When fifteen-year-old Anna begins receiving messages from another time, her parents take her to the doctor. But he can find nothing wrong; in fact he believes there may be some truth to what she is seeing. Anna is haunted by visions of the desolate world of 2082. She sees her great-granddaughter, Nova, roaming through wasteland with a band of survivors, after animals and plants have died out. The more Anna sees, the more she realises she must act to prevent the future in her visions becoming real. But can she act quickly enough? 'Compelling' Sunday Times

Preface: This book is an introduction to the reading and critical study of serious fiction. It explains the principal elements, techniques, and types of fiction; it provides a critical vocabulary and describes the writing of critical analyses; it anticipates many of the student's perennial questions and difficulties. The book will be useful to experienced readers as well as to beginners.

Tinker Bell is not happy with her tinker talent, so she sets out to learn the skills that the other fairies have in hopes of helping to bring spring to the mainland, but instead she ruins all of the preparations for spring.

Nieuw Maleisch-Nederlandsch woordenboek, met Arabisch karakter, naar de beste en laatste bronnen bewerkt Deep Vellum Publishing
As democratic reforms swept Indonesia in the late nineties, the nation's young generation asked themselves: what does it mean to be free? Spanning fifteen years, this novel follows the struggles and hopes, loves and disappointments of two young Indonesians who came of age during Reformasi. Following the entwined paths of Julita and Rizky as they struggle to break free from a pattern of repeated disappointments and define themselves, Handayani presents a portrait of the changing and complex reality of contemporary Indonesia, and of the younger generation born out of revolution. 'From Now On Everything Will Be Different' is a compelling study of freedom and love, community and conformity, told with humour, sensuality and a subtly sharp political intelligence. "A finely choreographed love story that shadows the larger changes and challenges of life in contemporary Indonesia. It charts the fever and the friction of a relationship, exploring conflicted identities in a complex world, where social pressures push against emerging independence and new freedoms. Sharply designed, intoxicating, reverberant." -Nicholas Jose "The protagonists are complicated and full of life, a boy and a girl becoming a man and a woman, and struggling to do it with as much honesty as they can. This novel is about what it is like to come of age at the end of a revolution." -Ruby J. Murray "The novel is set against the uncertain politics of contemporary Indonesia, the excesses and failures of which lend a poignant urgency to the characters' equally clumsy attempts at forging an honest and enduring relationship; as democracy goes (or remains elusive), so does love." -Jose Dalisay Jr. This is Eliza Vitri Handayani's first novel to be published in English. She has published short stories, essays and translations in leading Indonesian literary outlets as well as in the Asia Literary Review, Griffith Review and Asymptote Journal. In 2004 she won an Anugerah Adikarya from the Indonesian Publishers Association, for best young-adult book. She is the founder of InterSastra, an Indonesian literary translation initiative.

Recognizing the different needs & desires of women & acknowledging the multiplicity of feminist approaches, this work offers a debate on existing & emergent technologies that share the goal of improving women's lives.

Tinker Bell Houghton Mifflin Harcourt

""Umum diketahui arsitektur tak berhenti pada sebuah bangunan. Ia bukan saja hasil ide, kreativitas, dan keterampilan; ia juga langsung berhubungan dengan kekuasaan: selera dan gaya hidup sang patron, corak ""keindahan"" dan ""kenyamanan"" yang dominan, hubungan sosial-politik antara ruang sosial dan ruang privat. Membicarakan arsitektur yang tak hanya tentang bangunan itu yang saya lihat diusahakan Avianti Armand dalam buku ini. Di dalamnya kita diperkenalkan bukan saja dengan pemikiran arsitektur (yang menyebabkan arsitek tak cukup hanya mendesain), tapi juga dengan masalah-masalah yang membuat kita mengamati sesuatu yang lain di balik, di atas, dan di sekitar karya yang umumnya hanya tampak sebagai konstruksi yang bagus dan sesuai itu."" --Goenawan Mohamad ""Avianti membaca gejala kehadiran arsitektur melalui hati. Di dalamnya, sanubari mendahului rasa. Dengan demikian tanda tak lagi ada batas penafsiran. Kita mungkin sulit mencari awal dan masih akan menanti akhir kisah karena semuanya memang penggalan. Ada dan tiada hanya menurukan antara dan senantiasa bergerak, menyentuh berbagai segi kehidupan manusia yang tampil dengan segenap bungkusan kata dan laku. Waktu dan ruang saling berlipat dalam tuturan; dan untuk membuka lipatan, Anda perlu

berhati-nurani."" --Prof. Ir. Gunawan Tjahjono, M. Arch., Ph.D., Guru Besar Arsitektur Tetap Universitas Indonesia ""Kita makin yakin, hal-hal arsitektur tidak pernah membosankan diulang-ulang, terutama ketika dihubungkan dengan segala hal lain seolah secara acak oleh Avianti Armand."" --Marco Kusumawijaya, Director, Rujak Center for Urban Studies""

