Noah's Nemesis: A SEALs of Honor World Novel Harper Collins

In his bestselling legal thrillers, William Bernhardt has explored the dark side of contemporary politics, power, and the law. Now Bernhardt turns back the clock to the city of Cleveland, Ohio, in the fall of 1935. Based on true events and new discoveries about Eliot Ness, *Nemesis* is a brilliantly told story featuring this legendary lawman's fateful duel with a terrifyingly new kind of criminal: America's first serial killer. In Chicago, Eliot Ness had created "the Untouchables," the fabled team of federal agents who were beyond corruption and who finally put Al Capone behind bars. Now the headline-grabbing Ness has been moved to Cleveland, where a new mayor desperately needs some positive publicity. The heroic, squeaky-clean Fed is the perfect man to become the city's director of public safety, but by the time Ness starts his new job, a killer has started a career of his own. And this man is as obsessed with blood and mayhem as Eliot Ness is obsessed with justice. One by one, bodies are found, each one decapitated and

uniquely dissected with a doctor's skill and a madman's bent. The police are baffled, the population is terrorized, and newspaper headlines blare about the so-called "Torso Killer." Though it's not his turf, Ness is forced to cross bureaucratic boundaries and take over the case, working with a dogged, street-smart detective and making enemies every step of the way. The more energy Ness pours into the investigation, the more it takes over his life, his marriage, even his untouchable reputation. Because in Cleveland, there is only one true untouchable: a killer who has the perfect hiding place and the perfect plan for destroying Eliot Ness. From the first primitive use of forensic psychology to a portrait of America battling the Great Depression and a man battling his own demons, *Nemesis* is a masterwork of mystery, murder, and vivid, dynamic historical suspense.

***Dreadnought* Simon and Schuster**

The princess didn't expect to fall in love--with her nemesis. Princess Sepora of Serubel is the last Forger in all the five kingdoms. The spectorium she creates provides energy for all, but now her father has found a way to weaponize it, and his intentions to incite war force her to flee from his grasp. She escapes across enemy lines into the kingdom of Theoria, but her plans to hide are thwarted when she is captured and placed in the young king's

servitude. Tarik has just taken over rulership of Theoria, and must now face a new plague sweeping through his kingdom and killing his citizens. The last thing he needs is a troublesome servant vying for his attention. But mistress Sepora will not be ignored. When the two finally meet face-to-face, they form an unlikely bond that complicates life in ways neither of them could have imagined. Sepora's gift could save Tarik's kingdom from the Quiet Plague. But should she trust her growing feelings for her nemesis, or should she hide her gifts at all costs? A thrilling futuristic fantasy in which the fate of the world's energy source is in the hands of a prince and princess who are rivals, by the New York Times-bestselling author of the Syrena Legacy.

The True Story of Aristotle Onassis, Jackie O, and the Love Triangle That Brought Down the Kennedys Penguin

"Spectacular and constantly surprising." -Ken Burns
Written with the authority of a scholar and the vigor of a bestselling narrative historian, *The War That Killed Achilles* is a superb and utterly timely presentation of one of the timeless stories of Western civilization. As she did in *The Endurance* and *The Bounty*, New York Times bestselling author Caroline Alexander has taken apart a narrative we think we know and put it back together in a way that lets us see its true power. In the process, she reveals the intended theme of Homer's masterwork—the tragic lessons of war and its enduring devastation.

Nemesis and the Swan Random House

"A totally new and original work that stretches his talents to their fullest . . . welcome back, champ!" —The Detroit News
In the twenty-third century pioneers have escaped the crowded earth for life in self-sustaining orbital colonies. One of the colonies, Rotor, has broken away

from the solar system to create its own renegade utopia around an unknown red star two light-years from Earth: a star named Nemesis. Now a fifteen-year-old Rotorian girl has learned of the dire threat that Nemesis poses to Earth's people—but she is prevented from warning them. Soon she will realize that Nemesis endangers Rotor as well. And so it will be up to her alone to save both Earth and Rotor as—drawn inexorably by Nemesis, the death star—they hurtle toward certain disaster.

A former SAS sergeant reveals the devastating and extraordinary details of the most horrifying assignment ever undertaken by the regiment.

Nemesis Penguin

One day in March, 1921, a young man burst into Hardenberg Street, Berlin, trailing a neighborhood resident who was out for a stroll. Minutes later, he struck down his target with a bullet through the head. At his trial, the young Armenian, Soghomon Tehlirian, acknowledged the killing but claimed he was no murderer. It was the victim, Talaat Pasha, who had orchestrated the massacre of Tehlirian's family and people. Decades afterwards, the

archives of the Zoryan Institute and the Armenian Revolutionary Federation (Tashnagtsutiun) would reveal the true story of this special mission (hadooog kordz in Armenian), code-named "Nemesis" for the goddess of righteous vengeance.

