?? Buy the Paperback version of this book and get the eBook version included for FREE ?? If you are planning on buying a car, I have no doubt that you are excited and that you can't wait to start racking up the miles in your new car. However, buying a car is a high-ticket purchase and it is very wise to know how to approach such a big purchase so that you get what you want while also getting the best price without unneeded extra costs. That is what this book is all about. I don't know anyone who looks forward to interacting with a car salesperson, or any salesperson. However, it is one of the things that inevitably have to be dealt with. In the past, car salespeople had the edge because there wasn't a lot of information out there which may, otherwise, enable the customer to have leverage in the

negotiation process so that they don't get taken advantage of. However, we live in a different time in which information is abundant and ignorance is a choice. The tricks that car salespeople use are no longer a secret. For the price of a coffee, you can purchase information, such as the one within this book, that can help you to avoid paying thousands of extra dollars in the process of buying a car. Imagine what you could do with that extra cash. Ib this book, you can expect to learn about: -Avoiding dealership scams -Inspecting a car before buying it -How to not to fall for the tricks of car salespeople -Buying a car in ways other than through a car dealership -And much more! If you are ready to get through the process of buying a car as fast as possible and with minimum hassle, so that you can get to the fun part, which is the driving itself, then scrolling over to the BUY button and clicking it is the first step towards that.

Car Buying Guide Penguin

There are basically 3 things that you can do with a car: buy one, own/maintain one, or sell one. With that being said, many people go out into car dealerships to do one of those 3 things without having the slightest clue as to what they should be doing! It isn't their fault. Our school systems don't place any emphasis on the education that is related to car ownership or purchase, and there isn't a ton of information that is readily available for the public. This ebook covers the following aspects of vehicle ownership: -How to get the best price when buying a new car -Why to buy a Honda Certified Pre-Owned vehicle -Washing your car the proper way (makes your car's paint last longer) -Why you should use synthetic motor oil in your engine -How to prevent rust on your new or used car -How you can choose a good mechanic -Selling your car for top dollar
