"Exercise changes the brain. But which exercises have what effect? Time to get up to speed with the cutting-edge science of the mind-body connection and discover how just a little bit of movement could shift your own head to a better place"--Publisher's description.

**Just Move!** Trafford Publishing

This Special Issue of Children will focus on the migration arc of children from their country of origin through the experience in refugee camps and, finally, to their arrival in in a new home. It will examine the impact experiencing migration as refugees, immigrants or those internally displaced due to war and conflict has on children's health. Explored topics include adverse health conditions, trauma and mental health, best practice and care coordination. It explores specific populations, such as children

---

with disabilities, unaccompanied minors and child separation at international borders. This Special Issue also includes an examination of new clinical guidelines, the development of new care systems and advocacy for new policies. It also provides a summary of the UN Convention on the Rights of the Child's specific mandate to provide for the most vulnerable children in need.

#### *Babies on the Move* Disney Electronic Content

Music is a mobile art. When people move to faraway places, whether by choice or by force, they bring their music along. Music creates a meaningful point of contact for individuals and for groups; it can encourage curiosity and foster understanding; and it can preserve a sense of identity and comfort in an unfamiliar or hostile environment. As music crosses cultural, linguistic, and political boundaries, it continually changes. While human mobility and mediation have always shaped music-making, our current era of digital connectedness introduces new creative opportunities and inspiration even as it extends concerns about issues such as copyright infringement and cultural appropriation. With its innovative multimodal approach, *Music on the Move* invites readers to listen and engage with many different types of music as they read. The text introduces a variety of concepts related to music's travels—with or without its makers—including colonialism, migration, diaspora, mediation, propaganda, copyright, and hybridity. The case studies represent a variety of musical genres and styles, Western and non-Western, concert music, traditional music, and popular music. Highly accessible, jargon-free, and media-rich, *Music on the Move* is suitable for students as well as general-interest readers.

#### **Rest Eat Move HQ**

From the team behind the high-energy children's musical and fitness group Lolly and YoYo, *MOVE!* is a unique board book unlike any your child has read. It's a book that combines

imaginative play with movement. Hold it up to your face like a big pair of jaws and ROAR and STOMP like a rampaging dinosaur. Hold on tight and SPIN like a flying saucer weaving through an interplanetary race. *MOVE!* will excite the imaginations and inspire the movements of kids and parents alike. Lively rhyming text and colorful, spirited illustrations by award-winning artist Luke Flowers prompt young readers to perform physical activities utilizing the book's die-cut holes and handles. Now lie down on top and paddle the floor. Jump on board and you're SURFING to shore! Can you FLUTTER this book like butterfly wings? And fly around looking for colorful things? This is a book that fosters a love for reading and for physical activity. It's the book *Press Here* meets the game *Twister* with a little yoga thrown in—designed to keep kids healthy, happy, and having fun.

#### *On the Move* University of Michigan Press

Audisee® eBooks with Audio combine professional narration and sentence highlighting to engage reluctant readers! When eight-and-a-half-year-old Mallory McDonald's parents tell her that they are moving, she's mad—really mad! It's not fair! How can they make her move away from Mary Ann, her best friend in the whole wide world? Who will she paint her toenails with, tell secrets to, and make scrapbooks with? When Mallory arrives at her new house on Wish Pond Road, things are terrible. Her room is too small and the girl next door is mean. But Joey lives next door, too. Even though he doesn't paint his toes, he tells jokes, helps teach her cat to do tricks, and shows her how to skateboard. Mallory's having so much fun she forgets the pact she made with Mary Ann never to make

---

friends with a boy next door. But, when Mary Ann comes to visit, what will Mallory do? Will she have to choose between her best friend and her new friend?

*The Marquess Makes His Move* Free Spirit Publishing

Ideation. Transition. Execution. These are the three stages of business growth every C-suite leader must navigate throughout the life of their company. Surviving each one is not good enough. You want to thrive, evolve, and, when necessary, transform. But who do you market to? What do you need to operate effectively? When can you scale your business, and in which areas can you grow the most? As the markets change, so will your answers. But these four questions will help you focus on the who, what, when, and where of your business-and they remain the same. In *MOVE*, B2B go-to-market experts Sangram Vajre and Bryan Brown provide you with a four-question framework that will reveal your next steps and propel you forward, no matter the size of your company or the stage you're in. You'll learn how to take your business from ideation to execution and predict your next *MOVE* more confidently. You have the vision, the people, and the plan. Now you have the operating manual. This book is the go-to market blueprint that provides you with the confidence and clarity to get unstuck and level up your organization for long-term success.

