An ancient Egyptian artifact is driving Queen Victoria insane, and that's not top of Cara Devon's growing list of problems. Viscount Nathaniel Lyons is a man of numerous secrets, but there is one in particular that threatens his fledgling relationship with Cara. Stunned by Nate's revelation, and before she can absorb the ramifications of his actions, he is arrested, charged with treason and imprisoned in

the grim Tower of London. He stole something the mad queen wants, and only has days to deliver, before his date with the executioner. Although sorely tempted, Cara can't let him die on Tower Green, not when their connection means she would share his fate. Only together can Cara and Nate figure out how to wrestle Hatshepsut's Collar from around the queen's neck, before she plunges Britain into a world war. The search for answers sends Cara to the opulent Winter Palace of St Petersburg and the frozen depths of Siberia, with every step shadowed by an enemy with his own dark plans. A steampunk adventure perfect for fans of Gail Carriger, Shelley Adina, CJ Archer and Bec McMaster. Keywords: steampunk, gaslamp, historical fantasy, victorian, paranormal romance, action and adventure, alternate history

Earth Bound C. Gockel

This novella is a Victorian romance with a

steampunk twist. It is a standalone read that compliments the Artifact Hunters series. Amy Hamilton is a good girl. She always did exactly as society demanded, kept her eyes downcast, never spoke out of turn, and hid the myriad of questions swirling in her brain. In return for shutting off her intellect she landed an abusive fiancé and was cast aside by the ton. Disgraced, she seeks refuge at the Lyons' country estate. There she is given a bracelet made from a unicorn's tail and told it contains enough magic to grant one wish. She knows what she wants, someone to love the true her, and not the shallow image that smiles back from the mirror. She never expected the unicorn to send her two men... Lachlan Hawke - dashing airship pirate and notorious rogue. Jackson Jackson - the scarred henchman and enforcer for the Lyons Empire. The two men have a bet, who will be first to win a kiss from the delicate rose? The loser to be tarred and feathered. Loki is sure of a quick victory and that Jackson will be impersonating a chicken by the end of the week. Jackson doesn't even know why he agreed to the stupid bet, the girl shudders whenever he enters a room. But the men are about to learn you should be careful making bets when a unicorn is involved...

For Thor to live, Thunder Hunter must die. A thousand years, that's how long I've been hunting the Fallen Ones that escaped Freya's field. One hundred and ninety five down, five to go. Just five disgusting evil spirits until I die and Thor's thunder will be returned to him. Nothing will stand in the way of me completing my mission, not even the woman who claims to be a descendant of Freya. I will kill the next Fallen One, no matter what.

The Undying Legion: Crown & Key Metropolitan Museum of Art

The worlds of noble and guild are about to collide, with seventeen-year-old Allie Donovan as the catalyst... Allie lives in a shadow world until she is thrust into the light of the aristocratic St Matthew's Academy. More at ease with a blade than a needle, she is stalked along the ancient corridors by a Scottish lord intent on determining why she is among them. She stumbles onto the reason when soldiers arrive to see her friend, Zeb, a mechanical genius. On the hunt for answers, she breaks into his underground laboratory. There, Allie discovers Zeb is not just constructing sentient mechanical creatures, he is building a devastating new weapon for the military. To protect her

friend, Allie will have to stop the guilds from snatching the weapon and its creator. But if she betrays her world, she forfeits her own life. Unless she can rely on bonds of friendship to save both their lives... A historical fantasy academy adventure perfect for fans of Libba Bray, Marissa Meyer, and CJ Archer. Henry, The Gaoler HMH Books For Young Readers

Captain Lachlan Hawke, notorious rogue and airship pirate, is about to explore uncharted territory... inside his own head. Loki pilots a long-range airship to the farthest reaches of the globe and touches down in an alternate Aotearoa under Maori rule. He is tasked with establishing a trade route with the new country but what he finds is a strange beast killing the settlers and tensions igniting between the English and Maori inhabitants. There's also a certain fierce Maori (or two) who make pangs spear through his torso and strange new emotions spring to life in his mind. Before Loki can return to England he needs to secure access to valuable trade goods, defuse hostilities, and find a killer. He should also see a doctor about that ache in his chest... it just might kill him.

Fast-paced and historically accurate, *Nefertiti* is the dramatic story of two unforgettable women living through a remarkable period in history. Nefertiti and her younger sister, Mutnodjmet, have been raised in a powerful family that has provided wives to the rulers of Egypt for centuries. Ambitious, charismatic, and beautiful, Nefertiti is destined to marry Amunhotep, an unstable young pharaoh. It is hoped that her strong personality will temper the young ruler's heretical desire to forsake Egypt's ancient gods. From the moment of her arrival in Thebes, Nefertiti is beloved by the people but fails to see that powerful priests are plotting against her husband's rule. The only person brave enough to warn the queen is her younger sister, Mutnodjmet. Observant and contemplative, Mutnodjmet has never shared her sister's desire for power. She yearns for a quiet existence away from family duty and the intrigues of court. But remaining loyal to Nefertiti will force Mutnodjmet into a dangerous political game; one that could cost her everything she holds dear. Teeming with love, betrayal, political unrest, plague, and religious conflict, *Nefertiti* brings ancient Egypt to life in vivid detail. "Meticulously researched and richly detailed . . . an engrossing tribute to one of the most powerful and alluring women in history." –Boston Globe

Hatshepsut's Collar Chicago Review Press

In *The Twelfth Transforming*, bestselling author Pauline Gedge returns to ancient Egypt to reveal the mysterious reign of Akhenaten, the impetuous pharaoh who threatened to ruin his country. The dramatic story of Akhenaten's disastrous ruling is also the tale of Empress Tiye, a mother struggling to save her land from the catastrophe of her son's choices. Gedge's vivid descriptions of imperial court life among the lushness of the Nile and the desiccation of the desert lands will enthrall readers seeking an evocative tale

of power, dynasty, family and curses, all set in the enchanting world of ancient Egypt.

