Neurologyjournalfree

Neurologyjournalfree The most widely read and highly cited peer-reviewed neurology journal

Archive of "The Open Neurology Journal". The Lancet is the world's leading independent general

medical journal. The journal's coverage is international in focus and extends to all aspects of human health.

Annals of Neurology Journal - Free download and software ...

The prevalence of inflammatory bowel disease

(IBD) is increasing worldwide. In Asia,

urbanisation and industrialisation, and

accompanying lifestyle changes, have led to

increasing prevalence of IBD in the region, with

the burden of disease projected to overtake that of high-income countries in the near future.
