Doch dann wird jemand auf Ruth aufmerksam, der ihr Leben f ü r immer ver ä ndern wird ... Zwei aufregende neue Geschichten aus der faszinierenden Welt von » Neva « !

Half Lives Harper Collins

A groundbreaking look at marriage, one of the most basic and universal of all human institutions, which reveals the emotional, physical, economic, and sexual benefits that marriage brings to individuals and society as a

whole. The Case for Marriage is a critically important intervention in the national debate about the future of family. Based on the authoritative research of family sociologist Linda J. Waite, journalist Maggie Gallagher, and a number of other scholars, this book's findings dramatically contradict the anti-marriage myths that have become the common sense of most Americans. Today a broad consensus holds that marriage is a bad deal for women, that divorce is better for children when parents are unhappy, and that marriage is essentially a private choice, not a public institution. Waite and Gallagher flatly contradict these assumptions, arguing instead that by a broad range of indices, marriage is actually better for you than being single or divorced— physically, materially, and spiritually. They contend that married people live longer, have better health, earn more money, accumulate more wealth, feel more fulfillment in their lives, enjoy more satisfying sexual relationships, and have happier and more successful children than those who remain single, cohabit, or get divorced. The Case for Marriage combines clearheaded analysis, penetrating cultural criticism, and practical advice for strengthening the institution of

marriage, and provides clear, essential guidelines for reestablishing marriage as the foundation for a healthy and happy society. "A compelling defense of a sacred union. The Case for Marriage is well written and well argued, empirically rigorous and learned, practical and commonsensical." -- William J. Bennett, author of *The Book of Virtues* "Makes the absolutely critical point that marriage has been misrepresented and misunderstood." -- The Wall Street Journal www.broadwaybooks.com

The Next Mormons DIANE Publishing
Sara Rosario Gonz á les is a restorer of rare books and manuscripts at the Getty Museum in Los Angeles. When Sara restores a sixteenth-century manuscript about an Aztec princess enslaved by Cort é s and sent to Europe to entertain the pope and Emperor Charles V, she doesn't realize the power of the tale she's about to immerse herself into. The princess, we find, is determined to avenge the slaughter of her people, and Sara is determined to prove that the book, which caused scandal when first published, was written by the Aztec princess herself, and not the European monk reputed to have penned it. Entwined within Sara's fascination of the manuscript is Sara's own life: the frustration over her inability to commit to Karl, the man who has loved her since high school; the haunting wisdom of her departed mother; and the stability of a father who sees the world in a way Sara does not, both pragmatically and unyieldingly. *The Conquest* is a beautifully written novel that offers both hope that true love does exist and that history, in all its complexity, is what drives us all toward tomorrow.

The Practice of the Wild John Wiley & Sons

The bestselling workbook and grammar guide, revised and updated! Hailed as one

of the best books around for teaching grammar, *The Blue Book of Grammar and Punctuation* includes easy-to-understand rules, abundant examples, dozens of reproducible quizzes, and pre- and post-tests to help teach grammar to middle and high schoolers, college students, ESL students, homeschoolers, and more. If you've suffered from setbacks or trauma in life, discover a path forward by learning to embrace the power of nature and the beauty in your experiences and pains. As a young, single mother, Sara Schulting Kranz discovered her path to forgiveness and healing from the scars of sexual abuse and the trauma of an unexpected divorce started with a daily practice of actively embracing the power and beauty of nature. Along the way, Sara learned a

key lesson that to heal from anything you must walk through it on your own terms. In this book, life coach and certified wilderness guide Sara shares a step-by-step handbook that shows you how to reconnect with nature--wherever you may be--and begin your healing journey. In *Walk Through This*, you'll be equipped with tools to use along the way, such as: Foundational information about nature deficit disorder and the negative impact it has on our minds and bodies Exercise prompts to help you evaluate where you are on the path and check your progress along the way Meditations to guide you deeper into the process Practical steps to guide you to forgiveness To heal from anything, you have to feel everything. You must walk through your experiences and your pains, and you have to embrace everything around you that got you to where you are at this moment. Everyone has the capacity to forgive and to heal. All you need to do is take that first step.

