Tom Clancy's Net Force 6 - 10 Penguin The cutting-edge Net Force thriller series, created by Tom Clancy and Steve Pieczenik and written by Jerome Preisler, reveals the invisible battlefield where the war for global dominance is fought. The president ' s new

cybersecurity team, Net Force, is up and running. But a political deadlock in Washington makes the young agency dangerously vulnerable to the criminals, terror groups and hostile governments who would use the digital space to advance their destructive goals. In Central Europe, an unknown enemy mounts a crippling high-tech assault against the organization ' s military threat-response unit on its home base. The strike casts suspicion on a core

member of Net Force, threatening to destroy the cyber defense group from within. But as they race to track down their attackers, the stakes are suddenly ratcheted higher. For a global syndicate of black hat hackers and a newly belligerent Russia are hatching a mysterious, shadowy scheme for world domination from a place known only as the Secret City.
