the coordinating video study and study guide. Spanish edition also available.

**The Rosy Crucifixion: Sexus** Zondervan

Out of Control chronicles the dawn of a new era in which the machines and systems that drive our economy are so complex and autonomous as to be indistinguishable from living things.

**Fire in the Minds of Men** Transaction Publishers

We learn in childhood to hide from pain, and often continue hiding our hurt from God and others in adulthood. Here Townsend presents a scriptural approach to help us identify these unhealthy withdrawal patterns and find healing, freedom and security in connected, grace-filled relationships. Includes discussion guide.

**Beyond Boundaries** Penguin

In this best-selling, award-winning book, now in paperback, Drs. Cloud and Townsend introduce eight persuasive principles that demonstrate how God enters both the heart-breaking situation and the life looking for more. These principles are applied to readers' lives so that their relationships will be better, they'll have more control over their lives, and their spiritual hunger will be satisfied.

**The Power of the Other** Thomas Nelson

Many years of counseling have enabled Dr. Henry Cloud to observe people trying to work out the most important issues of life: relationships, career, fulfillment, meaning, pain, hurt, loss, despair, and addictions. If we sincerely want to "get life right" and quit repeating the same mistakes over and over

again, **9 Things You Simply Must Do** provides the practical guidance we need to live life to its fullest . . . every moment.

**A Night to Remember** Zondervan

Integrity—more than simple honesty, it's the key to success. A person with integrity has the ability to pull everything together, to make it all happen no matter how challenging the circumstances. Drawing on experiences from his work, Dr. Henry Cloud, a clinical psychologist, leadership coach, corporate consultant and nationally syndicated radio host, shows how our character can keep us from achieving all we want to (or could) be. In *Integrity*, Dr. Cloud explores the six qualities of character that define integrity, and how people with integrity: Are able to connect with others and build trust Are oriented toward reality Finish well Embrace the negative Are oriented toward increase Have an understanding of the transcendent Integrity is not something that you either have or don't, but instead is an exciting growth path that all of us can engage in and enjoy.

**9 Things You Simply Must Do to Succeed in Love and Life** Zondervan

"If you're hesitant to pull the trigger when things obviously aren't working out, Henry Cloud's *Necessary Endings* may be the most important book you read all year." —Dave Ramsey, New York Times bestselling author of *The Total Money Makeover* "Cloud is a wise, experienced, and compassionate guide through [life's] turbulent passages." —Bob Buford, bestselling author of *Halftime* and *Finishing Well*; founder of the Leadership Network Henry Cloud, the bestselling author of *Integrity* and *The One-Life Solution*, offers this mindset-altering method for proactively correcting

---

the bad and the broken in our businesses and our lives. Cloud challenges readers to achieve the personal and professional growth they both desire and deserve—and gives crucial insight on how to make those tough decisions that are standing in the way of a more successful business and, ultimately, a better life.

*Making Small Groups Work* Harper Collins

During the 1967 school year, on Wednesday afternoons when all his classmates go to either Catechism or Hebrew school, seventh-grader Holling Hoodhood stays in Mrs. Baker's classroom where they read the plays of William Shakespeare and Holling learns much of value about the world he lives in.

*The Wednesday Wars* Zondervan

Lead small groups through astounding growth with principles from the best-selling books *How People Grow* and *Boundaries*. No matter what need brings a group of people together—from marriage enrichment to divorce recovery, from grief recovery to spiritual formation—members are part of a small group because they want to grow. This book by psychologists Henry Cloud and John Townsend provides small-group leaders with valuable guidance and information on how they can help their groups to grow spiritually, emotionally, and relationally. With insights from their best-selling book *How People Grow*, Cloud and Townsend show how God's plan for growth is made up of three key elements: grace plus truth plus time. When groups embrace those elements, they find God's grace and forgiveness and learn how to handle their imperfections without shame as they model God's love and support to one another. In addition to describing what makes small groups work, *Leading Small Groups That Help People Grow* explains the roles and

responsibilities of both leaders and group members. Employing tenets from the book *How People Grow*, this book equips leaders to understand the ins and outs of how to promote growth, and using principles from their best-selling book *Boundaries*, they show how to identify and find solutions for common problems such as boredom, noncompliance, passivity, aggression, narcissism, spiritualization, over-neediness, over-giving, and nonstop talking.