**Boris on the Move** First Books

Boris lives in Hogg Bay, in an old bus that used to travel all over the world, but now just sits there, until one day when his parents take him on an adventure.

*Book one- Zibeedu and the Big Move Book 2- Zibeedu and The New Friends* MDPI

*On the Move* presents a rich history of one of the key concepts of modern life: mobility. Increasing mobility has been a constant throughout the modern era, evident in mass car ownership, plane travel, and the rise of the Internet. Typically, people have equated increasing mobility with increasing freedom. However, as Cresswell shows, while mobility has certainly increased in modern times, attempts to control and restrict mobility are just as characteristic of modernity. Through a series of fascinating historical episodes Cresswell shows how mobility and its regulation have been central to the experience of modernity.

Grow your account list with an effective account-based marketing strategy Buyers have changed the B2B marketing game. Account-Based Marketing For Dummies is here to give you the tools to transform your current approach to find, reach, and engage with your potential customers on their terms to meet their ever-changing demands. Packed with expert tips and step-by-step instructions, this book shows you how to analyze current data to identify the accounts with the biggest ROI opportunities and execute effective, account-specific techniques that get results. This practical guide takes the intimidation out of account-based marketing in today's highly digitized world. You'll be armed with the knowledge you need to increase your reach in real time, giving you greater exposure to other decision-makers and influencers within an account. You'll discover how, through a combination of marketing technology and online advertising, your messages can be displayed where and when your customers already engage online. Align your sales and marketing teams for greater success in your ABM efforts Analyze data to identify key accounts Target your messages for real-time interaction Integrate your campaign with marketing automation software If you're a

---

member of a sales or marketing team already using a CRM tool who's looking to increase your reach, *Account-Based Marketing For Dummies* has you covered! "Account-Based Marketing For Dummies clears away the confusion surrounding this much-hyped topic. It offers simple, direct explanations of what account-based marketing is, why it's important, and how to do it. Any business marketing professional will benefit from a look at this book." —David Raab, Founder at Raab Associates "If you're reading this book and just getting started with ABM, welcome to the future of what b-to-b marketing can be: insightful, technology-enabled and, above all, customer focused. Our clients are delighted with the business impact they deliver using account-based marketing, and you will be, too." —Megan Heuer, Vice President and Group Director, SiriusDecisions "Like a Hollywood agent, marketing's job is to get sales the 'audition,' not the part. Account-based marketing is the key to maximizing the number of the 'right' auditions for your sales team, and *Account-Based Marketing For Dummies* explains how." —Joe Chernov, VP of Marketing at InsightSquared "Ever-advancing marketing technology is enabling a new generation of sales and marketing strategies to thrive, changing the playing field for companies of all sizes. This modern wave of account-based marketing has tremendous potential to improve your business, and Sangram Vajre is an insightful and enthusiastic guide to show you how." —Scott Brinker, Author of *Hacking Marketing* "Account-based marketing is shifting how businesses use customer insights to capture more upmarket revenue. This book teaches a new wave of data-driven marketers how to embrace an enlightened quality-vs-quantity approach and execute a scalable ABM strategy that delivers real results." —Sean Zinsmeister, Senior Director of Product Marketing, Infer "The book may be titled '...for dummies', but ABM is proving to be a smart approach for B2B marketers charged with generating sales pipeline and acquiring and delighting customers. Use this book to help you get started and advance your account-based marketing strategies and tactics that will thrill your sales colleagues, executive team and

customers alike." —Scott Vaughan, CMO, Integrate

Simple phrases and photographs show the ways that babies travel in different parts of the world, including baskets, blankets, sleds, and car seats.

***Words on the Move*** Random House

When Oliver Sacks was twelve years old, a perceptive schoolmaster wrote in his report: "Sacks will go far, if he does not go too far." It is now abundantly clear that Sacks has never stopped going. From its opening pages on his youthful obsession with motorcycles and speed, *On the Move* is infused with his restless energy. As he recounts his experiences as a young neurologist in the early 1960s, first in California, where he struggled with drug addiction, and then in New York, where he discovered a long-forgotten illness in the back wards of a chronic hospital, we see how his engagement with patients comes to define his life. With unbridled honesty and humor, Sacks shows us that the same energy that drives his physical passions—weight lifting and swimming—also drives his cerebral passions. He writes about his love affairs, both romantic and intellectual; his guilt over leaving his family to come to America; his bond with his schizophrenic brother; and the writers and scientists—Thom Gunn, A. R. Luria, W. H. Auden, Gerald M. Edelman, Francis Crick—who influenced him. *On the Move* is the story of a brilliantly unconventional physician and writer—and of the man who has illuminated the many ways that the brain makes us human.

