Needful Things has Stephen King at his best in some places and at his worst in others. First, the good: Needful Things gives you 950 pages of classic King doing something he's really, really figured out how to do well: lock some average Joes in an enclosed space (usually a small town or a single building), introduce some horror/paranormal catalyst, and then bring it all to a slow boil before your eyes. finds the object of his or her  
lifelong dreams and desires:  
a prized baseball card, a  
healing amulet.

Stephen King amazes me  
with his largeness,  
energy, comfort while  
generating new  
characters, and making  
them talk. One needs a  
catalogue of them under  
his hand through out the  
book to check who is who.
