that once plagued the world. Nathan and Nestor, secret twin sons of the Necroscope and a proud gypsy woman, were children when their father, his humanity poisoned by his fearsome struggles, sacrificed himself to save mankind. Yet there are vampires still, vampires crueller and stranger than any the Necroscope had faced. When these new, merciless killers swoop out of the sky, Nathan and Nestor are men--but they have few of Harry Keogh's miraculous powers. Torn from each other by

battle, the sons of the Necroscope journey across the vampire world, exploring its mysteries, each seeking the powerful, terrible vampires, his missing brother...and the woman they both love! Necroscope II: Vamphyri!

A character-driven science fiction/horror blend, KC Jones' Black Tide is Stephen

King's Cujo meets A Quiet Place. It was just another day at the beach. Then the world ended. Mike and Beth were strangers before the night of the meteor shower. Chance made them neighbors, a bottle of champagne brought them together, and a shared need for human connection sparked something more. Following their drunken and desperate one-night stand, the two discover the astronomical event has left widespread destruction in its wake. But the cosmic lightshow was only part of something much bigger, and far more

terrifying. When a lost car key leaves them stranded on an empty stretch of Oregon coast and inhuman screams echo from the dunes, when the rising tide reaches for their car and unspeakable horrors close in around them, these two self-destructive souls must fight to survive a nightmare of apocalyptic scale. "This is gasp-for-your-breath, peek-through-your-fingers horror, and I loved every page of it." —Jonathan Janz, author of *The Siren* and the Specter At the Publisher's request, this title is being sold without Digital Rights Management

Sequels Harper Perennial

When Rob Martin left Millhouse, he was barely out of his teens and Millhouse was his beloved hometown. Ten years later, Rob returns for a brief visit and finds that beneath the calm surface of small-town America, a terrible evil is brewing. For decades, vampires

have lived secretly in Millhouse, selecting victims who will not be missed. Now a great thirst is upon them, for blood and the pleasures of the flesh. Now they have grown more brazen, seducing not just vulnerable loners but some of Millhouse's leading citizens. Rob's old girlfriend, Elizabeth, is having amazing erotic dreams, dreams that leave her feeling drained and weak the next morning, afraid and yet eager to return to sleep. As mutilated bodies turn up, drained of blood, the sheriff and town council look for a normal explanation for the wave of violence that is

engulfing their town—but there is nothing normal about a nest of vampires. Only Rob, his best friend Tony, and a few stalwarts are prepared to drive a stake through the heart of the vampire menace. But will they act fast enough to save Elizabeth's life . . . and soul? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
