This book is devoted to a whole series of useful firearms, beginning with the well-known .22 Long Rifle. The venerable "twenty-two" hosts a wide array of interesting loads, including some ultra-quiet choices and fairly nasty high-speed rounds. Even hotter rimfire calibers include the .22 Winchester Magnum Rimfire, plus three small-bore derivatives: the .17 Mach II, .17 Hornady Rimfire Magnum, and Winchester's high velocity .17 Super Magnum. Careful shopping can provide us with a useful rimfire (or maybe even two) with which to quietly harvest small game or eliminate pests. An economical .22 LR firearm can also serve as a great high-powered rifle trainer if similar function is considered. In a pinch, it might even work for self-defense. The rimfires can't do everything, but they can do a lot once fully understood. One trait is easy to overlook until you start shooting. They're lots of fun! This book will lead the way from beginning to end.

Becoming Shooters Meyer & Meyer Verlag
The perfect book for any woman who is interested in purchasing, selecting, and owning a gun, from her first to her five-hundredth firearm. The Handgun Guide for Women gives a public voice to the legions of female gun enthusiasts in the United States. It is a common sense, step-by-step guide to making the decision to purchase a gun, selecting the correct gun, securely keeping a gun in the home, and maintaining the proficiency necessary to be a safe gun owner 100 percent

of the time. The book also defies the theory among the popular media that women are, by their maternal nature, anti-gun. Author Tara Dixon Engel, an NRA-certified instructor in handguns, rifles, shotguns, personal defense, and home defense, writes that women should be gun advocates. A firearm is often the one thing that stands between your family and a predator. The Handgun Guide for Women reflects a passionate belief in the Second Amendment. It is a straightforward and meticulously clear representation of the responsibilities involved in gun ownership and is the perfect book for anyone who is considering owning a gun or who has been a proud gun owner for many years.

#1 NEW YORK TIMES BESTSELLER • NOW A NETFLIX ORIGINAL SERIES With a career, a boyfriend, and a loving family, Piper Kerman barely resembles the reckless young woman who delivered a suitcase of drug money ten years before. But that past has caught up with her. Convicted and sentenced to fifteen months at the infamous federal correctional facility in Danbury, Connecticut, the well-heeled Smith College alumna is now inmate #11187-424—one of the millions of people who disappear “down the rabbit hole” of the American penal system. From her first strip search to her final release, Kerman learns to navigate this strange world with its strictly enforced codes of behavior and arbitrary rules. She meets women from all walks of life, who surprise her with small tokens of generosity, hard words of wisdom, and simple acts of acceptance. Heartbreaking, hilarious, and at times enraging, Kerman’s story offers a rare look into the lives of women in prison—why it is we lock so many away and what happens to them when they’re there. Praise for *Orange Is the New Black* “Fascinating . . . The true subject of this unforgettable book is female bonding and the ties that even bars can’t unbind.”—People (four stars) “I loved this book. It’s a story rich with humor, pathos, and redemption. What I did not expect from this memoir was the affection, compassion, and even reverence that Piper Kerman demonstrates for all the women she encountered while she was locked away in jail. I will never forget it.”—Elizabeth Gilbert, author of *Eat, Pray, Love* “This book is impossible to put down because [Kerman] could be you. Or your best friend. Or your daughter.”—Los Angeles Times “Moving . . . transcends the memoir genre’s usual self-centeredness to explore how human beings can always surprise you.”—USA Today “It’s a compelling awakening, and a harrowing one—both for the reader and for Kerman.”—Newsweek
