A terrible virus has wiped out much of the human population and Scotland is now a wasteland, overrun by wild dogs. Toby's little sister Sylvie is dangerously ill and his family set out in a boat along the Aberdeenshire coast in desperate search of medicine. On their journey they battle for food and fuel, try to outwit lawless pirates and struggle to stay one step ahead of the ever-more powerful dogs and their mighty leader Cerberus. But will they find a cure for Sylvie before it's too late?

Inside Grandad Lulu Press, Inc.

The final eventful years of one of history's great leaders are brought to life in the concluding volume of this acclaimed biographical masterpiece. The final volume of Churchill's official biography begins with the defeat of Germany in 1945 to his death nearly twenty years later. It sees him first at the pinnacle of his power, leader of a victorious Britain. In July 1945 at Potsdam, Churchill, Stalin, and Truman aimed to shape postwar Europe. But while still grappling with world issues Churchill returned to Britain for the general election results and was thrown out of office. For six years Churchill worked to restore the fortunes of Britain's Conservative Party, while at the same time warning the world of Communist ambitions, urging the reconciliation of France and Germany, pioneering the concept of a united Europe, and seeking to maintain the closest possible links between Britain and the United States. His aim throughout was to achieve not confrontation with the Soviet Union but conciliation based firmly upon Western strength and unity. In October 1951 Churchill became prime minister for the second time. The Great Powers were at peace but under the shadow of a fearful new weapon, the hydrogen bomb. Hoping, after the election of Eisenhower in 1952 and the death of Stalin in 1953, for a fresh start in East-West relations, Churchill worked for a new summit conference; but in April 1955 ill health and pressure from colleagues forced him to resign. In retirement Churchill traveled widely; took up painting again; completed the four-volume *History of the English-Speaking Peoples*; and watched as world conflicts continued, still convinced that they could be resolved by statesmanship. "Never despair" remained his watchword, and his faith, until the end. That end came slowly; for those nearest to him it was a sad decline. Yet almost to his ninetieth year he was able to follow events with hope and faith in the ability of man to survive his own folly. "A milestone, a monument, a magisterial achievement . . . rightly regarded as the most comprehensive life ever written of any age." —Andrew Roberts, historian and author of *The Storm of War* "The most scholarly study of Churchill in war and peace ever written." —Herbert Mitgang, *The New York Times*

*Never Go Back Yearling*

At thirty-nine, Nancy Kissel had it all: glamour, wealth and the royal lifestyle of the expatriate wife. Not to mention three young children and what a friend described as "the best marriage in the universe" to Robert Kissel, a hugely successful investment banker. But that marriage ended abruptly one November night in 2003 in the bedroom of their luxury apartment high above Hong Kong's glittering Victoria Harbour. Hong Kong prosecutors, who charged Nancy with murder, said she wanted to inherit Robert's millions and start a new life with her lover. She said she'd killed her husband in self-defence while fighting for her life against a brutal, cocaine-addicted husband. Her trial in 2005 captured attention worldwide, and less than a year after the verdict Rob's brother Andrew, a real estate tycoon facing prison for fraud and embezzlement was also found dead - tied up and stabbed in the basement of his multi-million dollar home by person or persons unknown. *Never Enough* is the harrowing true story of Robert and Andrew Kissel, who wanted to own the world but instead wound up murdered half a world apart; and of Nancy Kissel, a riddle wrapped inside an enigma, for whom having it all might not have been enough.

*Pocket-Sized Prince* Floris Books

Friends since childhood, and lovers and business partners as adults, Niamh and Ruairidh are owners of a small Hebridean company, Ranish Tweed, that weaves its own very special version of Harris Tweed. Although it's a small company, their fabrics have become internationally sought-after as a niche brand in the world of fashion and haute couture. But the threads of their relationship are beginning to fray. As they prepare for an important showing at the *Première Vision* fabric fair, held in Paris every year, Niamh accuses Ruairidh of having an affair with Irina, a Russian fashion designer they work with--a fight that ends with Ruairidh storming off and getting into Irina's car. Moments later, Niamh watches in horror as the car containing her life partner explodes in a ball of flame.

