The Power Broker Perigee Trade

"America's irrepressible doyenne of domestic satire." THE BOSTON GLOBE Madcap, bittersweet humor in classic Erma Bombeck-style. You'll laugh until it hurts and love it! "Any mother with half a skull knows that when Daddy's little boy becomes Mommy's little boy, the kid is so wet, he's treading water. What do you mean you're a partíciple in the school play and you need a costume? Those rotten kids. If only they'd let me wake up in my own way. Why do they have to line up along my bed and stare at me like Moby Dick just washed up onto a beach somewhere?"

Merl Reagle's Sunday Crosswords One World

For the millions of people who do crosswords, the person behind the puzzle is always something of a mystery. What puzzler wouldn't want to know how a constructor thinks when putting together a puzzle? Or the secret rules that guide the selections of clues and answers? Or how to outsmart the constructor by understanding his mindset? A few tips about how to improve solving skills wouldn't hurt, either. Putting it all together in an accessible and witty "guide to life in the grid" is just what everybody wants and needs. CRUCIVERBALISM will help people become better solvers and have more fun doing crosswords. It will also pull back the curtain on puzzle-making itself, outlining the history of crosswords, showing how they have evolved over the past century, and how rules and the mindsets of puzzle editors have changed over time. It will pass along the guidelines the author provides to his stable of puzzle constructors, and tidbits such as the "100 essential words" for the pursuit of crossword happiness. Finally, it will recount the decade-long battle between Old Guard and New Wave constructors, bringing in a cast of colorful characters living in a world of words. The book will be a combination of crossword self-help, wisdom, trivia and stories that will fascinate today's millions of avid puzzlers.

Stanley Newman's Sunday Crosswords Workman Publishing

Throughout her long career of “afflicting the comfortable and comforting the afflicted,” the cause closest to Molly Ivins’s heart was working to protect the freedoms we all value. Sadly, today we’re living in a time when dissent is equated with giving aid to terrorists, when any of us can be held in prison without even knowing the charges against us, and when our constitutional rights are being interpreted by a president who calls himself “The Decider.” Ivins got the idea for Bill of Wrongs while touring America to honor her promise to speak out, gratis, at least once a month in defense of free speech. In her travels Ivins met ordinary people going to extraordinary measures to safeguard our most precious liberties, and when she first started writing this book, she intended it to be a joyous celebration of those heroes. But during the Bush years, the project’s focus changed. Ivins became concerned about threats to our cherished freedoms—among them the Patriot Act and the weakening of habeas corpus—and she observed with anger how dissent in the defense of liberties was being characterized as treason by the Bush administration and its enablers. From illegal wiretaps, the unlawful imprisonment of American citizens, and the undermining of freedom of the press to the creeping influence of religious extremism on our national agenda and the erosion of the checks and balances that prevent a president from seizing unitary powers, Ivins and her longtime collaborator, Lou Dubose, co-author of Shrub and Bushwacked, describe the attack on America’s vital constitutional guarantees. With devastating humor and keen eyes for deceit and hypocrisy, they show how severe these incursions have

become, and they ask us all to take an active role in protecting the Bill of Rights. In life and on the printed page, Molly Ivins was too cool to offer a posthumous valedictory (or even to take a victory lap for her many triumphs over inane, vainglorious, and addlepaté politicians). But in Bill of Wrongs, her final and perhaps greatest book, the irrepressible Molly Ivins really does have the last word.

Strong Heart, Sharp Mind Little, Brown

With more than 1,300,000 answers, this volume contains more than twice as many words as any other crossword dictionary. Meticulously compiled by two crossword professionals with a combined fifty years in the field and based on a massive analysis of current crosswords, there has never been a crossword dictionary with the breadth, depth, and currency of this one. From Jim Carrey to Sister Carrie, Homer Simpson to Homer's Iliad, the wide-ranging entries include 500,000+ synonyms, 3,000+ literary works, 3,000+ films, 20,000+ famous people from all fields, and more than 50,000 fill-in-the-blank clues so popular in today's crosswords. Featuring an introduction by New York Times crossword editor Will Shortz, The Million Word Crossword Dictionary makes every other crossword dictionary obsolete. This edition offers thousands of new entries, including slang terms; brand names; celebrity names; and films, novelists' works, sports Hall of Famers, automobile models, and more. The larger type size makes finding the answers easier than ever.

New York Times Daily Crosswords Macmillan

From serving as the Middle East correspondent for The New Yorker to penning articles for the New York Times, Milton Viorst has dedicated his career to studying the Middle East. Now, in this new book, Viorst examines the evolution of Zionism, from its roots by serving as a cultural refuge for Europe's Jews, to the cover it provides today for Israel's exercise of control over millions of Arabs in occupied territories. Beginning with the shattering of the traditional Jewish society during the Enlightenment, Viorst covers the recent history of the Jews, from the spread of Jewish Emancipation during the French Revolution Era to the rise of the exclusionary anti-Semitism that overwhelmed Europe in the late nineteenth century. Viorst examines how Zionism was born and follows its development through the lives and ideas of its dominant leaders, who all held only one tenet in common: that Jews, for the first time in two millennia, must determine their own destiny to save themselves. But, in regards to creating a Jewish state with a military that dominates the region, Viorst argues that Israel has squandered the goodwill it enjoyed at its founding, and thus the country has put its own future on very uncertain footing. With the expertise and knowledge garnered from decades of studying this contentious region, Milton Viorst deftly exposes the risks that Israel faces today.

Crossworld Macmillan

From the host of MSNBC’s Alex Wagner Tonight, “a rich and revealing memoir” (The New York Times) about her travels around the globe to solve the mystery of her ancestry, confronting the question at the heart of the American experience of immigration, race, and identity: Who are my people? “A thoughtful, beautiful meditation on what makes us who we are . . . and the values and ideals that bind us together as Americans.”—Barack Obama The daughter of a Burmese mother and a white American father, Alex Wagner grew up thinking of herself as a “futureface”—an avatar of a mixed-race future when all races would merge into a brown singularity. But when one family mystery leads to another, Wagner’s post-racial ideals fray as she becomes obsessed with the specifics of her own family’s racial and ethnic history. Drawn into the wild world of ancestry, she embarks upon a quest around the world—and into her own DNA—to answer the ultimate questions of who she really is and where she belongs. The journey takes her from Burma to Luxembourg, from ruined colonial capitals with records written on banana leaves to Mormon databases, genetic labs, and the rest of the twenty-first-century genealogy complex. But soon she begins to grapple with a deeper question: Does it matter? Is our enduring obsession with blood and land, race and identity, worth all the trouble it’s caused us? Wagner weaves together fascinating history, genetic science, and sociology but is really after deeper stuff than her own ancestry: in a time of conflict over who we are as a country, she tries to find the story where we all belong. Praise for Futureface “Smart, searching . . . Meditating on our ancestors, as Wagner’s own story shows, can suggest better ways of being ourselves.”—Maud Newton, The New York Times Book Review “Sincere and instructive . . . This timely reflection on American identity, with a bonus exposé of DNA ancestry testing, deserves a wide audience.”—Library Journal “The narrative is part Mary Roach–style participation-heavy research, part family history, and part exploration of existential loneliness. . . . The journey is worth taking.”—Kirkus Reviews “[A] ruminative exploration of ethnicity and identity . . . Wagner’s odyssey is an effective riposte to anti-immigrant politics.”—Publishers Weekly
