*1st Grade at Home* HarperCollins

Dear Mr. Henshaw, I wish somebody would stop stealing the good stuff out of my lunchbag. I guess I wish a lot of other things, too. I wish someday Dad and Bandit would pull up in front in the rig ... Dad would yell out of the cab, "Come on, Leigh. Hop in and I'll give you a lift to school." Leigh Botts has been author Boyd Henshaw's number one fan ever since he was in second grade. Now in sixth grade, Leigh lives with his mother and is the new kid at school. He's lonely, troubled by the absence of his father, a cross-country trucker, and angry because a mysterious thief steals from his lunchbag. Then Leigh's teacher assigns a letter-writing project. Naturally Leigh chooses to write to Mr. Henshaw, whose surprising answer changes Leigh's life.

In this off-beat book perfect for reading aloud, a Caldecott Honor winner shares the story of a duck who rides a bike with hilarious results. One day down on the farm, Duck got a wild idea. " I bet I

could ride a bike, " he thought. He waddled over to where the boy parked his bike, climbed on, and began to ride. At first, he rode slowly and he wobbled a lot, but it was fun! Duck rode past Cow and waved to her. " Hello, Cow! " said Duck. " Moo, " said Cow. But what she thought was, " A duck on a bike? That ' s the silliest thing I ' ve ever seen! " And so, Duck rides past Sheep, Horse, and all the other barnyard animals. Suddenly, a group of kids ride by on their bikes and run into the farmhouse, leaving the bikes outside. Now ALL the animals can ride bikes, just like Duck! Praise for Duck on a Bike " Shannon serves up a sunny blend of humor and action in this delightful tale of a Duck who spies a red bicycle one day and gets " a wild idea " . . . Add to all this the abundant opportunity for youngsters to chime in with barnyard responses ( " M-o-o-o " ; " Cluck! Cluck! " ), and the result is one swell read-aloud, packed with freewheeling fun. The Continuum of Literacy Learning Teaching Library Harper Collins

Author Debbie Diller turns her attention to small reading groups and the teacher's role in small-group instruction. Making the Most of Small Groups: Differentiation for All grapples with difficult questions regarding small-group instruction in elementary classrooms such as: How do I find the time? How can I be more organized? How do I form groups? How can I differentiate to meet the needs of all of my students? Structured around the five essential reading elements—comprehension, fluency, phonemic awareness, phonics, and vocabulary—the book provides practical tips, sample lessons, lesson plans and templates, suggestions for related literacy work stations, and connections to whole-group instruction. In addition to ideas to use immediately in the classroom, Diller provides an overview of relevant research and

reflection questions for professional conversations.

This enhanced eBook features read-along narration. A unique monster-under-the-bed story with the perfect balance of giggles and shivers, this picture book relies on the power of humor over fear, appeals to a child's love for creatures both alarming and absurd, and glorifies the scope of a child's imagination. One night, when Ethan checks under his bed for his monster, Gabe, he finds a note from him instead: "Gone fishing. Back in a week." Ethan knows that without Gabe's familiar nightly scares he doesn't stand a chance of getting to sleep, so Ethan interviews potential substitutes to see if they've got the right equipment for the job—pointy teeth, sharp claws, and a long tail—but none of them proves scary enough for Ethan. When Gabe returns sooner than expected from his fishing trip,

Lesson Plan Book Heinemann Publishing  
Use these lessons to build developing readers' skill and desire to read, read, read! This book will be your guide as you support middle grade students who are reading two or more years below grade level. The lessons enlarge students' vocabulary and background knowledge and engage them in meaningful discussions and writing about their reading. As students' reading skill and desire to read increases, you'll watch them complete more independent reading and ramp up their reading volume—the practice they need to improve! Guided Practice for Reading Growth provides all you need to get started. Laura Robb and poet David L. Harrison have collaborated to design twenty-four powerful reading lessons using original poems and short texts that interest your students and encourage them to think deeply. The opening chapters offer background knowledge for the lessons and teaching tips, then the bulk of this book

consists of lessons—with full texts and suggested videos provided. Guided practice lessons are the instructional piece that can move developing readers forward by building their self-confidence and the reading expertise needed to read to learn and for pleasure. This unique book shows you how to:

- Build students' background knowledge by watching and discussing videos.
- Use the poems to improve reading and to improve fluency through practice and performance.
- Invite students to write about their reading and increase comprehension and recall.
- Ask partners to discuss before, during, and after reading as meaningful talk enlarges students' analytical thinking and understanding.
- Design your own lessons for students with extra texts by David L. Harrison in the appendix. Use this book to develop students' self-confidence and the reading skill they require to become lifelong, joyful readers!

Great Habits, Great Readers Heinemann Educational Books

Discover a model for guided reading instruction that fits the 18-minute time frame and is purposeful, planned, and focused.
