I hate Drew Woods, and she hates me.Even so, I'm not the cold jerk most make me out to be, and I have no problem moving the single mom and her baby into my home. I do, however, draw a line when it comes to acting on the way her loose lips make me feel.Alive.She's too mouthy, too prying, and her curves are way too distracting.I might have lost my way after a nearly fatal car accident, but I'm not stupid. Giving in to Drew would be a short-lived fix for this pain I'm saddled with, and I knead something permanent.I'd be insane to think what we have could be anything other than temporary...right?

From the New York Times bestselling author of the Loving on the Edge series and Off the Clock, a story of sex, love, rock & roll, and a reporter who's about to learn a new meaning for staying on top of her assignment... Restaurant critic Aubrey Bordelon is never at a loss for words to describe her meals in the fancy restaurants of New Orleans. But after her magazine's high-profile music reporter falls ill, she finds herself out of her element and in a sea of screaming fans awaiting Wanderlust's lead singer, Lex Logan. The sound of his voice gives her goosebumps, and the stage presence of the hard-bodied rock star takes her breath away. So when he pulls her onstage for a sexy stunt, she knows she's in real trouble. Lex doesn't want to pretend that the sparks on stage between him and Aubrey never happened, but it certainly makes the fact that she's writing a story on his band all the more dangerous. The last thing he needs is some nosy reporter revealing their problems to the world. But the sexy Southern belle doesn't give up easily, and soon he's wondering if the best way to chase her off the story is to coax her into his bed...
