Only an idiot would use Network Solutions e-mail. I am an ...

I ran my own mail server for many years until the end of 1999 when we moved out to the Wine Country boonies where the only broadband service back then was by satellite. I couldn ' t run my own server but still wanted a cringely.com address so I fell back on what seemed to be the simplest alternative, which was e-mail through my domain registrar, Network Solutions. What a mistake. We all have ...