Where the Light Enters Rowman & Littlefield

Plague, Michael Grant's fourth book in the bestselling *Gone* series, will satisfy dystopian fans of all ages. It's been eight months since all the adults disappeared. *Gone*. They've survived hunger. They've survived lies. But the stakes keep rising, and the dystopian horror keeps building. Yet despite the simmering unrest left behind by so many battles, power struggles, and angry divides, there is a momentary calm in *Perdido Beach*. But enemies in the *FAYZ* don't just fade away, and in the quiet, deadly things are stirring, mutating, and finding their way free. The Darkness has found its way into the mind of its Nemesis at last and is controlling it through a haze of delirium and confusion. A highly contagious, fatal illness spreads at an alarming rate. Sinister, predatory insects terrorize *Perdido Beach*. And Sam, Astrid, Diana, and Caine are plagued by a growing doubt that they'll escape—or even survive—life in the *FAYZ*. With so much turmoil surrounding them, what desperate choices will they make when it comes to saving themselves and those they love? "Grant's sf-fantasy thrillers continue to be the very definition of a page-turner." —ALA Booklist

After surviving a kidnapping

attempt in the Maldives, Chase and Mackenzie are off to the Ice Hotel in Iceland! What could go wrong there? But as soon as they arrive, accidents start to occur that seem targeted to scare - or worse, seriously hurt - the guests. When a body shows up frozen in an ice bed, it's up to the two girls to figure out who is behind the attacks ... before anyone else gets hurt!

Born to Rewild Univ of South Carolina Press

In 1883 she produced her autobiography - the first written by a Native American woman. Using private contributions, she returned to Nevada and founded a Native school whose educational practices and standards were far ahead of its time. [This book is] composed not only of public challenges and accomplishments but also of private struggles, joys, and ambitions. Unforgettable glimpses of her personality and private life leap from these pages: her notorious sharp tongue and wit, her love of performance, her place in a legendary family of Paiute leaders, her long string of failed relationships, and, at the end, possible poisoning by a romantic rival."--BOOK JACKET.

On Our Way Home from the Revolution Imagine and Wonder
Vor langer Zeit wurde Heimatland durch eine mächtige Energiekuppel von der Außenwelt abgeschottet. Die Regierung beteuert, dass dies zum Schutz der Bürger geschah. Sie weiß, was richtig für die Menschen ist - und erstickt jede Kritik

im Keim. Als Tochter eines Ministers hat Neva bisher ein privilegiertes Leben geführt. Doch nun wird sie 16 und damit volljährig. Die Regierung erwartet von ihr, schnell Kinder zu bekommen, denn Heimatland braucht neue Bürger. Zum ersten Mal ist Neva nicht bereit, widerstandslos zu tun, was man von ihr verlangt. Gemeinsam mit ihrer Freundin Sanna beschließt sie, sich zu wehren. Doch dabei verliebt sich Neva nicht nur in den einen Jungen, der für sie tabu sein muss, sondern bringt sich in tödliche Gefahr: Denn was als harmloser Protest beginnt, wird schnell zu etwas viel Größerem - und Heimatland kennt keine Gnade. Neva von Sara Grant: Spannung pur im eBook!

The Prophet's Wife Oxford University Press

Stories from the Anne Grimes Collection of American Folk Music is a treasury of American traditional music and Ohio's folklife heritage. Traveling along the highways and byways of Ohio in the 1950s as a folksinger and collector of traditional music, Anne Grimes encountered people from many different backgrounds who opened up their homes to her to share their most precious family heirlooms--their songs. She recorded these treasures for posterity and further preserved them through her lectures and recitals. After years of performance and research on her material, Anne Grimes decided to write about