Half-Japanese and half-Javanese Lasi flees from the constraints of her small village to find herself enmeshed in the political corruption of Jakarta. *** The bekisar is a fine crossbreed between jungle fowl and domestic chicken that adorns the houses of the wealthy. Lasi, whose father was a Japanese soldier, fair skinned and beautiful, is such an acquisition for a rich man in Jakarta. She is born in a village where the main source of income is tapping coconut palms for their rich sap, or nira. Her life takes an unexpected turn when she is betrayed by her husband and flees to Jakarta. She meets Mrs. Lanting, procuress for men in high government and social circles, who sells her to the rich Handarbeni. Lasi enjoys the new splendor as a much-desired ornament, but is alarmed when she discovers the marriage is a sham. Kanjat, a childhood friend, is now grown into a man. Lasi and Kanjat rediscover their affection for each other. Their bond is the village, its people and traditions. They struggle to free Lasi from a net of power, corruption, and deceit.

Wounded Longing Gramedia Pustaka Utama

This short story collection contains 13 short stories by Ahmad Tohari which were written between 1976 and 1986. Like his previous works, in this collection Tohari stays true to his path and presents the village life as well as the daily struggles of the poor and innocent people. As what has been described in the "Foreword", Tohari's strength lies in the village setting which is rich with intricate details about the local plants and animals. Apart from that, Tohari's style is clear, direct, and simple although his stories also apply strong metaphors and irony.

Set in the tumultuous days of the mid 1960s, "The Dancer" describes a village community struggling to adapt to a rapidly changing world. It also provides readers with a ground-level view of the political turmoil and human tragedy leading up to and following the abortive Communist coup. This trilogy of novels traces the lives of two characters: Srintil, a dancer whose unwitting involvement with the region's leftist propaganda machine sets her at odds with Rasus, the love of her life who embraces Islam and finds a career in the army. Through their separate experiences, both learn the concepts of shame and sin: Rasus after he leaves their home village and journeys into the wider world and Srintil when the outside world finally comes crashing into her remote and isolated village.

The House of Paper Airlangga University Press

A Teacher's Guide to Classroom Research Weidenfeld & Nicolson

Pohon-pohon jati muda menjulang melampauimu, melampauiku ñ melampai kita. ì Nantinya mereka akan hidup melampai umurku, umurmu ñ umur kita, î katamu. Siapa yang pernah menanam pohon akan tahu bahwa yang tumbuh bukan hanya sebuah batang dalam ruang, tapi juga sebetuk tanda dalam waktu. (ì Matahari î) Di pohon-pohon raksasa itu tinggal babi-babi dengan tubuh tambun dan lemak bertumpuk. Babi-babi akan menyukai apel-apel kecil di dadaku. Dengan napas mendengus dan suara menguik-nguik, mereka akan menjilati dan menggerogotinya. Babi memang rakus. Air liur mereka akan menetes-netes, meninggalkan bau bacin yang susah hilang. Tapi jangan kuatir, babi-babi itu pemurah dan tak pernah marah. Kau akan sanggup membeli sabun wangi sesudahnya, dan sepasang sepatu kaca. Kilapnya akan membuatmu lupa. (ì Kupu-kupu î) Suatu ketika, aku begitu kesal, sampai mengusulkan pada ibu untuk menukarku dengan Lara. Ibu bilang, keluarga tak bisa ditukar. Aku bilang, sayang sekali. Soalnya, kalau bisa, aku ingin menukar ibu. Ibuku terkejut. Dengan siapa, tanyanya marah. Dengan Nyai Roro Kidul, jawabku mantap.(ì Sempurna î) Lelaki yang dicintai ibu mencintaiku juga. Ia suka membelai kepalaku dan membelikan aku berbagai jajanan: permen dan aneka keripik yang mengandung MSG. Aku tahu, permen tak baik untuk gigi, dan MSG tak baik untuk otak, tapi aku tak peduli. Ibu tak pernah membelikan jajanan dan tak memberikan ayah. Jadi, lelaki ini ideal. (ì Perempuan Tua dalam Kepala î) Mendekati pagi, sebuah bintang berkelip di timur. Suaranya berdenting bening. Sania menjulurkan tangan. Tapi seseorang mendahuluinya. Lelaki itu tiba-tiba telah menggenggam bintang tadi di tangannya. Ia mendekat. Membuka genggamannya. Bintang timur itu berkilau di mata mereka. (ì Dongeng dari Gibraltar î)
