[The Complete Book of 1910s Broadway Musicals](#)

Routledge

(Applause Books). A companion to the six-part PBS documentary series, *Broadway: The American Musical* is the first comprehensive history of the musical, from its roots at the turn of the 20th century through the smashing successes of the new millennium. The in-depth text is lavishly illustrated with a treasure trove of photographs, sheet-music covers, posters, scenic renderings, production stills, rehearsal shots and caricatures, many previously unpublished. Revised and updated, with a brand-new foreword by Julie Andrews and new material on all the Broadway musicals through the 2009-2010 season.

Life Rowman & Littlefield

These vols. contain the same material as the early vols. of Social sciences & humanities index.

[The Book of Broadway](#) Oxford University Press

From its origins as a Native American trail to its iconic status in global culture today, Broadway tells the story of New York as it grew from a Dutch colony into a world-class city. Broadway has been the site of many firsts and many superlatives: the first subway line in the city, the tallest buildings, and one of the longest streets in the world. Beginning along the winding streets of the original settlements amid the skyscrapers of the Financial District, Broadway heads

north through the neighborhoods of SoHo and Greenwich Village. It then traverses some of the city's most famous plazas, including Flatiron, Herald Square, Times Square, and Columbus Circle, before entering Upper Manhattan and passing institutions like Lincoln Center, Columbia University, and City College. Today, Broadway continues to be at the forefront of New York City's urban developments.

Wicked

This volume is another example in the Routledge tradition of producing high-quality reference works on theater, music, and the arts. An A to Z encyclopedia of Broadway, this volume includes tons of information, including producers, writer, composers, lyricists, set designers, theaters, performers, and landmarks in its sweep.

Life and Light for Heathen Women

The 1910s shaped the future of the American musical. While many shows of the decade were imports of European operettas, and even original Broadway musicals were influenced by continental productions, the musicals of the 1910s found their own American voice. In *The Complete Book of 1910s Broadway Musicals*, Dan Dietz covers all 312 musicals that opened on Broadway during this decade. Among the shows discussed are *The Balkan Princess*, *The Kiss Waltz*, *Naughty Marietta*, *The Firefly*, *Very Good Eddie*, *Leave It to Jane*, *Watch Your Step*, *See America First*, and *La-La-Lucille*. Dietz places each musical in its historical context, including the

women's suffrage movement and the decade's defining historical event, World War I. Each entry features the following: Plot summary Cast members Creative team, including writers, lyricists, composers, directors, choreographers, and producers Opening and closing dates Number of performances Critical commentary Musical numbers and the performers who introduced the songs Numerous appendixes include a chronology, discography, filmography, Gilbert and Sullivan productions, Princess Theatre musicals, musicals with World War I themes, and published scripts, making this book a comprehensive and significant resource. *The Complete Book of 1910s Broadway Musicals* will captivate and inform scholars, historians, and casual fans about this influential decade in musical theatre history.

Musical Record and Review

The stage musical constitutes a major industry not only in the US and the UK, but in many regions of the world. Over the last four decades many countries have developed their own musical theatre industries, not only by importing hit shows from Broadway and London but also by establishing or reviving local traditions of musical theatre. In response to the rapid growth of musical theatre as a global phenomenon, *The Oxford Handbook of the Global Stage Musical* presents new scholarly approaches to issues arising from these new international markets. The volume

examines the stage musical from theoretical and empirical perspectives including concepts of globalization and consumer culture, performance and musicological analysis, historical and cultural studies, media studies, notions of interculturalism and hybridity, gender studies, and international politics. The thirty-three essays investigate major aspects of the global musical, such as the dominance of Western colonialism in its early production and dissemination, racism and sexism--both in representation and in the industry itself--as well as current conflicts between global and local interests in postmodern cultures. Featuring contributors from seventeen countries, the essays offer informed insider perspectives that reflect the diversity of the subject and offer in-depth examinations of specific cultural and economic systems. Together, they conduct penetrating comparative analysis of musical theatre in different contexts as well as a survey of the transcultural spread of musicals.

Readers' Guide to Periodical Literature
Each title in The Applause Libretto Library Series presents a Broadway musical with fresh packaging in a 6 x 9 trade paperback format. Each Complete Book and Lyrics is approved by the writers and attractively designed with color photo inserts from the Broadway production. All titles include introduction and foreword by renowned Broadway musical experts. Long before Dorothy dropped in, two

other girls meet in the Land of Oz. One, born with emerald green skin, is smart, fiery, and misunderstood. The other is beautiful, ambitious, and very popular. The story of how these two unlikely friends end up as the Wicked Witch of the West and Glinda the Good Witch makes for the most spellbinding new musical in years.