Imagine if Rapunzel's parents were Edwardian preppers... Hazel's parents saw the 1912 sinking of the Titanic as a portent of doom and locked their daughter away. Isolated and alone, each birthday she wishes to be free, whatever the risk. If only her childhood friend Henry would return and breach the high walls. On the frontlines of the Great War, Henry kept a token of happier times - a worn photograph of a young girl with long blonde plaits. He returns from war damaged and vowing to do one brave thing to make up for his cowardice - release Hazel from her prison. But is it safe with the pandemic and its horrific aftermath? How can Henry reconcile protecting Hazel with setting her free? Or perhaps the sheltered young woman will teach the soldier a lesson about life, and liberate him from a tower of his own construction. Please note: HENRY is a companion (prequel) to ELLA, THE SLAYER. The direct sequel to ELLA is ALICE, THE PLAYER

Nefertiti's Heart A W Exley

In this sequel to *Wallbanger*, fan favorites Caroline Reynolds and Simon Parker negotiate the roller coaster of their new relationship while house-sitting in Sausalito. Playing house was never so much fun—or so confusing. With her boss on an extended honeymoon, Caroline's working crazy-long hours to keep the interior design company running—especially since she's also the lead designer for the renovation of a gorgeous old hotel. And with Simon, her hotshot photographer boyfriend, gallivanting all over the world for his job, the couple is heavy-duty into "absence makes the heart grow fonder" mode. No complaints about the great reunion sex, though! Then a trip back east to his childhood home has Simon questioning his nomadic lifestyle. He decides to be home more. A lot more. And he wants Caroline home more, too. Though their friends' romantic lives provide plenty of welcome distraction, eventually Caroline and Simon have to sort out their relationship. Sure, more togetherness is a good thing—but does less traveling and working have to mean the other extreme? Apple pie and picket fences? With this second book in the Cocktail series, USA TODAY bestselling author Alice Clayton delivers another delicious, frothy confection of a book, shaking up her characters, stirring in laugh-out-loud humor, and serving sizzling romance straight up!

Artifact Hunters Crown

#1 New York Times bestselling author Christine Feehan returns to the mysterious coastal town of Sea Haven where a woman is stalked by her inescapable past in the fourth novel in the *Sisters of the Heart* series. On the shores of Sea Haven, six women touched by great loss have come together in a sisterhood strengthened by the elements—a bond each will need as new love and danger enter their lives... After escaping from a cult, Lexi found refuge with her sisters on the farm that more than sustained her body—it nurtured her soul as well. But she never forgot the terror she left behind or the always present fear that the cult would find her again, and claim her. Then her nightmare came true. Lexi was discovered and threatened—only to be suddenly saved by a stranger. He is Gavriil Prakenskii, and he's awestruck by the woman he's rescued. She is destined for him. He can feel it in his soul. But how can Lexi find happiness with a man steeped in secrets and shadows, one intimately acquainted with violence, and whose very love could be the death of them?

Nefertiti Artifact Hunters

A heart prepared to die that has never lived or loved... Born with fragile health, Dawn Uxbridge has lived a sheltered existence. Her lonely days are filled by drawing fanciful landscapes and nurturing plants. When tragedy strikes, she finds herself alone and penniless with only one talent - a green thumb. Jasper, the Earl of Seton, is in need of a gardener to reclaim his derelict estate in the remote west of England. He expected a robust commoner, not a fragile young woman. With the next train a week away, Dawn has one chance to change the earl's mind and earn her place. But all is not as it seems at the ancestral manor. The estate

is full of secrets, ravens cluster on the parapets, and a ghostly young woman cries out at night. This garden conceals a rotten heart, and it plans to squeeze the last beat from Dawn's... Dragons have taken up residence at Lowestoft and Queen Victoria is not amused. The queen is on the warpath and to protect the mythical beasts from treasure hunters, Cara needs to find the foundation stone from the Great Wall of China. To add to her problems, there's a strange box hidden deep under the Lowestoft estate that makes her skin crawl and steals the air from her lungs. Nate is trying to find a way to make it reveal its secrets, but Cara would rather drop it in the deepest, darkest part of the ocean. Quite apart from arguing with the monarch and catching those who hunt her dragons Cara faces a far more terrifying trial—impending motherhood. Childbirth always ends in tragedy for her maternal line and even her bond with Nate might not be strong enough to battle Mother Nature... Harvard Egyptological Studies

In this first novel of a thrilling new series set in our near future, New York Times bestselling author Alan Dean Foster reveals a place where criminals are punished through genetic engineering and body manipulation—and poses profound questions about what it means to be human. Given his name because radical surgery has reduced him to preternatural thinness, Whispr is a thug. In a dark alley in Savannah, Whispr and his partner in crime, Jiminy Cricket, murder what they take to be a random tourist in order to steal his artificial hand. But the victim is also carrying an unusual silver thread, which Whispr and Jiminy grab as well. Chance later deposits a wounded Whispr at the clinic of Dr. Ingrid Seastrom. Powerful forces have been searching for Whispr since he acquired the mysterious thread, and Jiminy has vanished. All Whispr wants to do is sell the thread, and when he offers to split the profits with Ingrid, she makes an astonishing discovery. So begins the formidable partnership between the Harvard-educated physician and the street-smart thief—as long as they can elude the enhanced assassins that are tracking them.
