The first four levels of a new video series to accompany the New Headway. It can be used as an additional

component to the New Headway, or as a supplement to any course at the appropriate level. Key Features Each level consists of six self-contained comedy stories looking at the lives and misadventures of four people in their twenties who share a house. The syllabus is closely linked to the New Headway. Each episode provides a natural context to consolidate the grammatical, functional and lexical areas covered by the course, and to develop listening skills. Key language is controlled and contextualized throughout. Each episode provides

clear grammar and functional language, with an emphasis on developing communicative skills. The video is supported by an Activity Book for students and a Video Guide for teachers.