A Marcus Didius Falco Novel Kings Road Publishing

From her prison cell in revolutionary Paris, nineteen-year-old aristocrat H el ene d'Aubign recalls the events that led her to choose between following in her parents' unforgivable footsteps or abandoning the man she loves. Despite her world of privilege, H el ene is inspired early on by the radical ideas of her progressive governess. Though her family tries to intervene, the seeds of revolution have already been planted in H el ene's heart, as are the seeds of love from an unlikely friendship with a young jeweler's apprentice. H el ene's determination to find true love is as revolutionary as her attempt to unravel the truth behind a concealed murder that tore her family apart. As violence erupts in Paris, H el ene is forced into hiding with her estranged family, where the tangled secrets of their past become entwined with her own. When she finally returns to the blood-stained streets of Paris, she finds everything--and everyone--very much changed. In a city where alliances shift overnight, no one knows whom to trust. Faced with looming war, the mystery of her family's past, and the man she loves near death, H el ene will soon find out if doing one wrong thing will make everything right, or if it will

simply push her closer to the guillotine.

The Assassination Plot that Avenged the Armenian Genocide

Harper Collins

Peter Evans's biography of Aristotle Onassis, Ari, met with great acclaim when it was published in 1986. Ari provided the world with an unprecedented glimpse of the Greek shipping magnate's orbit of dizzying wealth, twisted intrigues, and questionable mores. Not long after the book appeared, however, Onassis's daughter Christina and his longtime business partner Yannis Georgakis hinted to Evans that he had missed the "real story" -- one that proved Onassis's intrigues had deadly results. "I must begin," Georgakis said, "with the premise that, for Onassis, Bobby Kennedy was unfinished business from way back..." His

words launched Evans into the heart of a story that tightly bound Onassis not to Jackie's first husband, but to his ambitious younger brother Bobby. A bitter rivalry emerged between Bobby and Ari long before Onassis and Jackie had even met. Nemesis reveals the tangled thread of events that linked two of the world's most powerful men in their intense hatred for one another and uncovers the surprising role played by the woman they both loved. Their power struggle unfolds against a heady backdrop of international intrigue: Bobby Kennedy's discovery of the Greek shipping magnate's shady dealings, which led him to bar Onassis from trade with the United States; Onassis's attempt to control much of Saudi Arabia's oil; Onassis's untimely love affair with Jackie's married sister Lee Radziwill; and his bold invitation to First Lady Jackie to join him on his yacht -- without the president. Just as the self-made Greek tycoon gloried in the chance to stir the wrath of the Kennedys, they struggled unsuccessfully to break his spell over the woman who held the key to all of their futures. After Jack's death, Bobby became ever closer to Camelot's holy widow, and fought to keep her from marrying his sworn rival. But Onassis rarely failed to get what he wanted, and Jackie became his wife shortly after Bobby was killed. Through extensive interviews with the closest friends, lovers, and relatives of Onassis and the Kennedys, longtime journalist Evans has uncovered the shocking culmination of the Kennedy-Onassis-Kennedy love triangle: Aristotle Onassis was at the heart of the plot to kill Bobby Kennedy. Meticulously tracing Onassis's connections in the world of terrorism, Nemesis presents compelling evidence that he financed the assassination -- including a startling confession that has gone unreported for nearly three decades. Along the way, this groundbreaking work also daringly paints these international icons in all of their true colors. From Evans's deeply nuanced portraits of the charismatic Greek shipping magnate and his acquisitive iconic bride to his probing and revelatory look into the events that shaped an era, Nemesis is a work that will not be soon forgotten.

Nemesis The True Story of Aristotle Onassis, Jackie O, and the Love Triangle That Brought Down the

Kennedys Harper Collins

A Harry Hole Novel

Harper Collins

"Onassis, as he emerges from these pages, is superb... Onassis was a phenomenon in our time, combining money, power, intelligence, a zest for humanity, and, I suspect, a deep-seated humanity... Onassis was, above all, a man... Brady provides many insights into the attitudes of the man." The New York Times Book Review "Onassis was a hard-driving ambitious man who went after whatever he wanted and usually succeeded... He was a shrewd businessman who knew how to charm people, how to entertain them, how to sweep them off

their feet and into his corner...Brady is to be commended for coming up with such a probing study." West Coast Review of Books "A life that so excels most fiction...For Onassis's lifestyle, Brady's is the better source." The Washington Post "For the people yearning to read about the feud with shipping magnate Stavros Niarchos, the affair with diva Maria Callas, the marriage to Jackie Kennedy, the friendship with Winston Churchill, and the quarrel with Grace Kelly and Prince Rainier." Publishers Weekly "Glamorous ... more like a novel than a biography ... illuminates the paradoxes in Onassis' life." Newsday "A fast-moving biography of a robust, colorful life ... detailing the Greek's penchant for beautiful women ... An unblinking appraisal of a power-wielder and his vulnerabilities." Booklist "Brady concentrates on the women in Onassis' life, from the extraordinary Ingebord Dedichen who served as Onassis' early mentor ... to Jacqueline Kennedy." The New York Times "Laughing and conniving and handing out diamond necklaces, the man had something life-giving ..." Chicago Daily News

