Physics Extension File

Nelson Thornes
This volume was written by
a team to classroom
teachers and examiners to
support pupils as they work
through their GCSE course
in design and technology. It
is intended to guide them
through the important
stages of their coursework
and to prepare for the final
examination paper. It

contains a mixture of
extended projects, focused
tasks and activities which
together with the key points
and sample examination
questions support the AQA
syllabus. The Channel 4
television programme
associated with this series
provides an introduction to
the whole course and there
is a range of specific
opportunities to view and
integrate the content
throughout the extended
projects.

Questions about God

Nelson Thornes
This easy-to-read text
is divided into four
main areas of
importance for student
understanding: The
existence and nature
of God, God and
science, God and
experience, and God
and language.