*Safe People* SAGE

Shay was still angry but shrugged nonchalantly as if to say, it's not that big of a deal. "So, what am I wrong about?" "You're not going to want to hear this, but I have to tell you anyway." Liam paused before finishing. "You might be working hard, but you're not doing it for the company." "What the hell does that mean?" Shay wanted to know. Knowing that his adversary might punch him for what he was about to say, Liam responded. "You're doing it for yourself." New York Times best-selling author Patrick Lencioni has written a dozen books that focus on how leaders can build teams and lead organizations. In *The Motive*, he shifts his attention toward helping them understand the importance of why they're leading in the first place. In what may be his edgiest page-turner to date, Lencioni thrusts his readers into a day-long conversation between rival CEOs. Shay Davis is the CEO of Golden Gate Alarm, who, after just a year in his role, is beginning to worry about his job and is desperate to figure out how to turn things around. With nowhere else to turn, Shay receives some hard-to-swallow advice from the most unlikely and unwanted source—Liam Alcott, CEO of a more successful security company and his most hated opponent. Lencioni uses unexpected plot twists and crisp dialogue to take us on a journey that culminates in a resolution that is as unexpected as it is enlightening. As he does in his other books, he then provides a straightforward summary of the lessons from the fable, combining a clear explanation of his theory with practical advice

---

to help executives examine their true motivation for leading. In addition to provoking readers to honestly assess themselves, Lencioni presents action steps for changing their approach in five key areas. In doing so, he helps leaders avoid the pitfalls that stifle their organizations and even hurt the people they are meant to serve.

### **Integrity Basic Books**

**Good Strategy/Bad Strategy** clarifies the muddled thinking underlying too many strategies and provides a clear way to create and implement a powerful action-oriented strategy for the real world. Developing and implementing a strategy is the central task of a leader. A good strategy is a specific and coherent response to—and approach for—overcoming the obstacles to progress. A good strategy works by harnessing and applying power where it will have the greatest effect. Yet, Rumelt shows that there has been a growing and unfortunate tendency to equate Mom-and-apple-pie values, fluffy packages of buzzwords, motivational slogans, and financial goals with “strategy.” In **Good Strategy/Bad Strategy**, he debunks these elements of “bad strategy” and awakens an understanding of the power of a “good strategy.” He introduces nine sources of power—ranging from using leverage to effectively focusing on growth—that are eye-opening yet pragmatic tools that can easily be put to work on Monday morning, and uses fascinating examples from business, nonprofit, and military affairs to bring its original and pragmatic ideas to life. The detailed examples range from Apple to General Motors, from the two Iraq wars to Afghanistan, from a small local market to Wal-Mart, from Nvidia to Silicon Graphics, from the Getty Trust to the Los Angeles Unified School District, from Cisco Systems to Paccar, and from Global Crossing to the 2007–08 financial crisis. Reflecting an astonishing grasp and integration of economics, finance, technology, history, and the brilliance and foibles of the human character, **Good Strategy/Bad Strategy** stems from Rumelt’s decades of digging beyond the superficial to address hard questions with honesty and integrity.

### **Out Of Control Zondervan**

Revised and updated from the original, this honest and forthright look at families of all shapes and sizes will help you down the path of healing (whether you know you need it or whether yo're just not sure). **Unlocking Your Family Patterns** combines decades worth of counseling wisdom and pastoral care insights into this one practical resource. Your past may hurt, and your family's patterns may have left emotional scars, but your future has not been laid in stone yet. There is hope for healing, there are lessons to learn, and there are paths toward family health. Using clinical, biblical and practical examples to help you uncover the patterns your family has lived in, this book might lead you toward the family u-turn you've been looking for.

### **Microbe Hunters** Zondervan

?If strategy is the queen of business, then this book offers us the perfect introduction to her court! It is accessible, lively, and informative. The book repays the reader with wonderful account of how strategy works. It also lets the reader in on some of the darker secrets of strategy? - André Spicer, Associate Professor of Organisation Studies, Warwick Business School Studying Strategy is a welcoming, lively and thought provoking account that helps students get to grips with strategy?s key issues and

---

broad debates and introduce them to the latest ideas. Conceived by Chris Grey as an antidote to conventional textbooks, each book in the 'Very Short, Fairly Interesting and Reasonably Cheap' series takes a core area of the curriculum and turns it on its head by providing a critical and sophisticated overview of the key issues and debates in an informal, conversational and often humorous way. Suitable for students of strategy at Undergraduate, Masters and MBA level, professionals involved in strategic decision making and anyone interested in how strategy works.

