In her first novel since *The Quick and the Dead* (a finalist for the Pulitzer Prize), the legendary writer takes us into an uncertain landscape after an environmental apocalypse, a world in which only the man-made has value, but some still wish to salvage the authentic. "She practices ... camouflage, except that instead of adapting to its environment, Williams's imagination, by remaining true to itself, reveals new colorations in the ecology around her." —A.O. Scott, *The New York Times Book Review* Kristen is a teenager who, her mother believes, was marked by greatness as a baby when she died for a moment and then came back to life. After Kristen's failing boarding school for gifted teens closes its doors, and she finds that her mother has disappeared, she ranges across the

dead landscape and washes up at a “resort” on the shores of a mysterious, putrid lake the elderly residents there call “Big Girl.” In a rotting honeycomb of rooms, these old ones plot actions to punish corporations and people they consider culpable in the destruction of the final scraps of nature’s beauty. What will Khristen and Jeffrey, the precocious ten-year-old boy she meets there, learn from this “gabby seditious lot, in the worst of health but with kamikaze hearts, an army of the aged and ill, determined to refresh, through crackpot violence, a plundered earth”? Rivetingly strange and beautiful, and delivered with Williams’s searing, deadpan wit, Harrow is their intertwined tale of paradise lost and of their reasons—against all reasonableness—to try and recover something of it.

***He wants a second chance. I want a

divorce. To get what I want, I'll have to give him what he does.*** From New York Times & USA Today bestselling author, Nicole Williams: The only benefit I want from my ex is a divorce. We got married for all the wrong reasons. The one thing we got right was our separation. I should have known better than to think I could bet on forever with a guy like Canaan Ford. Everything about him screamed impermanent, from his wild eyes to his restless soul. When I left him and the small town I'd spent my whole life in, I swore I'd never go back. Never only turned out to be five years. Canaan claims he's changed, but he hasn't—same knowing smile, same rough demeanor, same body crafted from sin and sinew. And yet, something is different. He thinks this is his chance for redemption. My disagreement comes in the form of divorce

papers dropped in his lap. He refuses to sign them. Unless . . . He wants a month to prove himself to me—that's his offer. One month to make me fall in love with him again and if I don't, he'll sign the papers. As much as I want to say no, I agree. I can suffer my ex for a short amount of time if that's what it takes to be free of him once and for all. I fell for him once; I won't make that same mistake twice. He says we're not over. I say we were over before we got started. Only one of us can be right, and I can't let it be him.
