The Wishing Trees Dark Parties

A groundbreaking look at marriage, one of the most basic and universal of all human institutions, which reveals the emotional, physical, economic, and sexual benefits that marriage brings to individuals and society

as a whole. *The Case for Marriage* is a critically important intervention in the national debate about the future of family. Based on the authoritative research of family sociologist Linda J. Waite, journalist Maggie Gallagher, and a number of other scholars, this book's findings dramatically contradict the anti-marriage myths that have become the common sense of most Americans. Today a broad consensus holds that marriage is a bad deal for women, that divorce is better for children when parents are unhappy, and that marriage is essentially a private choice, not a public institution. Waite and Gallagher flatly contradict these assumptions, arguing instead that by a broad range of indices, marriage is actually better for you than being single or divorced—physically, materially, and spiritually. They contend that married people live longer, have better health, earn more money, accumulate more wealth, feel more fulfillment in their lives, enjoy more satisfying sexual relationships, and have happier and more successful children than those who remain single, cohabit, or get divorced. *The Case for Marriage* combines clearheaded analysis, penetrating cultural criticism, and practical advice for strengthening the institution of marriage, and provides clear, essential guidelines for reestablishing marriage as the foundation for a healthy and happy society. "A compelling defense of a sacred union. *The Case for Marriage* is well written and well argued, empirically rigorous and learned, practical and commonsensical." -- William J. Bennett, author of *The Book of Virtues*

"Makes the absolutely critical point that marriage has been misrepresented and misunderstood." -- *The Wall Street Journal* www.broadwaybooks.com

"You're Ellie Spencer." I opened my mouth, just as he added, "And your eyes are opening." Seventeen-year-old Ellie Spencer is just like any other teenager at her boarding school. She hangs out with her best friend Kevin, she obsesses over Mark, a cute and mysterious bad boy, and her biggest worry is her paper deadline. But then everything changes. The news headlines are all abuzz about a local string of serial killings that all share the same morbid trademark: the victims were discovered with their eyes missing. Then a beautiful yet eerie woman enters Ellie's circle of friends and develops an unhealthy fascination with Kevin, and a crazed old man grabs Ellie in a public square and shoves a tattered Bible into her hands, exclaiming, "You need it. It will save your soul." Soon, Ellie finds herself plunged into a haunting world of vengeful fairies, Maori mythology, romance, betrayal, and an epic battle for immortality.

One of *The Economist's* 2011 Books of the Year **THE TRUE BUT UNLIKELY STORIES OF LIVES DEVOTED—ABSURDLY! MELANCHOLICALLY! BEAUTIFULLY!—TO THE RUSSIAN CLASSICS** No one who read Elif Batuman's first article (in the journal *n+1*) will ever forget it. "Babel in California" told the true story of various human destinies intersecting at Stanford University during a conference about the enigmatic writer Isaac Babel. Over the course of several pages, Batuman managed to misplace Babel's last living relatives at the San Francisco airport,

uncover Babel's secret influence on the making of King Kong, and introduce her readers to a new voice that was unpredictable, comic, humane, ironic, charming, poignant, and completely, unpretentiously full of love for literature. Batuman's subsequent pieces—for *The New Yorker*, *Harper's Magazine*, and the *London Review of Books*—have made her one of the most sought-after and admired writers of her generation, and its best traveling companion. In *The Possessed* we watch her investigate a possible murder at Tolstoy's ancestral estate. We go with her to Stanford, Switzerland, and St. Petersburg; retrace Pushkin's wanderings in the Caucasus; learn why Old Uzbek has one hundred different words for crying; and see an eighteenth-century ice palace reconstructed on the Neva. Love and the novel, the individual in history, the existential plight of the graduate student: all find their place in *The Possessed*. Literally and metaphorically following the footsteps of her favorite authors, Batuman searches for the answers to the big questions in the details of lived experience, combining fresh readings of the great Russians, from Pushkin to Platonov, with the sad and funny stories of the lives they continue to influence—including her own.

A *New York Times* bestseller and Oprah Book Club 2.0 selection, the epic, unforgettable story of a man determined to protect the woman he loves from the town desperate to destroy her. This beautiful and devastating debut heralds the arrival of a major new voice in fiction. Ephram Jennings has never forgotten the beautiful girl with the long braids running through the piney woods of Liberty, their small East Texas town. Young Ruby Bell, "the kind of pretty it hurt to look at," has suffered beyond imagining, so as soon as she can, she flees suffocating Liberty for the bright pull of 1950s New York. Ruby quickly winds her way into the ripe center of the city—the darkened piano bars and hidden alleyways of the Village—all the while hoping for a glimpse of the red hair and green eyes of her mother. When a telegram from her cousin forces her to return home, thirty-year-old Ruby finds herself reliving the devastating violence of her girlhood. With the terrifying realization that she might not be strong enough to fight her way back out again, Ruby struggles to survive her memories of the town's dark past. Meanwhile, Ephram must choose between loyalty to the sister who raised him and the chance for a life with the woman he has loved since he was a boy. Full of life, exquisitely written, and suffused with the pastoral beauty of the rural South, Ruby is a transcendent novel of passion and courage. This wondrous page-turner rushes through the red dust and gossip of Main Street, to the pit fire where men swill bootleg outside Bloom's Juke, to Celia Jennings's kitchen, where a cake is being made, yolk by yolk, that Ephram will use to try to begin again with Ruby. Utterly transfixing, with unforgettable characters, riveting suspense, and breathtaking, luminous prose, Ruby offers an unflinching portrait of man's dark acts and the promise of the redemptive power of love. Ruby was a finalist for the PEN America Robert Bingham Debut Novel Award, a Barnes & Noble Discover Great New Writers selection, and an Indie Next Pick.