### **How People Grow** Zondervan

From the bestselling author of *Romeo and/or Juliet* and *How to Invent Everything*, the greatest work in English literature, now in the greatest format of English literature: a chooseable-path adventure! When Shakespeare wrote *Hamlet* he gave the world just one possible storyline, drawn from a constellation of billions of alternate narratives. And now you can correct that horrible mistake! Play as Hamlet and avenge your father's death—with ruthless efficiency this time. Play as Ophelia and change the world with your scientific brilliance. Play as Hamlet's father and die on the first page, then investigate your own murder... as a ghost! Featuring over 100 different endings, each illustrated by today's greatest artists, incredible side quests, fun puzzles, and a book-within-a-book instead of a play-within-a-play, *To Be or Not To Be* offers up new surprises and secrets every time you read it. You decide this all sounds extremely excellent, and that you will definitely purchase this book right away. Because as the Bard said: "to be or not to be... that is the adventure." ...You're almost certain that's how it goes. *To Be or Not To Be* originally launched as a record-breaking Kickstarter project. This new,

reader-friendly edition features the same text and illustrations as the original version, redesigned to take up half as many pages and weigh a whole pound less.

### **Never Go Back (eBook)** Vintage

In *Our Mothers, Ourselves*, Henry Cloud and John Townsend show how understanding how our mothers have profoundly influenced our lives can set us on a path toward wholeness and growth. No one has influenced the person you are today like your mother. The way she handled your needs as a child has shaped your worldview, your relationships, your marriage, your career, your self-image - your life. *Our Mothers, Ourselves* can help you identify areas that need reshaping, to make positive choices for personal change, and to establish a mature relationship with Mom today. *The Phantom Mom* *The China Doll Mom* *The Controlling Mom* *The Trophy Mom* *The Still-the-Boss Mom* *The American Express Mom* You'll learn how your mom affected you as a child and may still be affecting you today. *Our Mothers, Ourselves* is a biblical, realistic, and empowering route to wholeness and growth, to deeper and more satisfying bonds with your family, friends, and spouse - and to a new, healthier way of relating to your mother. This book was previously titled *The Mom Factor*.

### **Raising Great Kids** Thomas Nelson

Dr. Cloud can help you: contain self-destructive behavior define yourself and know who you are set limits when needed communicate effectively improve your performance at the office and outside it

#### *A Farewell to Arms* Thomas Nelson

People Fuel outlines the twenty-two relational nutrients we all need to cultivate good relationships that provide energy, focus, and the support to be all you were meant to be. Just as good nutrition is necessary for a healthy body and physical energy, so the right kinds of relationships are critical to living a successful and confident life. If we don't take enough iron, we can develop anemia. Too little calcium leads to bone disease. In the same way, we need the twenty-two relational nutrients essential to a healthy, energized, and productive life. In *People Fuel*, Dr. John Townsend--psychologist, leadership consultant, and coauthor of the New York Times bestselling *Boundaries*--shows you how truly good relationships give you energy, focus, and the support you need to succeed. Through stories and clear applications, Dr. Townsend shows you how to: Identify the types of people who can be either energy gains or energy drains Receive from relationships the help and support that God intended Create higher-quality connections with your family, friends, and coworkers Boost your productivity and creativity at work Build your essential Life Team As we learn to tap into these vital nutrients from quality relationships, we will experience more energy, positivity, focus, and the exponential growth to become the confident people God created

to be. *People Fuel* is also available in Spanish, *Gente que Sume*.

#### **Unlocking Your Family Patterns** Zondervan

What does it take to raise great kids? If you've read any books on parenting, conflicting opinions have probably left you feeling confused. Get tough! Show acceptance. Lay down the rules. Lighten up, already! There's got to be a balance--and there is. Joining their expertise with the wisdom of MOPS International (Mothers of Preschoolers), Drs. Henry Cloud and John Townsend help you provide both the care and acceptance that make grace real to your child, and the firmness and discipline that give direction. Avoiding the twin extremes of permissiveness and over-control, Drs. Cloud and Townsend show how you can help your child cultivate six necessary character traits: attachment, responsibility, reality, competence, morality, and worship/spiritual life. At last, here is an effective middle ground for raising up children who will handle life with maturity and wisdom. *Raising Great Kids* will help you equip your son or daughter to accept life's responsibilities, grow from its challenges, and freely and fully explore all that it has to offer.

#### Boundaries in Marriage Harper Collins

Learn to stop making excuses and focusing on what you can't control and break free from the blame game that is sabotaging your success. "It's not my fault!" These words seem like a common, harmless excuse. They can even seem like the truth. But according to psychologists Dr. Henry Cloud and Dr. John Townsend, this phrase is really a dangerous, self-destructive trap that keeps you from the life you want to live. But there is a way to turn the trap into a launching pad—and it's simpler than you think. Using eight principles, powerful true stories, and years of experience as professional psychologists, this bestselling author duo of *Boundaries* will teach you how to start getting what you want out of your relationships, your career, and your
