...

Here is a list of good journals that I use and recommend for studying the New Testament. These journals fall roughly into two categories: academic and semi-popular. These categories should be taken as a very rough guideline, though, since the level of technicality vs. broad readability will vary a great deal from article to article. Several of these journals are available full-text through the ATLA religion database, and all should be available in print at the Tyndale library (and most other ...
