“Powerful characterization and intriguing scientific concepts . . . an elegant subtlety and a far-

reaching sense of destiny that carries [Asaro] to the highest rank of master storyteller.” —Romantic Times Reeling from a battle, pilot Kelric Valdoria crash-lands his Jag starfighter on Coba, the closest safe planet he can find after a Trader squad cripples his ship. Although the military of Kelric’s people have given Coba Restricted status, Kelric sees no reason for such draconian measures to isolate the seemingly benign world. While recovering, the dashing Kelric becomes the target of affection for high-powered women in Coba’s matriarchal society, including Deha Dahl, an Estate Manager, and young Ixpar Karn, the chosen successor of the Minister.

Distracted by their flirtations, Kelric doesn’t at first realize the Restricted status of the planet was their own choice—and that they can’t risk letting him go. However, Kelric’s internal biomech system is failing, causing his brain to malfunction. His only hope is to escape. But when his attempt fails, ending in the death of a guard, he must face a trial that could mean his execution, unless he can win the trust of the people who both covet and fear him . . . “Well-written, entertaining, classic science fiction fun.” —The Plain Dealer “Impossible to put down.” —L. E. Modesitt, Jr., New York Times—bestselling author “A smoothly absorbing space opera that mixes high-tech gimmickry

with galactic politics and plenty of romance.” —Publishers Weekly The Radiant Seas Pyr The latest volume of the prestigious anthology series, published annually across six decades! Myers winning the Andre Norton Award for Young Adult Science Fiction and Fantasy Book. Little Apocalypse Harper Collins Following the events of The Last Colony, John Scalzi tells the story of the fight to maintain the unity of the human

race. The people of Earth now know that the human Colonial Union has kept them ignorant of the dangerous universe around them. For generations the CU had defended humanity against hostile aliens, deliberately keeping Earth an ignorant backwater and a source of military recruits. Now the CU's secrets are known to all. Other alien races have come on the scene and

formed a new alliance—an alliance against the Colonial Union. And they've invited the people of Earth to join them. For a shaken and betrayed Earth, the choice isn't obvious or easy. Against such possibilities, managing the survival of the Colonial Union won't be easy, either. It will take diplomatic finesse, political cunning...and a brilliant "B Team," centered on the

resourceful Lieutenant Harry Wilson, that can be deployed to deal with the unpredictable and unexpected things the universe throws at you when you're struggling to preserve the unity of the human race. Being published online from January to April 2013 as a three-month digital serial, The Human Division will appear as a full-length novel of the Old Man's War universe, plus—for the first time in

print—the first tale of Lieutenant Harry Wilson, and a coda that wasn't part of the digital serialization. Lock In The Collapsing Empire (forthcoming) At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. Primary Inversion St. Martin's Press In the Cities of Coin and Spice and In the Night Garden introduced readers to the unique and intoxicating imagination of Catherynne M. Valente. Now she weaves a lyrically erotic spell of a place where the

grotesque and the beautiful reside and the passport to our most secret fantasies begins with a stranger ' s kiss.... Between life and death, dreaming and waking, at the train stop beyond the end of the world is the city of Palimpsest. To get there is a miracle, a mystery, a gift, and a curse—a voyage permitted only to those who ' ve always believed there ' s another world than the one that meets the eye. Those fated to make the passage are marked

forever by a map of that wondrous city tattooed on their flesh after a single orgasmic night. To this kingdom of ghost trains, lion-priests, living kanji, and cream-filled canals come four travelers: Oleg, a New York locksmith; the beekeeper November; Ludovico, a binder of rare books; and a young Japanese woman named Sei. They ' ve each lost something important—a wife, a lover, a sister, a direction in life—and what they will find in Palimpsest is more than

they could ever imagine. Palimpsest London : H. Hamilton
These exceptional stories show that science fiction is no longer a field completely reserved for men.
The Nazi Séance
Fans of classic frontier survival stories, as well as readers of dystopian literature, will enjoy this futuristic story where water is worth more than gold. New York Times bestselling author Michael Grant says Not a Drop to Drink is a debut "not to

be missed." With evocative, spare language and incredible drama, danger, and romance, Mindy McGinnis depicts one girl's journey in a frontierlike world not so different from our own. Teenage Lynn has been taught to defend her pond against every threat: drought, a snowless winter, coyotes, and most important, people looking for a drink. She makes sure anyone who

comes near the pond leaves thirsty—or doesn't leave at all. Confident in her own abilities, Lynn has no use for the world beyond the nearby fields and forest. But when strangers appear, the mysterious footprints by the pond, nighttime threats, and gunshots make it all too clear Lynn has exactly what they want, and they won't stop until they get it. . . . For more in this gritty

world, join Lynn on an epic journey to find home in the companion novel, *In a Handful of Dust*.

The Keeper of the Isis Light
Macmillan
World War I left Berlin, and all of Germany, devastated. Charlatans and demagogues eagerly exploited the desperate crowds. Fascination with the occult was everywhere – in private séances, personalized psychic readings, communions with the dead – as people struggled to escape the grim reality of their lives.

In the early 1930s, the most famous mentalist in the German capital was Erik Jan Hanussen, a Jewish mind reader originally from Vienna who became so popular in Berlin that he rubbed elbows with high ranking Nazis, became close with top Storm Troopers, and even advised Hitler. Called "Europe's Greatest Oracle Since Nostradamus," Hanussen assumed he could manipulate some of the more incendiary personalities of his time just as he had manipulated his fans. He turned his occult newspaper in Berlin into a Nazi propaganda paper,

that the stars were aligned in his favor, and predicted the infamous Reichstag Fire that would solidify the Nazis' grip on Germany. Seasoned with ruminations about wonder and magic (and explanations of Hanussen's tricks), *The Nazi Séance* is a disturbing journey into a Germany as it descends into madness—aided by a "clairvoyant" Jew oblivious to the savagery of men who pursued a Reich they fantasized would last 1,000 years.

—Diana Gabaldon, bestselling author of the Outlander series Winner of the Homer Award for Best Science Fiction Novel A renowned prima ballerina, Lucia del Mar is far more comfortable expressing herself through dance than with words. Shy and introverted, she spends most of her spare time on her laptop. Still, Lucia’s job forces her out of her comfort zone, which is how she winds up at a White House reception where she meets Rashid al-Jazari, the wealthy CEO of a multinational corporation. Although attracted to him, Lucia can’t help but feel awkward and shrugs off their encounter as a one-time event. Not realizing he feels a similar attraction, she never imagines Rashid will seek out her performances; he is the last person she expects to see when her dance company travels to Italy. Their reunion takes an even more unexpected turn when they’re both drugged and kidnapped. Although they overcome their abductors, it leaves them stranded in North Africa. For her own safety, Lucia agrees to marry Rashid, at least for the time being. As she recovers at his family compound in Morocco, reeling from their brush with danger, she struggles to fit into a culture she knows nothing about—and to deal with her growing feelings for Rashid. At the same time, at his secret office there, Rashid is developing a dramatic leap forward in artificial intelligence combined with virtual reality. He finds himself plunged into a fight for control of his work against powerful international forces, and caught in the middle, Lucia is swept into that battle . . .
