used properly can create organizational excellence and enhance human capital value. At the global level, organizations have wasted much time over-focusing on the unattainable (objectivity in appraisals) and ignoring the more critical (continuous improvements in individual, dyadic, and team performance) goals. This thoroughly revised second edition shifts the entire focus of performance management to performance improvement and talent management. This book will also help in enhancing the performance of individuals, dyads, and teams for achieving organizational excellence.

This manual is designed to share best practices for transitioning into the civilian workforce. You will customize these best practices to create a plan as a vehicle to attain your goals." -- from p. 2.United States CodePerformance Management

The manual describes the general strategy for the U.S. Marines but it is beneficial for not only every Marine to read but concepts on leadership can be gathered to lead a business to a family. If you want to see what make Marines so effective this book is a good place to start.

Merriam-Webster's Rhyming Dictionary Routledge

"Staff from smaller airports typically lack specialized expertise in the negotiation and development of airport property or the resources to hire consultants. ACRP Research Report 213 provides airport management, policymakers, and staff a resource for developing and leasing airport land and improvements, methodologies for determining market value and appropriate rents, and best practices for negotiating and re-evaluating current lease agreements. There are many factors that can go into the analysis, and this report reviews best practices in property development."--Foreword.