it all. This beautiful book presents her lively portraits of the major contributors with photographs taken by her husband, James W. Grimes; lyrics and extensive notes on the songs; and a CD sampler that includes performances by her contributors, most of whom had not been previously recorded. It also contains selections from Bob Gibson, Carl Sandburg, Pete Seeger, Jenny Wells Vincent, as well as Grimes herself. The Anne Grimes Collection is preserved in the Library of Congress. Besides songs, Anne Grimes also collected dulcimers, and portraits of these folk instruments and their players--including Anne Grimes herself--are featured throughout the book and on the CD. Photographs include some of the forty-two rare vintage dulcimers and other instruments collected by Anne Grimes that are now preserved at the National Museum of American History at the Smithsonian Institution. Songs and Dulcimer Playing CD Selections from the Anne Grimes Collection: Reuben Allen, Bertha Bacon, Sarah Basham/Bertha Basham Wright, Henry Lawrence Beecher, John Bodiker, Dolleah Church, Walter W. Dixon, Ken Ward, Blanche Wilson Fullen, Bob Gibson, Brodie F. Halley, Perry Harper, Anne Grimes, Donald Langstaff, Bascom Lamar Lunsford, W.E. Lunsford, Jane Jones McNerlin, May Kennedy McCord, Jenny Wells Vincent, Pete Seeger, Neva Randolph, Babe Reno/Arbannah Reno, Branch Rickey, Carl Sandburg, Bessie Weinrich, Faye Wemmer, Okey Wood

I've lit a fuse and I'm waiting for the explosion. All her life, sixteen-year-old Neva has lived in Homeland, completely cut off from the rest of the world. All her life, she has been told everything beyond is an unlivable wasteland. All this time, the government has fed her nothing but lies. Now, Neva keeps a tattered notebook under her mattress and fills it with the names of The Missing, those who have vanished with no explanation. Now, she and her best friend, Sanna, plan a secret Dark Party to recruit members for their underground rebellion. The group begins to uncover horrifying truths. But can Neva break through the secrecy that has shrouded her whole life? Or will she and her friends become part of The Missing?

The Case for Marriage Macmillan

A collection of captivatingly meditative essays that display a deep understanding of Buddhist belief, wildness, wildlife, and the world from an American cultural force. With thoughts ranging from political and spiritual matters to those regarding the environment and the art of becoming native to

this continent, the nine essays in *The Practice of the Wild* display the deep understanding and wide erudition of Gary Snyder. These essays, first published in 1990, stand as the mature centerpiece of Snyder's work and thought, and this profound collection is widely accepted as one of the central texts on wilderness and the interaction of nature and culture.

Plague Scholastic Inc.

Central to Their Lives

Penguin

I've learned that surviving isn't all it's cracked up to be. NOW: Icie's parents gave

her \$10,000 in cash, a map of a top-secret bunker, and instructions to get there by any means necessary. They have news of an imminent viral attack and know that the bunker is Icie's only hope for survival. She and three other teens live locked away for months, not knowing what's happening in the outside world or who has survived. Then one day, Icie discovers a shocking secret deep in the bunker. Are they really safe there after all? THEN: Generations in the future, the world has changed, and a mysterious cult worships the very mountain where Icie's secret bunker was built. The people never leave the mountain, they're ruled by Beckett, a teenager...and they have surprising ties to Icie. Icie and Beckett must both fight to survive while protecting a secret that could destroy their civilizations. This high-stakes, original, and thought-provoking adventure follows two unlikely heroes, hundreds of years apart.