Trust your gut, take care of yourself, and find new life on the other side with this empowering guide to divorce for moms. We hear about it all the time on the news. The divorce rates are rising. More children are being raised in split up homes. But you didn't think it would happen to you. Luckily, you're not alone. Popular divorce coach Michelle Dempsey-Multack not only survived her own divorce, but figured out how to move on with her life, just like you will, too. Now happily remarried with a blended family, she's living proof that no matter which "firsts" you might be experiencing as you end your marriage, and no matter how long you stayed with someone who didn't meet your needs, your best days are ahead. Mom's Moving On is filled with practical, actionable, and empowering advice from someone who has been through it and has come out the other side. Through Michelle's guidance, you'll learn how to navigate your divorce with confidence, adjust to life as a single mother, and shift your perspective to find your way back to your best self. From coparenting to dating as a single mother, you'll learn how to truly move on and create the life you deserve.

*Move!* Charlesbridge Publishing

A bestselling linguist takes us on a lively tour of how the English language is evolving before our eyes -- and why we should embrace this transformation and not fight it. Language is always changing -- but we tend not to like it. We understand that new words must be created for new things, but the way English is spoken today rubs many of us the wrong way. Whether it's the use of literally to mean "figuratively" rather than "by the letter," or the way young people use LOL and like, or business jargon like What's the

ask? -- it often seems as if the language is deteriorating before our eyes. But the truth is different and a lot less scary, as John McWhorter shows in this delightful and eye-opening exploration of how English has always been in motion and continues to evolve today. Drawing examples from everyday life and employing a generous helping of humor, he shows that these shifts are a natural process common to all languages, and that we should embrace and appreciate these changes, not condemn them. Words on the Move opens our eyes to the surprising backstories to the words and expressions we use every day. Did you know that silly once meant "blessed"? Or that ought was the original past tense of owe? Or that the suffix -ly in adverbs is actually a remnant of the word like? And have you ever wondered why some people from New Orleans sound as if they come from Brooklyn? McWhorter encourages us to marvel at the dynamism and resilience of the English language, and his book offers a lively journey through which we discover that words are ever on the move and our lives are all the richer for it.

**Many Ways to Move** HarperCollins

When Lexi Blake was twelve years old, a fortune teller gave her the following cryptic message: In your thirtieth year, once the dog jumps over you, your life will change in the most unexpected ways. Lexi is thirty now and the following unexpected things have occurred: -While walking through Central Park enjoying a beautiful fall day, Lexi eats dirt when a careless dog owner throws a frisbee at her head. A

---

dog jumps over her. -Lexi gets a promotion that pays less than her current job. -Her crush announces that he's engaged. -Her apartment turns condo and she can't afford the down payment. In order to escape her bad luck, she takes a vacation to visit a good friend in Creek Water, Missouri. But as it turns out, fate has a lot more in store for Lexi Blake. Will a good friend, an unexpected love interest, and a historic house have her scrapping her plans and moving to a small town on the banks of the Mississippi River? Find out in the delightfully funny rom-com that's sure to make you believe in happy endings!

**Push Turn Move** Kids Can Press Ltd

Pico, a stuffed dog, worries that he will not like the new house when his owner tells him they are moving to a new town.

*We Move Together* Harlequin

Once in a while, a book comes along that changes how you think, feel, and act every day. In *Eat Move Sleep*, #1 New York Times bestselling author Tom Rath delivers a book that will improve your health for years to come. While Tom's bestsellers on strengths and well-being have already inspired more than 5 million people in the last decade, *Eat Move Sleep* reveals his greatest passion and expertise. Quietly managing a serious illness for more than 20 years, Tom has assembled a wide range of information on the impact of eating, moving, and sleeping. Written in his classic conversational style, *Eat Move Sleep* features the most proven and practical ideas from his research. This remarkably quick read offers advice that is comprehensive yet simple and often counterintuitive but always credible. *Eat Move Sleep* will help you make good decisions

automatic — in all three of these interconnected areas. With every bite you take, you will make better choices. You will move a lot more than you do today. And you will sleep better than you have in years. More than a book, *Eat Move Sleep* is a new way to live.

*The Lost Tribes* North South Books
