There's optimistic. And there's Jesse Walker. If he wasn't so charming, his sunny

disposition and incessant grindeals with the struggles of two would get old. Fast. Falling in love with the broken girl who had at first seemed immune to anything resembling love was the best thing to happen to Jesse since the Walkers adopted him when he was five.

As bushed as I am, I perk up instantly. I've driven that route enough to know Rowen's apartment is fifteen minutes away. Ten minutes if I really push Old Bessie to her upper limits. I pushed her to those upper limits every time, and so far, Old Bessie had never failed me. I passed the sprawling community college Rowen attended.

*Nicole Williams*

Near and Far was a great sequel and continues 6 months after the finish of Lost and Found. It

people who are deeply in love and are trying to cope with a long distance relationship. It was a great extension from the first book as the characters have to deal with living apart, in different states and try to keep their relationship strong.

### Near & Far by Nicole Williams - Love Between the Sheets

Near & Far is the 2nd book of the series and it picks up with Rowen & Jesse trying to make their relationship work long distance. I enjoyed this book, there were enough twists in it to keep you interested and I liked how the author didn't go with the 'easy, everybody lived happily ever after' plot.