Stories from the Anne Grimes Collection of American Folk Music
Crown

Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and

advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. *Strengthening Forensic Science in the United States: A Path Forward* provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. *Strengthening Forensic Science in the United States* gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators. *Life Among the Piutes* Little, Brown Books for Young Readers An LA Times Best Book of the Year • A New York Times Editors' Pick • A Newsweek 25 Best Fall Books • A The Millions Most Anticipated Book of the Year "Gripping and beautiful. With the artistry of a poet and the intensity of a revolutionary, Lovato untangles the tightly knit skein of love and terror that connects El Salvador and the United States." –Barbara Ehrenreich, author of *Natural Causes* and *Nickel and Dime* An urgent, no-holds-barred tale of gang life, guerrilla warfare, intergenerational trauma, and interconnected violence between the United States and El Salvador, Roberto Lovato's memoir excavates family history and reveals the intimate stories beneath headlines about gang violence and mass Central American migration, one of the most important, yet least-understood humanitarian crises of our time—and one in which the perspectives of Central Americans in the United States have been silenced and forgotten. The child of Salvadoran immigrants, Roberto Lovato grew up in 1970s and 80s San Francisco as MS-13 and other notorious Salvadoran gangs were forming in California. In his teens, he lost friends to the escalating violence, and survived acts of brutality himself. He eventually traded the violence of the streets for human rights advocacy in wartime El Salvador where he joined the guerilla movement against the U.S.-backed, fascist military government responsible for some of the most barbaric massacres and crimes against humanity in recent history. Roberto returned from war-torn El Salvador to find the United States on the verge of unprecedented crises of its own. There, he channeled his own pain into activism and journalism, focusing his attention on how trauma affects individual lives and societies, and began the difficult journey of confronting the roots of his own

trauma. As a child, Roberto endured a tumultuous relationship with his father Ramón. Raised in extreme poverty in the countryside of El Salvador during one of the most violent periods of its history, Ramón learned to survive by straddling intersecting underworlds of family secrets, traumatic silences, and dealing in black-market goods and guns. The repression of the violence in his life took its toll, however. Ramón was plagued with silences and fits of anger that had a profound impact on his youngest son, and which Roberto attributes as a source of constant reckoning with the violence and rebellion in his own life. In *Unforgetting*, Roberto interweaves his father's complicated history and his own with first-hand reportage on gang life, state violence, and the heart of the immigration crisis in both El Salvador and the United States. In doing so he makes the political personal, revealing the cyclical ways violence operates in our homes and our societies, as well as the ways hope and tenderness can rise up out of the darkness if we are courageous enough to unforget. *The Pony Express* Ohio Univ Ctr for International Studies

When Manda Kalimian began her mission to help America's wild horses—through rewilding—to regain their rightful place as a native species of the open plains, little did she know the challenges ahead would redefine everything she understood about who she thought she was. Born to *Rewild* follows Manda as she joins the struggle to rescue wild horses from a program fraught with bureaucracy, controversy, and the potential to erase the legacy of these beautiful creatures from land that depends on their very existence. With this journey, Manda joins forces with new friends in the Native American community—all dedicated to restoring the wild horse to its natural environment through the process of rewilding. Born to *Rewild: Triumphs of a Now Fearless Woman* is an inspirational and passionate story of one woman's dedication to conservation and the rewilding of America's truly native wild horses.

The Bridge Kingdom Georgetown University Press

Fourteen year old Chase is pretty sure that visiting her grandmother is going to be the most boring holiday ever, even if they are going to a tropical island. But Chase doesn't know that the island is about to come under attack. Soon Chase will be trying to save the entire island in the most exciting (and most dangerous!) holiday of her life.

Wanderlust Harper Collins

In the tradition of Don Brown's critically acclaimed, full-color nonfiction graphic novels *The Great American Dust Bowl* and Sibert Honor winning *Drowned City*, *The Unwanted* is an important, timely, and eye-opening exploration of the ongoing Syrian refugee crisis, exposing the harsh realities of living in, and trying to escape, a war zone. Starting in

2011, refugees flood out of war-torn Syria in Exodus-like proportions. The surprising flood of victims overwhelms neighboring countries, and chaos follows. Resentment in host nations heightens as disruption and the cost of aid grows. By 2017, many want to turn their backs on the victims. The refugees are the unwanted. Don Brown depicts moments of both heartbreaking horror and hope in the ongoing Syrian refugee crisis. Shining a light on the stories of the survivors, *The Unwanted* is a testament to the courage and resilience of the refugees and a call to action for all those who read.
