Fun and games have always been a way that we all can unwind and relax. Whether it's with the family or friends, we all can relate. Remember that famous saying "all work and no play makes Jack a dull boy" eh? Well, sorry to break it to it is true and that simple truth will hold for as long as there is life on this earth. Trivia, according to Oxford Dictionary is a noun and means details, considerations, or pieces of information of little importance or value. Other words that

have similar meanings are minutiae, niceties, technicalities, trivialities, trifles, etc. Trivia comes in different forms, books like this one you are reading right now; with lots of questions that you can play by yourself or with family and friends But this is not about actual physical trivia games. This book is about questions that you can play with someone for relaxation and fun. This can be used to get to know someone better and how they think and reason.

This book includes a series of different questions on various topics, such as animal, science, astronomy, movies, history, maths, and much more. These carefully crafted questions are meant to create a fun, easy, and interesting learning process for children. Who was the first man to step foot in space? What can eat a lot of iron without getting sick? This and other questions have been put together to create the best and most fascinating questions for you, your kids, and the entire family. We know trivia is fun, especially for kids, but we also know that learning new things and gaining new knowledge on topics you love is one of the most enjoyable parts about it. Trivia has been around since the dawn of time and continuously brings new and fun interactive ways for friends, family and children to enjoy together. Unfortunately, finding interesting topics to learn about can take a lot of time and effort to find when searching through blog post after blog post. Luckily, Trivia for Smart Kids puts an end to this problem, having all of the information you want to learn about and test your skills on in one, convenient place. These aren't the kinds of questions kids learn in school. Instead, questions consist of some really interesting facts kids will probably never hear about in school. This collection of quizzes and true-and-false questions includes questions about space, animals, historical events, countries and lots more. Its great design (questions on left page side; answers on the

right) and dimensions will make it easy to handle and will be pleasing and enjoyable for quiz or trivia nights, long car rides or even the backyard camping nights.
