---

The book is comprehensive and detailed answers. The book can be used additionally to the books prescribed in a school or college. It can be used by students studying in class twelve and also by others who are in college. History, Geography and Civics Arihant Publications India limited

The book that inspired the major new motion picture Mandela: Long Walk to Freedom. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's antiapartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial

the design is based on the guidelines laid down by Central Board of Secondary Education. The book has been divided into chapters that cover the important topics of Biology. Students will find separate chapters on human reproduction, reproduction in organisms, inheritance, biotechnology, ecosystem, molecularbasis and variation in this book. In addition to well-designed content, the book has a separate section on questions and answers. In this section, questions from NECERT books have been provided with

---

equality. **LONG WALK TO FREEDOM** is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and ultimate triumph.