Prometheus Books

'I salute Paul Bruce. His decision to reveal the brutal

truth is the act of a truly brave man.' - Captain Fred J. Holyrod, former MI6 Officer, Northern Ireland

Paul Bruce was a tough, idealistic young trooper in the SAS when he was dispatched to Northern Ireland. His top-secret mission: to execute IRA suspects in cold blood. Bruce and three SAS comrades shot down one terrified victim after another, leaving the bodies to be buried in deep, unmarked woodland graves. The soldiers grew their hair long and drove ordinary looking cars. But they always carried pistols and sub-machine guns. In this historic book the author produces maps to show where his victims lie secretly buried. He also chronicles the mental breakdown of crack SAS troops, ordered to carry out the dirtiest job in a secret war. 'A tale of mass murder and random street assassinations that would strain credibility in a South American dictatorship!' - Sunday Times 'A fascinating, hugely readable story!' - Daily Mirror 'A startling confession!' - Daily Mail

Red Queen meets The Hunger Games in this epic novel about what happens when the galaxy's most deadly weapon masquerades as a senator's daughter and a hostage

of the galactic court. A Diabolic is ruthless. A Diabolic is powerful. A Diabolic has a single task: Kill in order to protect the person you've been created for. Nemesis is a Diabolic, a humanoid teenager created to protect a galactic senator's daughter, Sidonia. The two have grown up side by side, but are in no way sisters. Nemesis is expected to give her life for Sidonia, and she would do so gladly. She would also take as many lives as necessary to keep Sidonia safe. When the power-mad Emperor learns Sidonia's father is participating in a rebellion, he summons Sidonia to the Galactic court. She is to serve as a hostage. Now, there is only one way for Nemesis to protect Sidonia. She must become her. Nemesis travels to the court disguised as Sidonia—a killing machine masquerading in a world of corrupt politicians and two-faced senators' children. It's a nest of vipers with threats on every side, but Nemesis must keep her true abilities a secret or risk everything. As the Empire begins to fracture and rebellion looms closer, Nemesis learns there is something more to her than just deadly force. She finds a humanity truer than what she encounters from most humans. Amidst all the danger, action, and intrigue, her humanity just might be the thing that saves her life—and the empire.

"Fire Lake's sophomore class must work together or die alone in a new era of planet Earth inhabited by otherworldly dangers and challenges"--

Red Nemesis Valley Publishing Limited

This novel depicts a

futuristic society in the year 2040, containing a variety of complex characters of humans, Reptilians, and hybrid breeds. In this fictional world-building spanning across countries, the manuscript effectively integrates a sense of impending doom within the dystopia. Filled with imagination and creativity of what is beyond reach, this book sets out to achieve the daunting task of envisioning humanity and interspecies relationships through a new light. Covering topics of queerness, fatherhood, parenting, and sci-fi fantasy, it plunges into the depths of multifaceted aspects. As a whole, the book develops crucial topics for thought and contemplation, ranging from sexuality to human suffering and power.

Operation Nemesis Vintage

Noah heard the woman's cry for help through Levi's phone, and he was already in the car and moving before anyone could stop him. He hated for any woman to be in distress, and this one sounded devastated. Having helped her once, he was determined to keep her safe, while the team tracked down her attacker. Dianne was looking forward to her upcoming weekend seminar and even more to the few days with her friend, Ice, at the compound. Dianne wanted to talk over a business idea

she was ready to put into place. Being attacked wasn't part of the plan. Neither was Noah. Still she was happy to have him as a babysitter, given the circumstances. Only someone has a grudge against Levi and sees Dianne as a way to get back at him.

Monsters of Weimar Minotaur Books
Roth's "Nemesis" is the story of a wartime polio epidemic in the summer of 1944 and the effect it has on a closely knit, family-oriented Newark community and its children.

Harvard University Press

In the heart-pounding conclusion to the New York Times bestselling Diabolic series, the Empire teeters on the edge of destruction as rumors spread that Nemesis is still alive. Three years ago, Tyrus Domitrian shocked the galaxy by killing the woman he swore to love forever. The woman for whom he upended the Empire. The woman with whom he wanted to build a new and brighter future. Now, the once-idealistic heir apparent has become the cruel Emperor Tyrus, wielding his authority with an iron fist, capable of destroying planets with a single word, controlling all technology with a simple thought. He has bent the Grandiloquy to their knees, and none has the power to stand against him. But there is a muttering among the Excess. They say that Nemesis is not truly gone. They whisper of her shadow spotted in distant star systems. They say that Nemesis lives. That she will rise, and rally the people to topple the man who was once her truest love—and is now her fiercest enemy.
