A Night to Remember Currency
In *Our Mothers, Ourselves*, Henry Cloud and John Townsend show how understanding how our mothers have profoundly influenced our lives can set us on a path toward wholeness and growth. No one has influenced the person you are today like your mother. The way she handled your needs as a child has shaped your worldview, your relationships, your marriage, your career, your self-image - your life. *Our Mothers, Ourselves* can help you identify areas that need reshaping, to make positive choices for personal change, and to establish a mature relationship with Mom today. The Phantom Mom The China Doll Mom The Controlling Mom The Trophy Mom The Still-the-Boss Mom The American Express Mom You'll learn how your mom affected you as a child and may still be affecting you today. *Our Mothers, Ourselves* is a biblical, realistic, and empowering route to

wholeness and growth, to deeper and more satisfying bonds with your family, friends, and spouse - and to a new, healthier way of relating to your mother. This book was previously titled *The Mom Factor*. **The Power of the Other** Harper Collins
What does it take to raise great kids? If you've read any books on parenting, conflicting opinions have probably left you feeling confused. Get tough! Show acceptance. Lay down the rules. Lighten up, already! There's got to be a balance--and there is. Joining their expertise with the wisdom of MOPS International (Mothers of Preschoolers), Drs. Henry Cloud and John Townsend help you provide both the care and acceptance that make grace real to your child, and the firmness and discipline that give direction. Avoiding the twin extremes of permissiveness and over-control, Drs. Cloud and Townsend show how you can help your child cultivate six necessary character traits: attachment, responsibility, reality, competence, morality, and worship/spiritual life. At last, here is an effective middle ground for raising up children who will handle life with maturity and wisdom. *Raising Great Kids* will help you equip your son or daughter to accept life's responsibilities, grow from its challenges, and freely and fully explore all that it has to offer.

Changes that Heal Harper Collins

How People Grow reveals why all growth is spiritual growth and how you can grow in ways you never thought possible. Our desire to grow runs deep. Yet the issues in our lives and relationships that we wish would change often stay the same, even with our best efforts at spiritual growth. What does it take to experience increasing strength and depth in our spiritual walk, our marriages and family lives and friendships, our personal development--in everything life is about? And how can we help others move into growth that is profound and lasting? Unpacking the practical and passionate theology that forms the backbone of their counseling, Drs. Henry Cloud and John Townsend shatter popular misconceptions about how God operates to reveal how growth really happens. You'll discover: What the essential processes are that make people grow. How those processes fit into a biblical understanding of spiritual growth and theology. How spiritual growth and real-life issues are one and the same. What the responsibilities are of pastors, counselors, and others who assist people in growing What your own responsibilities are in your personal growth. Shining focused light on the great doctrines and themes of Christianity, How People Grow helps you understand the Bible in a way that will help you head with confidence down the high road of growth in Christ. Workbook also available.

How People Grow Zondervan

The phenomenal bestseller, *The Secret*, tapped into a spiritual hunger present in our society, revealing the Law of Attraction as a way to improve your life and find harmony with universal energies. Dr Cloud builds on these ideas by offering a positive Christian interpretation of the thinking found in that book. By comparing ideas and concepts in *The Secret* with biblical scripture, he points readers to the Creator of the universe as the source of all power, offering twenty spiritual truths that hold within them the

secrets of happiness, relationships and purpose.

Yet even among those who claim a Christian faith, these truths often lie dormant and untapped within the soul. *The Secret Things of God* will help readers unlock the secret treasures God has for them, and gives guidance on how to activate these truths in our lives.

Halftime HarperCollins

Many years of counseling have enabled Dr. Henry Cloud to observe people trying to work out the most important issues of life: relationships, career, fulfillment, meaning, pain, hurt, loss, despair, and addictions. If we sincerely want to "get life right" and quit repeating the same mistakes over and over again, *9 Things You Simply Must Do* provides the practical guidance we need to live life to its fullest . . . every moment.

