Take a stand against the giants in this adventure for the world's greatest roleplaying game. Giants have emerged from their strongholds to threaten civilization as never before. Hill giants are stealing all the grain and livestock they can while stone giants have been scouring settlements that have been around forever. Fire giants are press-ganging the smallfolk into the desert, while frost giant longships have been pillaging along the Sword Coast. Even the elusive cloud giants have been witnessed, their wondrous floating cities appearing above Waterdeep and Baldur's Gate. Where is the storm giant King Hekaton, who is tasked with keeping order among the giants? The humans, dwarves, elves, and other small folk of the Sword Coast will be crushed underfoot from the onslaught of these giant foes. The only chance at survival is for the small folk to work together to investigate this invasion and harness the power of rune magic, the giants' weapon against their ancient enemy the dragons. The only way the people of Faerun can restore order is to use the giants' own power against them. To defeat giants, you need to be giant!

Break your chains! The Pathfinder RPG contains numerous rules considered sacred by players and GMs alike. Since the system itself was based upon RPG "technology" already more than 10 years old at the time of its creation, "backwards compatibility" often meant sticking with the familiar, even if tradition was filled with cobwebs and decades-old assumptions. Pathfinder Unchained dares to take a fresh look at the system itself, altering some of the fundamentals of the game and giving fresh optional takes on classic rules. Inside this hardcover collection of alternate rules and options you'll find completely redesigned versions of the barbarian, monk, rogue, and summoner classes. Delve into a new system for resolving player actions designed to speed play and dispel confusion. Many of the new systems (such as the revised classes) work seamlessly with the existing Pathfinder rules. Even the most staunchly traditionalist player will appreciate the book's math-lite system for on-the-fly monster creation and the new system for generating dynamic magic items that go far beyond a simple +1 to add lore and interest to the campaign. Players will love the book's new resource pool for martial characters, allowing for exciting new tactical options, as well as the robust new system that allows spellcasters to modify their spells with powerful spell components.

The country of Klune has been free for a decade, but the agreement between the small group of liberating heroes known as the Covenant and the alien mercenaries who keep the land safe from its many enemies is breaking down. When Calen Gollnet flees an attack on his home city, he rushes headlong into circumstances involving the appearance of the sinister Soul Wall and the Prophecy of Return, which await only the fulfillment of the third and final sign to come to pass. Wilson's fantasy debut recalls the complexity of classic epic fantasy in the tradition of Robert Jordan. Combining adventure with mystery and memorable characters, this is a good choice for committed fantasy fans. Copyright Reed Business Information, a division of Reed Elsevier Inc. Okay. Harken to my tale. Once upon a time (a couple of years ago) there were these brothers who had a bunch of really successful podcasts, and they decided to do a new podcast with their dad, where they all played D&D together as a family, and lo, this new podcast was called The Adventure Zone, and verily did it get downloaded over 10 million times, and wow did it totally eat the brains of all who listened, because: It was just. That. Rad. AND THEN did these guys team up with artist Carey Pietsch, and make a graphic novel where the weirdly sweet and brilliant but also super SUPER vulgar and honestly kind of bizarre story of The Adventure Zone got adapted into a goofy, innovative, and compelling graphic novel! Let no man deny that it was the best idea ever, right? Reader, we're publishing it.

A wickedly whimsical adventure for the world's greatest roleplaying game. Once every eight years, the fantastic Witchlight Carnival touches down on your world, bringing joy to one settlement after the next. Its owners, Mister Witch and Mister Light, know how to put on a good show. But there's more to this magical extravaganza than meets the eye! The carnival is a gateway to a fantastic Feywild domain unlike anything found on the Material Plane. Time has not been kind to this realm, however, and dark days lie ahead unless someone can thwart the dastardly schemes of the Hourglass Coven. The Wild Beyond the Witchlight takes adventurers from the Witchlight Carnival to Prismeer, a Feywild domain of delight, and is designed for characters of levels 1-8. This book comes with a poster map that shows the carnival on one side and Prismeer on the other. • Explore the Plane of Faerie in the first official D&D adventure set primarily in the Feywild • Easily drop The Witchlight Carnival into any campaign—for passage into the Feywild or just a night of carnival games and wild entertainment • Introduces two races—play as a fairy or as a harengon, a race of humanoid rabbits • Adds two backgrounds—the Feylost who grew up in the Feywild, and a Witchlight Hand who works at the carnival • All encounters can be resolved without resorting to combat, rewarding clever ideas and creative roleplay • Classic 1980s Dungeons & Dragons characters return, including Warduke, Strongheart, and Kelek
