of technical information
to automobile
manufacturers and the

automotive service industry, is proud to announce our Bentley Repair Manual Electronic Editions. Encompassing both Official Factory Repair Manuals and Service Manuals, Bentley Electronic Editions include all the highly illustrated service information you've come to expect from our manuals, yet in an electronic format that features simple searching tools to help you get the information you need quickly and easily. And as

always, these manuals feature step-by-step diagnostic and repair procedures. Our Electronic Editions bring auto repair to a new level as independent shops and do-it-yourselfers now have access to the same repair information that factory-certified technicians and mechanics use in dealerships and facilities across the US and Canada. Hyperlinked table of contents allows for fast and easy navigation. Users can search for the

occurrence of particular key words or phrases, for example "Brakes ABS/EDL." This CD-ROM even has full Boolean search capability. Use AND, OR and NOT to focus your searches and quickly get to the service information, then print the pages you need.