The Motive Thomas Nelson

Learn to stop making excuses and focusing on what you can't control and break free from the blame game that is sabotaging your success. "It's not my fault!" These words seem like a common, harmless excuse. They can even seem like the truth. But according to psychologists Dr. Henry Cloud and Dr. John Townsend, this phrase is really a dangerous, self-destructive trap that keeps you from the life you want to live. But there is a way to turn the trap into a launching pad—and it's simpler than you think. Using eight principles, powerful true stories, and years of experience as professional psychologists, this bestselling author duo of *Boundaries* will teach you how to start getting what you want out of your relationships, your career, and your life. Learn the one skill you need to begin transforming your life Discover eight powerful principles to help you shift your focus Written by psychologists who are leading voices on mental health and leadership Even if you've gotten a raw deal from other people, your DNA, or life's circumstances, there is always something you can do to make things better. With the transformational insights in this book, break free from the blame game that is sabotaging your success and start really living.

The One-Life Solution William Carey

Publishing

Learn when to say yes and how to say no in the context of your marriage relationship. In *Boundaries in Marriage*, Drs. Henry Cloud and John Townsend, counselors and authors of the New York Times bestseller *Boundaries*, teach us that healthy boundaries are the property lines that define and protect you and your spouse as individuals. Once you have them in place, a good marriage can become better, and a less-than-satisfying one can even be saved. *Boundaries in Marriage* will give you the tools and encouragement you need to: Set and maintain personal boundaries and respect those of your spouse Understand and practice two key ingredients to a successful marriage: freedom and responsibility Establish values that form a godly structure and architecture for your marriage Protect your marriage from different kinds of "intruders" Work with a spouse who understands and values boundaries--or with one who doesn't It's time to deepen your love by providing a better environment for it to flourish, and Drs. Cloud and Townsend are here to help. Discover how boundaries can make life better today!

Necessary Endings Zondervan

Why do some leaders get and accomplish what they want as a matter of routine, while others seem to regularly experience frustration and setbacks? Why do some leaders achieve their goals and reach new heights, while others barely "hang in there" and survive? Based on his groundbreaking psychological study of the ways that successful individuals think and behave, Dr. Henry Cloud presents a simple yet profound roadmap to help leaders--and those who want to become leaders--arrive at greater levels of personal growth and corporate influence than they previously thought were possible. The good news for all of us is that leadership success is not limited to vague notions of "charisma" nor traditional advantages like graduate degrees and connections, but much more to a pattern of thinking and moving forward that learns from mistakes and stays focused on goals.

Our Mothers, Ourselves Zondervan

Safe People will help you discover why good

people can get tangled in bad relationships, how to avoid repeating your own mistakes, and how to pick safe, healthy people for the friends you make and the company you keep. Too many of us have invested in relationships that have gone wrong. Maybe you've been judged, manipulated, or controlled. Or maybe you've trusted the wrong people in the past. It's easy to make the same mistakes of judgment over and over--or, worse, to give up on trying to have great, authentic relationships again. But it doesn't have to be that way. In *Safe People*, Drs. Henry Cloud and John Townsend teach you that being with an unsafe person can be damaging to your confidence, your trust in others, and even your health. You'll learn that you have the power to surround yourself with accepting, honest, and safe people who draw you closer to being the person God intended you to be. Drs. Cloud and Townsend, authors of the New York Times bestseller *Boundaries*, are here to share the lessons they've learned in their years of practicing psychology and studying the patterns and practices that support clear, biblical boundaries. In *Safe People*, they offer guidance for making safe choices in all of your day-to-day relationships, from family and friends to colleagues and partners. *Safe People* will give you the tools you need to recognize what makes people relationally safe, form positive relationships, and even become a safe person along the way. Drs. Cloud and Townsend share expert insights that will help you ask important questions: How can I learn to pick better friends? Why do I choose people who let me down? How did I end up with this critical boss? How do I attract irresponsible people? Why did I invest money with that unscrupulous person? What is it about me that draws the wrong types of people to me? Why am I drawn to the wrong types of people? It's time to revitalize your connections and finally start enjoying the healthy, balanced relationships that you deserve.

