Thomas Middleton

(1580-1627) - 'our other Shakespeare' - is the only other Renaissance playwright who created lasting masterpieces of both comedy and tragedy; he also wrote the greatest box-office hit of early modern London (the unique history play *A Game at Chess*). His range extends beyond these traditional genres to tragicomedies, masques, pageants, pamphlets, epigrams, and Biblical and political commentaries, written alone or in collaboration with Shakespeare, Webster,

Dekker, Ford, Heywood, Rowley, and others. Compared by critics to Aristophanes and Ibsen, Racine and Joe Orton, he has influenced writers as diverse as Aphra Behn and T. S. Eliot. Though repeatedly censored in his own time, he has since come to be particularly admired for his representations of the intertwined pursuits of sex, money, power, and God. The Oxford Middleton, prepared by more than sixty scholars from a dozen countries, follows the precedent of The

Oxford Shakespeare in being published in two volumes, an innovative but accessible *Collected Works* and a comprehensive scholarly *Companion*. Though closely connected, each volume can be used independently of the other. The *Collected Works* brings together for the first time in a single volume all the works currently attributed to Middleton. It is the first edition of Middleton's works since 1886. The texts are printed in modern spelling and punctuation, with critical introductions and foot-of-the-

page commentaries; they are arranged in chronological order, with a special section of Juvenilia. The volume is introduced by essays on Middleton's life and reputation, on early modern London, and on the varied theatres of the English Renaissance. Extensively illustrated, it incorporates much new information on Middleton's life, canon, texts, and contexts. A self-consciously 'federal edition', *The Collected Works* applies contemporary theories about the nature of literature and the

history of the book to editorial practice.

The humor and innocence of the United States Navy Sailor is captured in the unique and sportive tales of a salty master chief set in the final quarter of the twentieth century.

Sweepers sweepers man your brooms is a phrase readily recognized by any Sailor who ever woke up on a United States Navy ship. In his Navy memoirs Retired Navy Master Chief

Jeff Zahratka, a twenty six year veteran chronicles rich adventures that carry the reader to exotic settings from Karachi Pakistan to Severmorsk Russia. *Sweepers Sweepers* is a colorful story with uncanny notice of the odd occurrences that take place between the life lines of Navy ships and isolated shore establishments not a story about bombs, battles, or spectacular explosions, *Sweepers Sweepers Man Your Brooms* is his story

about how people of great diversity coexist in eighty-man bedrooms while living out of devices known as coffin lockers. Consistently found in the effectuation of extraordinary events, the ubiquitous American Sailor may be found crawling through garbage in an equatorial Shellback initiation or baring their derrieres at a Soviet aircraft carrier while traversing the Cape of Good Hope. He may be discovered in hand to hand combat, not with a human enemy manned up at a fire control console on an Aegis cruiser, but with a toilet brush in a Greek hotel room, fighting to the death with a mutated species of an ancient Hellenic centipede. The author fails miserably at camouflaging his affection for the city of Pittsburgh and his long time devotion to their high powered sports teams. He provides many insightful moments relating to being a fan from afar through some of the greatest years in Steeler and Pirate sports history. The story is a rich and historically accurate account of a caste of characters from seaman recruits with attitudes honed on tough urban streets, to brown juice spitting good ole boys that learned to love the sea. There are associations and first hand opinions on the actions of young naval officers who today are among the top ranking leaders of the force. Sweepers Sweepers Man Your Brooms is a tapestry

of the social morays, historical events, and military technologies that define the character of the Navy for the last thirty years. The reader will experience sufficient history to educate, and an infusion of personal opinion which will serve as a catalyst for debate. Above all; however, the story will remind Americans why they love Sailors, and remind old Sailors of why they love the Navy.

'My favourite moment is when I finish a song, that is the moment I cherish.' – Rod Temperton
The Invisible Man tells the remarkable story of how Rod Temperton worked his way up from a Grimsby fish factory to become one of the most successful songwriters of all time. Born in Cleethorpes in 1949, Temperton embarked on a career

in music with the funk band Heatwave, for whom he wrote the international hits 'Boogie Nights' and 'Always and Forever', before his songwriting talent caught the attention of Michael Jackson's legendary producer, Quincy Jones. For Jackson's Off the Wall album, Temperton penned both the hit 'Rock with You' and the album's title track. Three years later, he started work on what

would become the best-selling album of all time – Michael Jackson's Thriller – writing three songs, including the now legendary title track. And yet despite collaborating with some of music's biggest stars, including Donna Summer and Michael McDonald, Temperton was famously reclusive and seldom gave interviews. Having enjoyed unprecedented access to the great man for his Sony Award-

winning radio documentary on Temperton, Jed Pitman presents the fully updated, definitive story of one of music's most talented individuals. The first life of the man who was Lord Peter Wimsey, Bertie Wooster and starred in I'm Alright, Jack! With the death of Ian Carmichael in 2010 one of the last links was lost with

the golden age of British cinema. Carmichael starred alongside Terry-Thomas and Peter Sellers in the Boulting brothers' classic satirical comedies *I'm Alright, Jack!* *Private's Progress* and *School for Scoundrels*. He summed up, on screen and in life, the kind of Englishman who was beginning to emerge after the war – educated, not necessarily upper class, upwardly mobile and a study in good manners and a sense of fair play – and thus played the straight-man foil to the distracted ravings of his wilder co-stars. Subsequently, he became Bertie

Wooster in a highly successful television series based on P.G. Wodehouse's *Jeeves* stories. He also made the part of Lord Peter Wimsey his own in another long-running adaptation of Dorothy L. Sayers' famous detective novels, and was still acting on television well into his eighties alongside Susan Hampshire in ITV's drama series *The Royal*. Between 1933 and 1939, the FBI pursued an aggressive, highly publicized nationwide campaign against a succession of Depression era "public enemies," including John Dillinger, George "Baby Face" Nelson, Charles Arthur "Pretty Boy" Floyd, George "Machine Gun Kelly" Barnes, Bonnie Parker and Clyde Barrow, and the Ma Barker Gang. Bureau Director J. Edgar Hoover's successes in this crusade made him the hero of law and order in the public mind. This historical analysis reveals the agency's often illegal tactics, including torture, frame-ups, and summary executions--later expanded throughout Hoover's 48-year reign in Washington, D.C., and exposed

only after his death (some say murder) in 1972.