The Best of James Herriot Floris Books

An unusual and moving story about the magical bond between a boy and his grandfather. Does it just happen that Gavin and Grandad see the seal while they are fishing in the harbor? Just happen that Grandad talks about the selkies, the seal people who can leave the water and take human form? Just happen that Grandad is finishing the beautiful miniature boat he's making for Gavin's tenth birthday, and Gavin decides to call her Selkie? And at that moment, Grandad has his stroke. Could the selkies have something to do with all this? Day after day at the hospital, Gavin tries to get through to helpless and speechless Grandad, trying to reach him, explain what's happened to him. Everyone else has given up. But Gavin will try anything. Even asking the selkies to help. To do that, he must give them something to show them how much it matters. What is the dearest thing he owns?

[*Siren Classic ManLove: Erotic Romance, Alternative, Paranormal, Shape-shifters, MM, HEA*] In *Pocket-Sized Prince*, Iben Khenti knew he was an alpha by the time he learned to walk. Unfortunately, due to his small size, no one ever takes him seriously until it is too late. Having lived over two hundred years with a wolf that refuses to accept anyone that Iben is interested in makes for a very lonely life, and one that is quickly coming to an end. Iben is losing control of his wolf, and if that happens, the bloodshed will be unimaginable. Iben needs someone to counter his feral nature. He just never expected to find it in the omega of his new pack. When Zack Evens is sent to welcome the new alpha into pack lands, he could think of a million other places he would rather be. When Iben steps down from the plane, Zack is positive that there has to be a mistake. He is all of five feet seven and a hundred and thirty-five pounds.

When Iben shows interest in him, Zack is positive that the alpha is just like the one that had abused him. He can't help but show every bit of disdain he feels for Iben, putting them both in a dangerous situation that could cost them not only the pack but their very lives. In Julian's *Happy Place*, Djal was just trying to do his duty as beta of his pack when he made one small mistake, and now he has a pack member chasing after him, intent on mating him. If Djal doesn't figure out how to stop Julian's obsession with him, he just might strangle the man. Julian has lived through hell, more so than most people know. When freedom comes, Julian is still faced with people out to harm him. The mere sight of the big, strong beta makes Julian feel safer. One night spent together convinces Julian that Djal would be the perfect mate. He just has to catch Djal first. When Djal discovers that someone is abusing Julian, the protective streak he tried so hard to control breaks free. It goes way beyond what Djal knows he should feel for a mere pack member, and only by giving in to Julian can Djal come to terms with the need growing inside of him. But before Djal can save Julian, he has to figure out who is after him, and Julian isn't talking. Stormy Glenn is a Siren-exclusive author.

2 Books in 1 McFarland

Al Simmons, at top form in the Roaring Twenties, sparked one of baseball's greatest dynasties, the Philadelphia Athletics, to multiple championships, before becoming just another ballplayer. While his achievements demonstrated greatness, he was not an easy man to like—for those competing against him or with him—and he seemed to play to the level of team expectation. Contemporary accounts and other recollections give us a sense of Al Simmons the person and the ballplayer, his connections to people, his teams and his ability to capture the fans' imagination in his halcyon days.

Anvil McFarland

Until recently Scotland's international film stars could be summed up in two words—Sean Connery. That was before Trainspotting. It turned Ewan McGregor into an icon and kick-started the careers of Robert Carlyle and Peter Mullan. And it transformed Kelly MacDonal from barmaid into screen sensation. But they were just the vanguard of a new phenomenon. Having conquered the British film industry, young Scots are taking Hollywood by storm. Angus MacFadyen followed his stint as Robert the Bruce in Braveheart with his take on Orson Welles in Cadle Will Rock and he co-stars in the Shakespearean epic Titus with fellow Scots Alan Cumming and Laura Fraser. John Hannah set the international box office alight with The Mummy, Craig Ferguson scored with The Big Tease and Dougray Scott made a name for himself in Ever After and Mission Impossible 2. In The Phantom Menace the goodie and the baddie are both Scots—with Ewan McGregor as the legendary Obi-Wan Kenobi and Ray Park as Darth Maul. And Ray Park co-stars with Dougray Scott in the superhero adventure X-Men. We have had the rat Pack, the Brat Pack. Now it is the turn of the Scot Pack.