Boundaries Harper Collins

End Pain. Foster Personal and Professional Growth. Live Better. While endings are a natural part of business and life, we often experience them with a sense of hesitation, sadness, resignation, or regret. But consultant, psychologist, and bestselling author Dr. Henry

Cloud sees endings differently. He argues that our personal and professional lives can only improve to the degree that we can see endings as a necessary and strategic step to something better. If we cannot see endings in a positive light and execute them well, he asserts, the "better" will never come either in business growth or our personal lives. In this insightful and deeply empathetic book, Dr. Cloud demonstrates that, when executed well, "necessary endings" allow us to proactively correct the bad and the broken in our lives in order to make room for the professional and personal growth we seek. However, when endings are avoided or handled poorly—as is too often the case—good opportunities may be lost, and misery repeated. Drawing on years of experience as an executive coach and a psychologist, Dr. Cloud offers a mixture of advice and case studies to help readers know when to have realistic hope and when to execute a necessary ending in a business, or with an individual; identify which employees, projects, activities, and relationships are worth nurturing and which are not; overcome people's resistance to change and create change that works; create urgency and an action plan for what's important; stop wasting resources needed for the things that really matter. Knowing when and how to let go when something, or someone, isn't working—a personal relationship, a job, or a business venture—is essential for happiness and success. *Necessary Endings* gives readers the tools they need to say good-bye and move on.

9 Things a Leader Must Do Berrett-Koehler Publishers

De-mystify dating once and for all! Dr. Henry Cloud addresses common dating issues and presents a "how to" guide for getting to know yourself and your date, so you can find (and keep) the love of your life. Let's face it--dating isn't always fun. But starting today, you can begin a journey that will bring fun and interesting people into your life, broaden your experience of others and yourself, and lead you toward that date of all dates--a date worth keeping. This book is for YOU

if . . . You want to get more dates or better dates. You wonder where "the good ones" are. You keep repeating the same old cycle in your dating life and want to change it. You wonder why people who aren't as nice as you get all the dates. You're attracted to the wrong kind, while the right kind lack the "chemistry." You're waiting for God to bring you the right person--and you've been waiting an awfully long time. You wonder what it is about you that fails to attract dates. With over ten years of experience personally coaching singles on dating, Dr. Henry Cloud shares his proven, very doable, step-by-step approach to overcoming your sticking points and getting all the dates you could want. The results speak for themselves. Filled with true-life examples you'll identify with instantly, *How to Get a Date Worth Keeping* will prove its worth to you many times over in the exciting months ahead.

The Transformational Consumer Simon and Schuster

In this life-changing book, you'll learn ten pathways of success that will help you redirect your mistakes and make way for success – physically, personally, and spiritually. Everyone makes mistakes, big and small. Sometimes our mistakes take us down the wrong path and send us spiraling into destructive life patterns, and sometimes we learn a lesson and never make the same mistake again. But how? How do we recognize our destructive patterns, make new choices, and then follow through? In *Never Go Back*, bestselling author Dr. Henry Cloud shares ten doorways to success – and once we walk through these new pathways, we never go back again. His proven method – based on grace, not guilt – outlines ten common life patterns that sabotage success and lays out clear, concrete steps you can take to overcome them. You'll see your relationships flourish, your personal life enhanced, and your faith strengthened. Dr. Cloud's powerful message reveals doorways to understanding – once you enter them, you will get from where you were to where you want to be. With a winning combination of eternal principles, spiritual wisdom, and modern scientific data, *Never Go Back* will put your

heart in the right place with yourself and with God.

The Rosy Crucifixion: Sexus John Wiley & Sons

The first book of a trilogy of novels known collectively as "The Rosy Crucifixion." It is autobiographical and tells the story of Miller's first tempestuous marriage and his relentless sexual exploits in New York. The other books are "Plexus" and "Nexus."

Necessary Endings SAGE

A Great Need Requires a Great Response Today, over three billion people, a third of humanity, have yet to hear the good news of Jesus. They have no opportunity to believe in him as their Savior and find peace with God through him. Of all the injustices in the world—and there are many that are quite distressing—this is the worst, because of the eternal consequences. A third of anything is significant—especially this third. In light of this staggering need, Marv Newell explores the five Great Commission passages, where Jesus methodically unfolds the essence of the disciples' task. A Third of Us is not just an invitation to be aware of the need, but a rally cry for today's disciples to respond. Writing to the whole body of Christ, Newell casts a vision for multiple ways to get involved in reaching the unreached. When finishing the task set by our Savior feels overwhelming, this practical and inspiring book points us back to Jesus' words with hope. So . . . are you ready to reach A Third of Us?

A Third of Us Zondervan

Do you feel that if you could get rid of some of the chaos in your work life you could take your performance to a greater level? Do you stay late at the office many nights, trying to empty an inbox that never seems to diminish? Do you have difficulty dealing with cantankerous bosses or passive-aggressive coworkers? Do you find yourself checking your BlackBerry—almost against your will—during dates, family dinners, or your children's soccer games? Do you feel fragmented, frustrated, or pulled in too many directions at once? If you've answered yes to any of the above, chances are that your work life has taken over your personal life. In *The One-Life Solution*, clinical psychologist

and bestselling author Dr. Henry Cloud provides invaluable strategies for moving toward a more unified, coherent sense of self and a life that fully encompasses work, family, and spirituality. Dr. Cloud can help you: contain self-destructive behavior define yourself and know who you are set limits when needed communicate effectively improve your performance at the office and outside it

Integrity Zondervan

First published in 1927.

A Very Short, Fairly Interesting and Reasonably Cheap Book About Studying Strategy Simon and Schuster

Integrity—more than simple honesty, it's the key to success. A person with integrity has the ability to pull everything together, to make it all happen no matter how challenging the circumstances.

Drawing on experiences from his work, Dr. Henry Cloud, a clinical psychologist, leadership coach, corporate consultant and nationally syndicated radio host, shows how our character can keep us from achieving all we want to (or could) be. In *Integrity*, Dr. Cloud explores the six qualities of character that define integrity, and how people with integrity: Are able to connect with others and build trust Are oriented toward reality Finish well Embrace the negative Are oriented toward increase Have an understanding of the transcendent Integrity is not something that you either have or don't, but instead is an exciting growth path that all of us can engage in and enjoy.

It's Not My Fault Thomas Nelson

Good Strategy/Bad Strategy clarifies the muddled thinking underlying too many strategies and provides a clear way to create and implement a powerful action-oriented strategy for the real world. Developing and implementing a strategy is the central task of a leader. A good strategy is a specific and coherent response to—and approach for—overcoming the obstacles to progress. A good strategy works by harnessing and applying power where it will have the greatest effect. Yet, Rumelt shows that there has been a growing and unfortunate

tendency to equate Mom-and-apple-pie values, fluffy packages of buzzwords, motivational slogans, and financial goals with “strategy.” In *Good Strategy/Bad Strategy*, he debunks these elements of “bad strategy” and awakens an understanding of the power of a “good strategy.” He introduces nine sources of power—ranging from using leverage to effectively focusing on growth—that are eye-opening yet pragmatic tools that can easily be put to work on Monday morning, and uses fascinating examples from business, nonprofit, and military affairs to bring its original and pragmatic ideas to life. The detailed examples range from Apple to General Motors, from the two Iraq wars to Afghanistan, from a small local market to Wal-Mart, from Nvidia to Silicon Graphics, from the Getty Trust to the Los Angeles Unified School District, from Cisco Systems to Paccar, and from Global Crossing to the 2007–08 financial crisis. Reflecting an astonishing grasp and integration of economics, finance, technology, history, and the brilliance and foibles of the human character, *Good Strategy/Bad Strategy* stems from Rumelt’s decades of digging beyond the superficial to address hard questions with honesty and integrity.

The Secret Things of God Zondervan

“If strategy is the queen of business, then this book offers us the perfect introduction to her court! It is accessible, lively, and informative. The book repays the reader with wonderful account of how strategy works. It also lets the reader in on some of the darker secrets of strategy?” - André Spicer, Associate Professor of Organisation Studies, Warwick Business School *Studying Strategy* is a welcoming, lively and thought provoking account that helps students get to grips with strategy’s key issues and broad debates and introduce them to the latest ideas. Conceived by Chris Grey as an antidote to conventional textbooks, each book in

the ‘Very Short, Fairly Interesting and Reasonably Cheap’ series takes a core area of the curriculum and turns it on its head by providing a critical and sophisticated overview of the key issues and debates in an informal, conversational and often humorous way. Suitable for students of strategy at Undergraduate, Masters and MBA level, professionals involved in strategic decision making and anyone interested in how strategy works.

Safe People Zondervan

This book uses stories and case studies from several industries to show how companies can rethink their customers, products and services, marketing, competition, and even their culture. The goal is a positive customer relationship that results in revenue growth, product innovation, and employee engagement.
